Hi Rick,

Just following up on a few things:

1. **Please sign and return your Phone Bill** s.22 – it is now overdue (**attached**)
2. **Travel Claim (attached)**
 - a) 1:1 with Geoff Meggs at VCO to get approval for Capital Visits
Friday, December 21st, 2018
 - b) Immersive Tech Sector meeting with Jessica Glass of Van VR Festival and Vivan Chan of Eyexpo
Thursday, January 3rd, 2019
 - Jessica also emailed hoping to set up a follow up meeting to this. When/what sort of timeline would you like to take that on? Email attached
3. **Meetings Update**
 - Meeting with Brad and JM to discuss comms plan
 - JM needs to brief Minister Ralston before he's able to review the communications opportunities with you. JM supposed to get back to me with a date.
 - Meeting with Catherine Warren and Bryan Buggy of the Vancouver Economic Commission to discuss Cascadia
 - Looking at booking the meeting on January 24th, I suggested 1:30pm. Let me know if there's any issues with this.

Best,

Hi Alyson,

On the PNWER Executive Committee call last week, PNWER asked the jurisdictions to review and provide feedback on the draft e-mail below that PNWER will be sending to all legislators in each of the member jurisdictions. Jeremy and I have both reviewed and have no concerns or proposed changes, but if PSG would like us to provide any feedback to PNWER, please let me know. Thanks...

Subject: PNWER 101 Email for all legislators

Hello everyone,

We are working to improve our outreach to all legislators in the PNWER jurisdictions. As was discussed during today's board call, we will be sending a "PNWER 101" email to all legislators educating them on PNWER and inviting them to become involved. Please let me know if you have any suggestions on the message by the end of day Friday.

We also ask that you forward this email with a personal note to your colleagues.

Please let us know if you have any other thoughts on how we can improve our communication with our members.

Thank you,
Jennifer

Working Groups

22 Working Groups met to develop action items in 2018.

Working Groups focus on key regional issues throughout the year.

They are led by a public sector and private sector co-chair, along with one lead PNWER staff member. Working groups members include a diverse group of stakeholders.

Action Items are developed by working groups at PNWER's *two annual meetings*. They represent concrete actions the working group

will take to advance the priorities of the group.

These Action Items constitute the working groups' and PNWER's priority work throughout the year.
