Rick,

I wanted to share the update we received during a call that was requested by the funders of the research project with U Vic on expanding the 'Net Zero Navigator' computer program to include resiliency and life cycle assessment technology for the building trades.

It was a good call and I was impressed with where the research is going. ^{s.13}

Present on the call this Monday:

Bill Larson - Oregon, NW Cement Council, CalPortland
Dianne Warner, NW Cement Council
Andrew Pape-Salmon, BC Government - *Executive Director, Building and Safety Standards Branch*

Office of Housing and Construction Standards

Ministry of Municipal Affairs and Housing

Dr. Ralph Evins, U Vic
David Bristow
Charles Kelley, formerly with BC Cement Council
Matt Morrison
Nate Weigel

Also attached is a list of some of the webinars with speakers and agendas.

Thanks Rick! I would be happy to schedule a call in the next 10 days to go over the BC Priorities for PNWER. Let me know a couple times that work for you.

Sincerely,

Matt
