Hi Minister Bains,

Seattle has a \$15/hour minimum wage. Alberta will join them in 2018 and Ontario shortly after in 2019. Why should British Columbians have to wait when we have the highest cost of living in the country?

Once the Fair Wages Commission is established, we will let you know how you can share your thoughts with them directly. The more people they hear from, the better chance we have of seeing change.

Thanks Harry,

Ryan Painter
