**Subject:** Re: TELUS commitment re Shaw build

Very much appreciated Dave.  
Have a great evening.

Susan, as we discussed,  
TELUS commits that we will execute and complete our inspection of the Shaw build situated around and between Whistler and Lillooet within 10 business days once we have received notification that the build is completed, barring weather events and the like which could potentially disrupt our access to or resource availability in the area.

If you have any questions or require any further information, as always; please call me directly.

regards,

D.M. Geske
