

Minister, I just wanted to say thanks for all of your efforts over the last 3 years. I have really enjoyed learning a tonne and all we were able to do for mining. We accomplished an amazing amount and the RMA and the MJTF are two of my career highlights. Thanks again for your trust and support and look forward to crossing paths. Hopefully you still come on RMA as it fits perfectly with your new portfolio...

Hi Minister, Nate here. Thanks for your email to staff. Its been a pleasure working with you and I'm sure we'll continue to in your new role. It's an exciting portfolio!

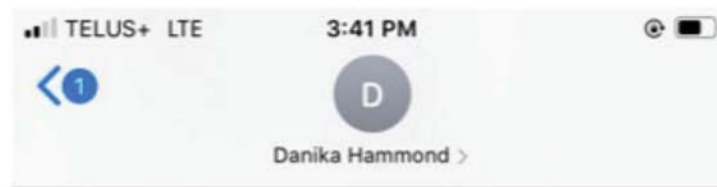

Good luck on your new assignment. You've been great to work with and I'll miss you. All the best to you and your
