Hi Amanda. Great.
Will get those changes made ASAP.

Next week works.
Thanks,

Hi David,

I'll coordinate a time with you for later next week if possible. In the meantime, I'm not sure how Izak has been included in the owner group? He hasn't worked in that office since the previous government and now works in the ministry for EMPR! But has never worked for JTT/Minister Ralston. As for other access changes can you please make the following ones:

Remove:
Ranjan, Ramesh TAC:EX Ramesh.Ranjan@gov.bc.ca
Meghan Sali Meghan.Sali@gov.bc.ca
Hourston, Sveah LBR:EX Sveah.Hourston@gov.bc.ca
Chauvin, Lindsay JTT:EX Lindsay.Chauvin@gov.bc.ca
JohnMichael.McColl@gov.bc.ca s.22

Add:
Stephanie Chang
James McNish
Krystal Thomson

Thanks much,

Subject: Migration of Minister iPad/SharePoint files to new server

Importance: High

Good morning,

The SharePoint (SP) server which currently hosts the **Minister Office documents (for Minister's iPad)** will be retired. We would like to schedule a time with you to assist moving all the files in the current SP to the new server. While we are doing the transfer of folders and files, no one will be able to access. Once the move is completed, staff will need to start using the new link/location.

Please let me know when would be a few convenient days/times in the next few weeks to do this change . **It should take less than one hour.** The Minister does NOT have to be present for this change.

Hello Amanda

We fact-checked the phrase "Canadians of Korean decent" and learned that there actually are no statistics covering this. We only know the number of *people* of Korean decent living in BC, which includes citizens and non citizens. The line now reads:

s.13; s.16

I hope this is OK. I will send it in today if possible.

Good morning:

As per direction from the Government House Leader's office, changes have been made to the 2019 Parliamentary Calendar. Specifically, the week of November 4, 2019 is now designated as a non-sitting week.

The revised calendar is available on the Legislative Assembly website at <https://www.leg.bc.ca/parliamentary-business/parliamentary-calendar#byyear2019>.

Please let me know if you have any questions.

Sincerely,
Jennifer

Subject: Invite: 73rd INDIA DAY CELEBRATIONS held on SUNDAY, AUGUST 18, 2019

Hello,

Vedic Hindu Cultural Society of BC (**VHCS-BC**) celebrates the 73rd INDIA DAY at **Lakshmi Narayan Mandir**, on **Sunday August 18th, 2019** with all the Indo-Canadian Community living in BC. This India Day Celebration is dedicated to 100th Anniversary of "**The Martyrs of Jalliwala Bagh Massacre**" - initiated by British Forces on innocent Indians in Amritsar on April 13, 1919.

On behalf of **Mr. Satish Kumar, President - VHCS** and all Indo-Canadians, we are glad to invite you to grace this occasion. "India Day Celebrations" will comprise of Flag Hosting of India and Canada, Parade, Entertainment and Cultural Performances.

Venue: Lakshmi Narayan Mandir, 8321 - 140 Street, Surrey BC

Date...: Sunday, August 18th 2019

Time...: 10.00am onwards

The **VHCS-BC** in lower mainland is committed to highlight and celebrate Canadian & Indian days and events for the Indo Canadian community. This is done to create cultural awareness on an ongoing basis and to honour the diversity of the multi ethnic fabric of Canada. **VHCS-BC** is humbled by the community support and takes pride in their voluntary services to make these events a huge success. Your presence and support will be an encouragement to us, as well as, to the Indo Canadians in BC.

Please confirm your presence by email... Looking forward to see you...

Thanks in advance...

Dear The Honourable Bruce Ralston

By way of introduction, my name is Campbell Fisher, and I am the Managing Director of FCB Group. FCB Group is made up of Australia's leading workplace relations lawyers and cloud-based HR solution products.

At FCB Group, we take a holistic approach to workplace relations and provide businesses with strategic advisory services in areas of employment law, human resources management, technology and migration.

We are made up of 4 businesses, with offices in Sydney, Melbourne and Brisbane, in Australia and Wellington and Auckland in New Zealand:

- **FCB Workplace Law** - FCB Group is Australia's leading workplace legal and human resources (HR) solutions business: <https://www.fcbgroup.com.au/>
- **EnableHR** - Dynamic HR software solutions for your business: <https://www.enablehr.com.au/>
- **HR Assured** - is the outsourced HR service helping you build a smarter business: <https://www.hrassured.com.au>
- **Smart Visa** - Strategic migration management and service: <https://www.fcbsmartvisa.com.au/>

FCB have an NPS (client satisfaction rating) score of 72. To give some context, the average Australian Law firm has an NPS score of 30.

As part of our strategy, we like to understand the frameworks in other countries and hence our desire to explore Canadian Employment structures and would love the chance to speak with you to get some understanding of the Canadian Landscape.

I will be in Vancouver Wednesday 21st August until Thursday 22nd August. Would it be possible to meet for a short meeting or coffee those days to discuss the Canadian market, innovation and business?

I have copied in my Executive Assistant Sara Szabo (cc'd) who can find a time that works for you.

Looking forward to the opportunity to meet you in Canada soon.

Warm Regards and thanks,
Campbell Fisher

Hello

This set of speaking notes is for the ADSE, Aug 8th in Abbotsford. The event organizer allotted 15 minutes for Minister Ralston. This speech is about 12 or 13 minutes. We can cut it back if the minister does not want to go that long. There is also space to add a few lines if he has any anecdotes in mind.

Hi Krystal,

We had an opportunity to review the attached list of requested UBCM meetings and have flagged a few we think might be better re-directed to other ministries. In James' absence, could you please review the list below and advise if you agree on the following?

- #202 – Village of Canal Flats – recommend referring to Advanced Education and Skills Training
- #239 – City of Abbotsford – recommend referring to Ministry of Transportation and Infrastructure
***if MBR is interested in taking this, we can suggest a joint meeting.**
- #267 – City of Castlegar - recommend referring to Advanced Education and Skills Training
***MBR and PSG had met with Selkirk College recently**
- #271 – District of Logan – recommend referring to Citizen Services
- #437 – City of Kamloops – recommend referring to Advanced Education and Skills Training
- #638 – Regional Municipality of Northern Rockies - recommend referring to Ministry of Transportation and Infrastructure
- #645 - Regional District of Alberni-Clayoquot – recommend referring to Citizen Services

Please let me know if you are agreeable and we can respond back to the coordinator to finalize and schedule.

Thanks!

Please find attached the list of meeting requests received for your Minister this year.

s.13; s.16

s.13; s.16

As such, you will find a few extra columns in your report, which will include up to 3 topics, with a background summary, and a brief request for each. This is intended to replace the information collected in briefing notes.

Please return the following information to us by **Monday, August 12th**:

- Meetings redirected to other Ministers
- Meetings declined
- Meetings accepted

Please note that Ministers are expected to be available for meeting scheduling any time during the following range (excluding whipped events scheduled during these times):

- Tuesday, September 24, 8:00 am – 5:00 pm
- Wednesday, September 25, 8:00 am – 5:00 pm
- Thursday, September 26, 8:00 am – 5:00 pm
- Friday, September 27, 8:00 am – 10:00 am

If your Minister is not available during any of these times, please notify us ASAP, and we will endeavour to make accommodations wherever possible.

Thank you for your help, and I'm looking forward to working with you.

Hey Krystal,

Here's the shirt list, I've attached the original letter that goes into detail and also the BC Apparel and Growth Plan.

See you in a few hours, and my cell if needed -S.22

Arc'teryx is important to the BC economy with employment base, history, and commitment to the North Shore. We'd like to get apparel and manufacturing on the governments agenda to support our business growth (hard to find/keep top talent, taxes, transportation, office development and the rising costs and lack of industrial lease land).

To tackle these issues we've created an association BCAGA to tackle some of these pain points and unite with other apparel, gear and manufacturers in BC. Including MEC, Mustang Survival and lululemon athletica.

We believe in creating an association that delivers value to our members and effective solutions. To get the association off the ground and support the 3-PT Plan for growth we are looking for:

1. Fast track immigration program for factory and office workers
2. \$500K association seed funding from provincial and federal gov't for the first five years
3. Industrial sewing training program support
4. Educational program support (K-12, new University programs, etc.)

You will find out today that we have already been actively seeking creative solutions and building partnerships to combat the issues above by:

1. Partnering closely with many Work BC centres and their case managers and job developers (too many stories to share)
2. Partnering with organizations that have deep roots in the community and the industry – namely, ISS of BC, Mosaic, SUCCESS, BCMA, CAF, etc.
3. Through these partnerships, we have been able to gain more funding:
 - a. CAF funding for youth under 30 – total over \$17,000 in funding for new hires training
 - b. ISS of BC Start to Sew program in partnership with Threadworks – 2 cohorts of 8 sewers for total of 16 in the last 2 years for soft skills and technical sewing training – total over \$30,000 in funding for training
 - c. BCMA – Manufacturing Production Worker and Industrial Sewing Training – Not a direct partnership but we have hired from graduates from their training programs AND have provided space for their sewing training for more than a year (on a very reasonable cheap rent) as a stop gap measure before they found a permanent place
 - d. For both the ISS and BCMA training, we have also been consulted on in terms of training manual and have provided our own fabric for training. P&C have volunteered to give participants of the program presentations and tours

4. We have hired mainly immigrants and refugees into ARC'One the last 2-3 years. 90%+ of the new hires that come into ACR'One are either immigrants or refugees.

Again, looking forward to spending more time connecting and learning today.

Best,
Laura

s.22 called the office stating she got called to the post office as she received something from “the Ministry of Jobs Trade and Technology”. She wasn’t expecting anything and was shocked that she did. By the time she got to the post office the mail was already returned to sender.

Does anyone have any information on this? I didn’t see anything in cliff

The Minister sent Amanda and I an email yesterday just saying that he told us the names of who he said it too (which we are both aware of).

Hi James, Krystal and Maria

The communications team from MIRR assembled this key message package on reconciliation for the minister.

Regards
Brad

Good afternoon,

Please find attached a package of messaging to share with your MO, to support any engagement your minister will do over the next couple of months with stakeholders related to this fall's reconciliation legislation that will bring the principles of the UN Declaration into provincial law.

Attached are the following documents:

- General overarching key messaging on the legislation
- Ministry-specific key messaging on reconciliation activities (note that you may see a few tweaks from what you last sent, as folks on this end had a few more changes to some of the messaging)
- A template for riding-specific key messaging that **caucus communications or the minister's constituency office** can use to draft constituency-specific key messaging
- A Q&A document on the legislation

MIRR staff are currently finalizing a stakeholder engagement plan, so there may be a couple key stakeholders identified who would be desirable for your minister to engage with specifically. (If there are any, I believe that would be brought to your MO in the next few weeks via our MIRR MO.) I also understand that ministers were encouraged at Cabinet to discuss the legislation in the course of meetings and conversations they are having with stakeholders and constituents as a normal course of their work, as appropriate. The attached messaging should give them what they need to support all of these engagement activities.

Note that we have some focus groups going on over the next couple of weeks, and as a result, the messaging may evolve over time. We will send updates your way when or if there are any.

Please let us know if you have any questions or your minister's office requires anything else to support engagement activities.

Thanks,
Sarah.

Hi Krystal,

Not sure if the Minister will have a chance to see this before he arrives at Arc'teryx (I name them below but this is not confirmed) but this is an idea that came about over the long weekend of how we could tackle some of the mill closures in the Interior. If he has a few minutes I could elaborate afterwards in the parking lot.

Manufacturing Centre of Excellence Network Prince George Hub

Given the closures of natural resource projects in the Interior, a number of skilled workers are being displaced and under-employed. It is important to retrain these individuals for high-demand critical occupations in other priority industries. Certain manufacturing sub-sectors such as general manufacturing, aerospace and food production are looking to fill positions quickly. This means that short-duration training would be most appropriate to return people to the workforce. Lower Mainland and Capital Region based manufacturers face significant labour shortages and could be encouraged to establish staletitte operations, or full relocations, to the interior.

A Manufacturing Centre of Excellence hub could be established in Prince George. The hub would consist of a training centre for manufacturing based skills. A dozen specific programs are already offered by the Northwest Skills Institute to issue certifications for technician roles in aerospace and advanced manufacturing. Additional space would be set aside as shared facilities for small and medium

manufacturers. Larger manufacturers would have their own dedicated spaces however, they would still gain access to the shared facilities. This cohabitation would allow for shared resources and shared investment. Furthermore, like much of the emerging shared economy, under-utilized machinery and technology would gain additional use from neighbouring manufacturers and for training purposes.

We could quickly identify partners to create employment opportunities.

Aerospace: We could partner with Eleos Aerospace or a similar company to establish an aerospace manufacturing and training facility in Price George that would employ people and produce parts for other aerospace manufacturers in BC.

Food Production: We could partner with MSC to establish a food production and packing facility that would used for both training and production.

Value-Added Wood: We could partner with Horizontal to make slat frame wooden beds in PG as they scout for a new cost effective factory.

Apparel Manufacturing: We could partner with Arc'teryx or a similar company to establish a production facility.

Metal manufacturing: We could partner with Marcon Metal Fab or a similar company to produce metal products in Prince George.

Actions items

Implement a NW Skills Institute Campus in Prince George for short-duration technical training to transition to new employment.

Partner with government and industry to establish production facilities in Prince Geogre around the NW Skills hub to create a true Manufacturing Centre of Excellence.

Launch aerospace technician, food processing technician, CNC Programmer, Mechatronic Technician

Match program participants to new employers as specific cohort or individuals.

Hi All,

As we approach UBCM week, I'll be sending out information regarding meeting spaces, events & receptions and happy to answer any questions you may have in regards. To start – here's a bit of information regarding registration and scheduling for this very busy week in September.

A reminder the UBCM registration deadline is September 13th. Registration for Ministers is complimentary, but still required.

Any additional costs for events and receptions associated with UBCM must be paid from constituency funds & travel & accommodation are paid under Member's travel.

Staff registration is not free and staff planning on attending UBCM with their Ministers should also plan to register before the September deadline, (including any events or receptions you will attend with your Minister). In keeping with last year, only 1 MA should be registered/travelling the week of UBCM. If there is a need for extra staff, please let me know before completing any additional registrations.

(Ministers registration comes with one complimentary staff pass – but this does not allow staff access to any events, receptions or meetings your Ministers will be attending -for this reason we are requesting Mas to register separately.)

On Monday, September 23rd there is a full day caucus meeting at the Coast Coal Harbour Hotel. Time on Tuesday, Wednesday & Thursday should be held for municipal meetings. MAH/Events staff are working hard to coordinate these on your Ministers behalf and will confirm timing and meeting rooms at the Vancouver Convention Centre for all. (Ministers confirmed meeting schedules with timing and allocated meeting rooms will be sent first or second week of September).

The following (whipped) receptions & addresses can be added to your Ministers calendars – locations to be confirmed.

Tuesday, September 24:

6:30 pm - 8:30 pm Welcome Reception

Wednesday, September 25:

2:00 pm - 2:30 pm Address by the Minister of Municipal Affairs and Housing

5:30 pm - 7:00 pm BC Government Reception

Friday, September 27

11:00 am - 12:00 pm Address by the Premier

More updates to come as we get closer to UBCM. If you have any questions or concerns, give me a shout.

Thanks all,
A

Hi Team Beare!

I'm wondering if Minister Beare is around in the riding on August 8th and 9th. We're hoping to do a tour of some manufacturing facilities in Maple Ridge and Pitt Meadows (DynaNav Systems Inc., AH Structural Composites, etc.) those days to coincide with the Abbotsford air show. Would Minister Bear be interested in joining?

Let me know you're thoughts!

Thank you,
Krystal

Hi Krystal,

To add, we're looking for Minister's approval of the meetings by **Friday, Aug 9** to meet the PO deadline.

We are also anticipating two more requests to come in, which I've added to the tracker (attached) and summarized below:

- City of Revelstoke – Foreign Workers' Program
- District of Houston - BC Statistics & Provincial Service Delivery

Will keep you updated.

Best,

Hi Krystal,

We had an opportunity to review the attached list of requested UBCM meetings and have flagged a few we think might be better re-directed to other ministries. In James' absence, could you please review the list below and advise if you agree on the following?

- #202 – Village of Canal Flats – recommend referring to Advanced Education and Skills Training
- #239 – City of Abbotsford – recommend referring to Ministry of Transportation and Infrastructure
 - *if MBR is interested in taking this, we can suggest a joint meeting.**
- #267 – City of Castlegar - recommend referring to Advanced Education and Skills Training
 - *MBR and PSG had met with Selkirk College recently**
- #271 – District of Logan – recommend referring to Citizen Services
- #437 – City of Kamloops – recommend referring to Advanced Education and Skills Training
- #638 – Regional Municipality of Northern Rockies - recommend referring to Ministry of Transportation and Infrastructure
- #645 - Regional District of Alberni-Clayoquot – recommend referring to Citizen Services

Please let me know if you are agreeable and we can respond back to the coordinator to finalize and schedule.

Thanks!

Hi Monica,

I understand you are the main contact for UBCM Meetings this year. Can you please confirm if that is the case, or if there is someone else I should be connecting with?

Please find attached the list of meeting requests received for your Minister this year.

Please note we have made a change to how we collect information this year. Instead of depending on the submission of briefing notes, we have asked local governments to include all relevant information in their initial meeting request submission. As such, you will find a few extra columns in your report, which will include up to 3 topics, with a background summary, and a brief request for each. This is intended to replace the information collected in briefing notes.

Please return the following information to us by **Monday, August 12th**:

- Meetings redirected to other Ministers
- Meetings declined
- Meetings accepted

Please note that Ministers are expected to be available for meeting scheduling any time during the following range (excluding whipped events scheduled during these times):

- Tuesday, September 24, 8:00 am – 5:00 pm
- Wednesday, September 25, 8:00 am – 5:00 pm
- Thursday, September 26, 8:00 am – 5:00 pm
- Friday, September 27, 8:00 am – 10:00 am

If your Minister is not available during any of these times, please notify us ASAP, and we will endeavour to make accommodations wherever possible.

Thank you for your help, and I'm looking forward to working with you.

Hi Alan,

I am following up on a voicemail I left with the front desk. My names Andrew and I work in the Ministry of Jobs, Trade and Technology. I am responsible for preparing some background information for the Minister before his tour/meeting with Westcomb and Winner Sportswear next week on August 7th. I am hoping you or one of your staff would be able to confirm the below is correct, as well as provide with me with some additional information.

Agenda:

Location: Winner Sportswear Ltd. 1223 Frances Street, Vancouver BC

Attendees: Alan Yiu, Creative Director (Westcomb Outerwear Inc.)
Vince Yiu, Operations Manager (Winner Sportswear Ltd.) Tony Yiu,
President (Winner Sportswear Ltd.) Marcus Ewert-Johns, Chair (BC
Alliance for Manufacturing)

1:30 – 2:00 pm Factory Tour – Winner Sportswear Factory Tour 1223
Frances Street

– Westcomb 1259 Frances Street

2:00 – 2:30 pm Discussion / Q&A 1223 Frances Street

Information:

Westcomb: number of employees, operations space?

AY> Full time: 20 employees, 9,500 sq ft.

Winner Sportswear: number of employees, operations space?

AY> Full time: 95 employees, 30,000 sq ft

What would the group like to show the Minister during the tour portion
of the visit?

AY> The purpose of our meeting request and tour is to provide the Minister a glimpse
into a sector that was once thriving in B.C. There's a real opportunity here to generate
meaningful economic impact for BC through apparel manufacturing. While entry level
workers are protected by the min. wage, our avg. wage ranges from +15-23% more

In terms of discussion, what issues or concerns will the group be raising? Could you please describe them in detail.

AY> Shortage of skilled workers is a huge area of concern for us, and the labour pool is slowly eroding every year. While apparel manufacturing isn't a sexy sector to get behind compared with tech and other resource based industries it is one that doesn't have a steep learning curve and is human resource heavy as each machine requires an operator. Unfortunately cultural/social sentiments toward the industry steer many of today's youth seeking min. wage employment elsewhere. 2 areas I think will be helpful for our industry are:

Training program / support - while there are currently programs in place operated by schools/businesses they aren't practical for manufacturers for the following reasons:

- Practical application - aside from learning how to turn on, and thread the needle all of the candidates we've seen from the various training centres lack production readiness. The industry would be better served having supported training at the factory level on real world sewing applications vs. text book sewing. While each factory has their own systems and setups, candidates that have experience from another factory fair considerably better in terms of skill set and productivity.
- Preferential treatment - one school/centre I spoke to advised us that they s.13 where they were allowed to have first selection of their pool of students. Any candidates leftover would be sent out to the various factories in the city. If this were true the training program really is only suited for an elite few, and not the collective industry.

Temporary Foreign Workers Program - I have read the Minister's stance on TFWP and would like to state that no Canadian jobs are getting displaced or replaced. I became aware of the TFWP program through the news on a few bad actors abusing the spirit of the program. I don't have an answer to how we keep the program honest, but if that were a stumbling block I would gladly participate in a committee to find a solution. I would like to make the following case for TFWP, and see if I can sway the Minister's opinion slightly:

- We have regular advertisements for job positions to be filled, to no avail. TFWP would only be accessed for these positions we are having difficulty to fill.
- Filling in the basic positions with TFWP allows us bring on Canadian production operators with lessor skill/experience. Right now 100% of Westcomb operators and 80% of Winner operators are cross-skilled to handle multi machines and a variety of operational sequences. s.17

s.17

- TFWP allowance - I would like to propose that there be an exceptions route for the number of candidates allowed under the TFWP. Currently at 10% Westcomb can hire 2 TFWPs and Winner can hire 9. I understand there are concerns, and again I would volunteer to be a part of a committee in addressing these concerns relating to Canadian jobs, housing, etc.

When I visited the Canada Goose factories in Winnipeg their production lines are set up like an assembly line where tasks are simplified by breaking down the sequences. Each assembly line is 50-60 deep, and between there 2 factories they employed 2,000 operators in Winnipeg alone. Keep in mind that many of the jackets produced in their facilities are produced with us at Winner and Westcomb. While Winner has 1 1/2 of their assembly line and isn't fairing too bad in efficiency, s.17

s.17

Has either of the companies used any government programs? Federal, Provincial or Municipal.

Winner Sportswear Ltd -> None.

Westcomb -> PNP s.16

Youth Employment

at Lululemon) and Federal

What is the relationship between Westcomb and Winner Sportswear?

We are independent but related by family. Winner Sportswear was started by my father, Tony Yiu, in 1982 and is s.22

s.22

I started Westcomb in 2005 as a brand, but have scaled back to focus on contract production for other brands in 2012 as the enormous capital costs supporting westcomb's sales/marketing efforts became crushing.

Is there any additional information that the Minister or staff should be aware of before the visit.

Please feel free to give me a call if connecting over the phone is more suitable for this.

Kind Regards,
Andrew Ives

Regarding inviting media to Anotek, that's something we can probably discuss the day of, depending on what the numbers are. We just need to make sure the company would be ok with having media attend. Maria, do you know if that was raised with them when the meeting was booked?

We can start media pitches this morning if everyone's ok with the media list:

Hi JM,

I hope you're well and enjoying this summer heat!

As you know JTT – via the Small Business Roundtable – was a presenting partner/sponsor at our [#TradeTalks conference](#) last year and Minister Ralston was a keynote. Please see our "Impact Report" on the event attached.

We are hopeful SBR will be a sponsor again and are now seeking clarity on ideal November dates that would work for the Minister so we can lock in our venue for #TradeTalks 2019 and confirm the Minister as a featured speaker.

It looks like the week of November 11th would be ideal given the Parliamentary Calendar – would November 13th or 14th work for the Minister to attend for a portion of the day and offer his remarks?

Thank you in advance, Val

No problem. I added a new column at the beginning of the sheet. Hope that works. I've also converted to PDF if that's any easier.

Hi James and Krystal,

I hope you are both doing well. Per a chat that James and I had last week, we are starting to plan ahead for the release of the Gasoline and Diesel Price Inquiry Report, which is due to your Minister on August 30, 2019. As James knows, we are planning to release the report on the 30th via a media availability and we will share an embargoed copy with both James and Jon Robinson as much before the public release as possible.

I also wanted to ask if the Minister (and possibly a representative from the Premier's office) would be interested/available in meeting with David Morton, our Chair and CEO in Vancouver at 9am on the 30th (could be in person or via phone). David could provide a high level overview of what is in the report and findings from the Inquiry, before it is publicly posted and answer questions so that your office can be prepared.

Please let me know if this would be helpful and if the timing works for your Minister's schedule.

Did you know the humble Apple iPhone can shoot great video? Here's how:

- Find a bright outside window (natural light is great, especially on a cloudy day)
- Face the window (or have your subject face the window)
- Hold up your iPhone (if shooting a selfie) while you are facing the window. If a friend is helping you, have them hold the camera very steady with their back to the window, careful not to block the light. iPhone 7, 8, and 'X' work best, but the 6 can also create fantastic video
- Shoot your iPhone video clip
- Review and share (on Facebook, Twitter, Instagram, etc.)

BC Liberal arrogance on Denman Island ferry conversion leaves mess for waterways, community residents

Former Liberal Transportation and Infrastructure Minister Todd Stone ignored concerns raised by the residents of Denman Island about the decision to move to cable ferry service. That decision has left the community with a mess of plastic debris and broken promises, outlined in a [Vancouver Sun](#) story today.

As far back as 2011 residents of the island raised strong objections to a plan by B.C. Ferries to move forward with cable ferry service for the Denman Island crossing, replacing reliable conventional service.

Despite those concerns, Stone was a bull-headed booster of the move, one that is now impossible to reverse without major costs and ferry service disruptions:

- He celebrated the cable ferry conversion in a fact sheet he issued in March 2014 on his plan for the ferry system
- He then doubled down, praising it in a letter to the Vancouver Sun in 2014
- He also highlighted the ferry in his so-called roadmap for the transportation system in 2015

In addition, Stone dismissed community concerns brought forward by NDP Transportation Minister Claire Trevena when she was in opposition.

“Negative! Negative! Negative,” was his response to Trevena’s concerns in the Legislature in 2015. ([Video](#))

By contrast, Premier John Horgan is listening to concerns about the impacts of plastic pollution in our oceans and for the first time in BC’s history appointed a special advisor on marine debris, MLA Sheila Malcolmson.

The NDP government also passed the Coastal Ferry Amendment Act, which now ensures that the broader public interest as well financial concerns must be taken into consideration when ferry services are changed.

Denman Island residents should be praised for their concern and stewardship of waterways including conducting cleanups of plastic debris caused by problems with the cable ferry service.

JULY 2019

Ministry of
Jobs and
Economic
Development

Taking a Look at Ec Dev in B.C.

I am happy to share with you a mid-summer update on the work that has been completed at the Ministry of Jobs, Trade and Technology this month. In this edition of *The Eye* you will find a snapshot of some of our exciting new initiatives on topics such as food security, artificial intelligence. We have made tremendous progress in our agrifoods sector and associated exports, also captured below. Please do not hesitate to contact me should you have an interest in learning more about the work JTT is doing to support growth and innovation.

Ultra-High-Speed Rail Business Case Study Released

The latest study on high-speed rail between Greater Vancouver, Seattle and Portland reports a potential for reducing travel time by one hour. This will also mean reducing 6 million tonnes of carbon emissions, and creating up to 200,000 jobs. Led by Washington, Oregon and Microsoft - the study is a preliminary look at how a new transportation corridor could serve as a catalyst to transform the Northwest. Read more at [2019 Business Case Analysis](#).

Food Security Task Force Public Engagement Announced

Government's Food Security Task Force, an initiative to develop recommendations for how to unlock the potential of technology in the food sector and promote food security, is currently offering an [online public engagement forum](#) for interested individuals and organizations to share their opinions. Survey responses will be considered along with feedback the Task Force will receive in meetings with targeted stakeholders in the summer and fall of 2019. A final report with recommendations is expected to be made public in early 2020.

Export Navigator Conference: Vancouver, June 24

The Trade Readiness and Services team presented to the nine established and new [export navigator advisors](#) at an Export Navigator conference held in Vancouver. Advisors are based in Nelson, Prince George, Vernon, Kamloops, Duncan, Port Alberni, and Prince Rupert. In addition, there is a part-time advisor in Fort St. John. There is also an Export Advisor in Kamloops, a women's Export Advisor and a youth Export Advisor both in Vancouver. These advisors, with the support of JTT, help businesses access new markets for their products and services. After the event, a mixer was held and attended by over 50 people.

Annual BCCIE Conference for International Education: Whistler, June 23 – 26

The Annual BCCIE Conference is a great opportunity to promote B.C. as a preferred destination for international students. This year, over 500 international students from Canada and the world took part in the [conference](#). The ministry was represented by one staff and eight Educational Marketing Managers (EMMs) from Indonesia, Japan, the Philippines and South Korea. The EMMs had full schedules with over 32 meetings. The EMMs also visited with various international representatives around Victoria and Nanaimo.

Fujitsu Intelligence Technology Opens Global AI Headquarters in B.C.

Fujitsu held a formal opening event to celebrate the establishment of its global AI headquarters in B.C. on June 27. Minister Bruce Ralston, P. Rick Glumac, Innovation Commissioner Alan Winter, Fujitsu executives from Tokyo headquarters, academia, and other corporate representative teams within the ministry and the B.C. Trade and Investment Representative Office in Japan have worked extensively with Fujitsu to support the province. Fujitsu will work to develop and deliver AI solutions and services to their global teams and client networks.

B.C. Cherry Exports to Japan

The B.C. Trade and Investment Representative Office in Tokyo, Japan recruited two agrifood buyers who visited 12 cherry orchards and produced Okanagan from July 9 – 12. As of August 2018, the Government of Canada secured market access for fresh cherries into Japan, and this produced by the ministry and the BC Cherry Association, marks potential for growing B.C. exports.

Just to be clear, have you contacted RLab on this? I believe James McNish was to handle this but not sure if he did so^{s.22}. Amanda and I wouldn't know the exact dates of when Minister is s.22 If you or James have not reached out to RLab, their contact information is: justin.hendrix@nycmedialab.org and adaora@rlab.nyc.

Thanks,

Dear The Honourable Bruce Ralston

By way of introduction, my name is Campbell Fisher, and I am the Managing Director of FCB Group. FCB Group is made up of Australia's leading workplace relations lawyers and cloud-based HR solution products.

At FCB Group, we take a holistic approach to workplace relations and provide businesses with strategic advisory services in areas of employment law, human resources management, technology and migration.

We are made up of 4 businesses, with offices in Sydney, Melbourne and Brisbane, in Australia and Wellington and Auckland in New Zealand:

- **FCB Workplace Law** - FCB Group is Australia's leading workplace legal and human resources (HR) solutions business: <https://www.fcbgroup.com.au/>
- **EnableHR** - Dynamic HR software solutions for your business: <https://www.enablehr.com.au/>
- **HR Assured** - is the outsourced HR service helping you build a smarter business: <https://www.hrassured.com.au>
- **Smart Visa** - Strategic migration management and service: <https://www.fcbsmartvisa.com.au/>

FCB have an NPS (client satisfaction rating) score of 72. To give some context, the average Australian Law firm has an NPS score of 30.

As part of our strategy, we like to understand the frameworks in other countries and hence our desire to explore Canadian Employment structures and would love the chance to speak with you to get some understanding of the Canadian Landscape.

I will be in Vancouver Wednesday 21st August until Thursday 22nd August. Would it be possible to meet for a short meeting or coffee those days to discuss the Canadian market, innovation and business?

I have copied in my Executive Assistant Sara Szabo (cc'd) who can find a time that works for you.

Looking forward to the opportunity to meet you in Canada soon.

Warm Regards and thanks,
Campbell Fisher

I can find out today from the EMPR MO if there's a reason why Minister Mungall isn't attending. I think MBR would be open to this though. From my reading and memory, there aren't any issues with him going.

Dear Minister Ralston,

**Re: 2019 Northeast British Columbia Community Coal & Energy Forum
September 11 & 12, 2019 in Tumbler Ridge, British Columbia**

The Districts of Tumbler Ridge and Chetwynd would like to invite you to attend the 14th Annual Northeast British Columbia Coal & Energy Forum that will take place in Tumbler Ridge on September 11 & 12, 2019.

At this year's forum, we will explore trends in the coal and energy sectors that are predicted to shape the workforce of the future and key skills that will become increasingly in demand. This in turn will help industry and educators to better prepare the next generation of coal and energy sector workers, specialists, entrepreneurs and innovators to fulfill the changing technological, environmental and servicing needs of the sector.

Over the two days together, there will be opportunities to forge new relationships, gain an appreciation of the common interests of all energy sectors and strengthen existing ties through informative presentations and an abundance of networking opportunities.

September 11th will be a day of experiencing the splendour of the Tumbler Ridge area. Tours will be available to places of interest around the area and the evening will conclude with a special dinner celebrating the positive interrelationship between our geopark and our resource industries.

September 12th will involve information sessions, a tradeshow, and keynote speakers. Please visit our website www.CoalForum.ca in the coming weeks as we add details to the agenda and itineraries and to register.

We hope that you will find time in your busy schedule to join local government and industry leaders from the Peace Region in Tumbler Ridge in September! If you have any questions and to RSVP, please contact Chairperson of the Organizing Committee, John Powell at (250) 242-4242 or email coalforum@dtr.ca.

construction worker shortage

CHNL (Kamloops)

Colton Davies: Kamloops city staff say there's no sign the record pace of building in the tournament capital will slow down any time soon. Some big permits are still waiting to be approved, according to building and engineering development manager Jason Dixon. And he says that means the demand for workers is extremely high.

Jason Dixon: Anecdotally, I've talked to a few different builders, developers and they are struggling to find people. I mean, we ourselves are struggling to find some folks too. I think it's a common theme, not just in Kamloops, but around the province.

John Michael,

At the beginning of July we sent a formal request to the Minister's office asking him to be a keynote speaker at our annual Business Opportunities Conference on November 14 in Vancouver. The Minister has graciously accepted our request to speak at two previous conferences in 2017 and 2018 and we are hoping, like ADSE, he will be able to do so again in 2019.

I'm wondering if you are here today at ADSE with the Minister? We are at booth 203 near the front entrance.

Confirmed on our side. In advance of the tour I will need full names and email addresses of all attendees. This is an essential part of our security process and if there are any last minute additions or swap outs please let me know with as much advanced notice as possible.

Thanks,

Hi Dan,

Sorry for delay in confirming this tour with Minister
Ralston. Can we please confirm this visit and tour
for **Thursday August 8th from 3:30-4:30PM?**

If this is workable for you can you please confirm if
there will be any other attendees other than yourself?

Thanks much!

Hey Krystal,

I don't know if this is at all helpful and I'm sure you've already got a system. But here are a few of the things I saw coming through today that needs MBR's attention^{s.22} I thought I'd compile them all in one place if that makes it easy for you when you're in the office with him (I know how it can be, trying to navigate emails!).

- Jobs interview with Dr. Romana on Monday? s.22 – Courtney sent email
- Would he like to attend New Ventures BC Awards, presented by Innovate BC on September 19th in Vancouver? – Amanda sent email)
- PSG's travel authorization forms for Cascadia conference – Amanda sent email
- Chamber Consults statement for MBR approval – Lori sent email
- 2 pieces of correspondence – Maria sent email
- Make sure MBR gets quantum report he asked for – Maria sent email

May have missed some, but that's what I can see.

I'm going to update him tonight on a few things I have been handling before^{s.22} and I'll have a hand-off document for you and James^{s.22}

Let me know if you need anything tomorrow!

Subject: Re: Minister Ralston speaking at ABCMI Business Opportunities Conference

Krystal,

At the bottom of this email chain, I mentioned that the Minister had been a keynote speaker at our last two Business Opportunities Conferences and we have submitted a formal letter to his office asking that he do so again at our conference being held in Vancouver (Vancouver Convention Centre) on November 14. Today he mentioned that it was his third time at ADSE and we are hoping that he would also make it a third time with the ABCMI conference.

We have checked to see that the house is not in session on November 14 so the Minister would be able to leave the Island.

Given that time is running short and we need to solidify our agenda - we are hoping to get a response as soon as possible from the Minister's office.

Thank you for any assistance you can give us in this regard.

Sincerely,

Alex

Hi Alex,

Yes, I was with Minister Ralston at ADSE earlier today. We have since departed. How can I assist you?

Hi Krystal,

I'm getting a string of 'out of office' messages from your colleagues. I'm wondering if you are filling in with Minister Ralston at ADSE?

Thanks,

John Michael,

At the beginning of July we sent a formal request to the Minister's office asking him to be a keynote speaker at our annual Business Opportunities Conference on November 14 in Vancouver. The Minister has graciously accepted our request to speak at two previous conferences in 2017 and 2018 and we are hoping, like ADSE, he will be able to do so again in 2019.

I'm wondering if you are here today at ADSE with the Minister? We are at booth 203 near the front entrance.

Best regards,

Alex

No worries! And MBR called me tonight to discuss a couple of other things that I had assigned to me so I ended up talking to him about the Monday interview and correspondence so I removed them below. Will deal with the follow up there tomorrow.

Hey Krystal,

I don't know if this is at all helpful and I'm sure you've already got a system. But here are a few of the things I saw coming through today that needs MBR's attention before s.22 I thought I'd compile them all in one place if that makes it easy for you when you're in the office with him (I know how it can be, trying to navigate emails!).

- Would he like to attend New Ventures BC Awards, presented by Innovate BC on September 19th in Vancouver? – Amanda sent email)
- PSG's travel authorization forms for Cascadia conference – Amanda sent email
- Chamber Consults statement for MBR approval – Lori sent email
- Make sure MBR gets quantum report he asked for – Maria sent email

May have missed some, but that's what I can see.

I'm going to update him tonight on a few things I have been handling before s.22 and I'll have a hand-off document for you and James s.22
s.22

Let me know if you need anything tomorrow!
