Sorry for the delay on this Sue.

Yes, SKYPE/LYNC is available for use and approved.
Here is some online documentation for LYNC.

<https://connect.gov.bc.ca/SitePages/Learning%20to%20use%20UC.aspx>

There is a project and service coming to replace your desk phones with new phone system using SKYPE etc. Called Unified Communications (UC) so you will see references to that.
The new system is probably coming for Summer..

Subject: Meeting with SEIU to discuss Justice for Janitors Campaign on BC Campuses

To the Honorable Harry Bains & Melanie Mark,

I am writing to you first as a concerned citizen that is committed to fighting for social justice issues in this province and around the world; and second, as a Union Organizer with SEIU Local 2's Justice for Janitors Campaign, which seeks to improve the lives of workers by organizing janitors across cities into unions so they will be in a stronger position to demand justice and fairer working conditions with their employers.

During the provincial election last year, I saw to it that each staff member volunteered to make sure the NDP won the elections. Now, we are expecting the NDP government to stand with labour and workers' rights, especially for the most precarious workers who need union protection the most.

SEIU Local 2 is currently organizing contracted cleaners under Best Service Pros at post-secondary institutions: Langara College, BCIT, Vancouver Community College, and UBC-Okanagan.

Best Service Pros seems to be the contractor of choice at public post-secondary institutions.

In order to provide cost certainty to its clients and prevent workers from forming real unions, Best Service Pros has signed a 10-year Voluntary Recognition Agreement with CLAC, which is a company-sided union.

Furthermore, SEIU Local 2 is currently in negotiations with the same cleaning company at Capilano University and are engaged in a Living Wage & Benefits campaign to pressure the university to intervene to ensure workers win a fair deal (<http://justiceforjanitors.ca/2017/11/29/janitors-union-drive-at-capilano-university-gives-rise-to-campus-wide-living-wage-campaign/>)

As the Minister of Advanced Education, Skills and Training & Minister of Labour, I would like to organize a joint meeting to discuss this issue with you further. I can understand that it may be difficult to meet all together but I am open to setting up two times as this issue is connected to labour conditions on BC's post-secondary campuses and intersects with both ministries.

Please do let me know what time works best for you this month.

Thank you kindly,

Christine Bro – Lead Organizer

Hi

Unfortunately, March 13 won't work after all. The Minister is back to back and things change very quickly.

My proposal is to find a different date. Does it have to be for an hour?

Of the choices your mentioned, March 8 is preferred at 3:30.

Thanks

Hello Sue,

I'm pleased to let you know that a new Administrative Assistant is starting in your office this Thursday, February 1.

His name is Jack Garnier and you can reach him at s.22

His employee ID is below.

Jack is new to working in a BC government office so will need orientation about the Minister's office and government systems.

For the various types of training, I am hoping the following can happen:

CLIFF training – usually provided by the Ministry correspondence unit
Travel, e-forms, purchasing card reconciliation: provided by Minister's Office Support Services (Cindy McKinstry's team)
at <http://gwww.fin.gov.bc.ca/gws/camss/moss/index.stm>
Microsoft Outlook scheduling – to be provided by the AC, Jack has experience with this already.

The records management training (IM117) is mandatory for all new employees and can be taken online. Employees can access learning here: <https://gwww.gov.bc.ca/groups/learning-bc-public-service>

This is also a useful resource for new employees: <https://gwww.gov.bc.ca/reference/gov101>

The resource binder for political staff may be helpful for him as well.

Please let Jack know when to arrive on Thursday morning and arrange for security to welcome him.

I will send a confirmation of employment letter for Karen to sign shortly.

Finally, please call me with any questions.

Thank you,
Maura

Sue,

My apologies for the suggestion yesterday on possibly converting single lines to UC to facilitate Skype calling. After further exploration and getting a better understanding of the context it would be best to wait until all of the Ministers' Offices are able to transition to UC in the same time frame. We have just begun discussions to pick the time frame that best suits. Potentially the beginning of December. December is not yet confirmed but seems to offer the best circumstances for the least disruption to daily activities and demands. Again my apologies for the premature suggestion.

Juliana

Hello Sue

David is correct and the site is a good reference. You might want to look specifically at the "Learning to Use UC" link for more information specific to Skype.

[Connect - Learning to use UC](#). If you scroll down on this page there are a couple of topics specific to Skype.

This could be set up through iStore orders on individual lines, prior to everyone transitioning to UC. I have cc'd Jason Smith on this as he will be taking over UC for me while I am away from Feb 15-April 15.

Let me or Jason know if you have more questions.

Is there online access to Skype with government access already set up and if so, how would it be accessed? The link looks like a training site.

Sorry for the delay on this Sue.

Yes, SKYPE/LYNC is available for use and approved.
Here is some online documentation for LYNC.

<https://connect.gov.bc.ca/SitePages/Learning%20to%20use%20UC.aspx>

There is a project and service coming to replace your desk phones with new phone system using SKYPE etc. Called Unified Communications (UC) so you will see references to that.
The new system is probably coming for Summer..

Subject: Budget Day MLA Invites (Not Throne Speech)

Good afternoon,

Government MLAs/Ministers have been allotted one (1) seat each for guests to sit in the House on Budget Day, Tuesday, February 20, 2018. Additional tickets will be given to the Opposition Leader's office, the Third Party Leader's office, and the Government Caucus to distribute as they see fit.

Please provide the name of the guest your Minister/Member has confirmed will be attending to the Office of the Minister of Finance. Seats are assigned by name and "no shows" or placeholder names generate a real challenge on Budget Day. All guests that will be seated on the floor in the House must wear business attire.

Please submit the name of your guest no later than Wednesday, February 7, 2018 to Heidi.Reid@gov.bc.ca.

Assigned tickets will be available for pick up by the guest beginning at 11AM on Budget Day in the s.15. For security reasons the building will be on lockdown. Guests should enter through the front main doors of the Buildings.

Guests must pick up tickets by 1:00PM at the latest and be seated before Question Period, which starts at 1:30PM. Late arrivals cannot be guaranteed seats.

Budget packages will be available in the s.15 after the Budget speech is delivered until 4pm.

Also, there will be a reception immediately following adjournment of the House in the Lower Rotunda on the main floor of the Buildings that everyone is welcome to attend.

Requests for extra tickets: If your additional ticket request cannot be accommodated by your caucus leadership, you can request to be on a waiting list at the Minister of Finance's office.

Additional tickets cannot be promised until all the RSVPs are in and we have a sense of final numbers.

Please let us know if a guest has special needs that should be noted so that seating arrangements can be made accordingly.

Thank you,

Heidi

Hello Sue!

The Premier will be meeting with National President, David Black and 2 other members of COPE SEPB.

This group has provided a list of topics for discussion and we are requesting a BN from your ministry regarding these items.

s.13

We appreciate that this list of topics is quite broad and general but we are hoping your ministry can update us on these items based on what positions their memberships hold in these organizations and what, if any, are the current negotiations or issues of concern that the ministry may be aware of at this time.

Thank you for your assistance with this request and we look forward to hearing from you by February 2.

Cheers,
Chris

Can you please advise if MHB has been invited to this event on March 10 in Vancouver?

If so, will he be attending? If not, please let me know.

We have sent regrets for the Premier. We are providing written greetings but they are also asking for a video message to be played at the awards.

Is this group a major stakeholder to your ministry?

If so, would your minister be willing to do a video message to the awards event?

Thanks for advising me at your earliest convenience.

Hello,

On behalf of CEO Neil Moody, please find attached an invitation to the 26th Annual Georgie Awards Gala. The Georgie Awards recognize outstanding projects across the province for both new homes and renovations. We would be honoured to have Premier Horgan attend this special event.

I am also reaching out to see if it would be possible to receive a written message from the Premier that we can include in the program, which will be distributed to all 600 guests in attendance. Ideally we would need to have this by mid-January to fit our print and delivery schedule. If this is possible or if you require additional details, please let me know. We would sincerely appreciate it.

Thank you for your consideration of these important requests.

Good afternoon,

Government MLAs/Ministers have been allotted one (1) seat each for guests to sit in the House on Budget Day, Tuesday, February 20, 2018. Additional tickets will be given to the Opposition Leader's office, the Third Party Leader's office, and the Government Caucus to distribute as they see fit.

Please provide the name of the guest your Minister/Member has confirmed will be attending to the Office of the Minister of Finance. Seats are assigned by name and "no shows" or placeholder names generate a real challenge on Budget Day. All guests that will be seated on the floor in the House must wear business attire.

Please submit the name of your guest no later than Wednesday, February 7, 2018 to Heidi.Reid@gov.bc.ca.

Assigned tickets will be available for pick up by the guest beginning at 11 AM on Budget Day in the s.15 For security reasons the building will be on lockdown. Guests should enter through the front main doors of the Buildings.

Guests must pick up tickets by 1:00PM at the latest and be seated before Question Period, which starts at 1:30PM. Late arrivals cannot be guaranteed seats.

Budget packages will be available in the s.15 after the Budget speech is delivered until 4pm.

Also, there will be a reception immediately following adjournment of the House in the Lower Rotunda on the main floor of the Buildings that everyone is welcome to attend.

Requests for extra tickets: If your additional ticket request cannot be accommodated by your caucus leadership, you can request to be on a waiting list at the Minister of Finance's office. Additional tickets cannot be promised until all the RSVPs are in and we have a sense of final numbers.

Please let us know if a guest has special needs that should be noted so that seating arrangements can be made accordingly.

Thank you,

Heidi

Hello Sue!
The Premier will be meeting with National President, David Black and 2 other members of COPE SEPB.

This group has provided a list of topics for discussion and we are requesting a BN from your ministry regarding these items.

s.13

We appreciate that this list of topics is quite broad and general but we are hoping your ministry can update us on these items based on what positions their memberships hold in these organizations and what, if any, are the current negotiations or issues of concern that the ministry may be aware of at this time.

Thank you for your assistance with this request and we look forward to hearing from you by February 2.

Cheers,

Subject: Budget Day MLA Invites (Not Throne Speech)

Good afternoon,

Government MLAs/Ministers have been allotted one (1) seat each for guests to sit in the House on Budget Day, Tuesday, February 20, 2018. Additional tickets will be given to the Opposition Leader's office, the Third Party Leader's office, and the Government Caucus to distribute as they see fit.

Please provide the name of the guest your Minister/Member has confirmed will be attending to the Office of the Minister of Finance. Seats are assigned by name and "no shows" or placeholder names generate a real challenge on Budget Day. All guests that will be seated on the floor in the House must wear business attire.

Please submit the name of your guest no later than Wednesday, February 7, 2018 to Heidi.Reid@gov.bc.ca.

Assigned tickets will be available for pick up by the guest beginning at 11 AM on Budget Day in the s.15 . For security reasons the building will be on lockdown. Guests should enter through the front main doors of the Buildings.

Guests must pick up tickets by 1:00PM at the latest and be seated before Question Period, which starts at 1:30PM. Late arrivals cannot be guaranteed seats.

Budget packages will be available in the s.15 after the Budget speech is delivered until 4pm.

Also, there will be a reception immediately following adjournment of the House in the Lower Rotunda on the main floor of the Buildings that everyone is welcome to attend.

Requests for extra tickets: If your additional ticket request cannot be accommodated by your caucus leadership, you can request to be on a waiting list at the Minister of Finance's office. Additional tickets cannot be promised until all the RSVPs are in and we have a sense of final numbers.

Please let us know if a guest has special needs that should be noted so that seating arrangements can be made accordingly.

Thank you,

Heidi

This pdf proof shows colours quite well, however, it is not intended to convey exact colours.
If precise colour matching is critical, please talk to your sales rep to discuss options.

If changes are required, you can indicate them by return email, or contact your sales rep.

If the proof is approved, please reply to this email, and indicate "OK to print" or words to that effect.

Hi Sue,

We do not pay the corporate travel card directly these charges have to be reimbursed to Emily and then Emily pays for them because it is a travel card not a PCARD. The process is different.

She needs to sign the bottom saying she is receiving the reimbursement and the coding needs to be completed as well and the expense authority needs to sign. Nov 23, 2017 is over your \$1,000 per transactions. One of the MA's will have sign it.

Hi

I have the hotel booked in Kamloops – s.15

Apparently the AC website has flights that either weren't available, cancelled or sold out in reality. The AC agent couldn't offer the same flights as I had wanted – in particular the return. The option that works (Karen ok'd) is a 4:50 departure from Kamloops back to Van/Vic/Nan.

I'll let you know what else I get done tomorrow.

Hi Sue, I set up Susan Johnstone's phone where she had non ringing visuals so all she would hear is a beep if another line rang. We can certainly change them to ringing visuals and then Jack can hear the lines ring.

If you can submit a telephony service request form and list the phone lines that you want changed to ringing visuals, I will take care of submitting the order. I have attached a copy of the correct form to use and have highlighted where you need to type in the information. Please let me know if you have any questions. Thank you.

Hi

I made a change to this travel voucher as I included the meals on the Harrison trip that were provided. I've updated the travel claim and it's ready for you to approve and send to Karen.

Sorry for the error.

Hi folks,

I just wanted to let everyone know that we will be debating the Thrown Speech on **February 14th from 2:30-7pm, February 15th 11-12pm and 1:30-6:00pm and Feb 19th from 2:30-6:30pm**. If you are keen to speak to the Throne speech for 20-30mins please let me and I will slot you in.

After that we will be speaking to the Budget starting on **Wednesday, February 21 until Thursday, March 1 (morning) – concludes with Budget Vote**. If you are interested in speaking to the budget let me know and I will slot you in at some point during those days.

Speaking points for both the Throne/Budget will come out once they have taken place. If I don't hear back from enough people I will have to start signing people up.

Please get back to me if you are interested or if you have any questions.

Cheers,

Hi

Emily signed as received and Karen Cooling, MA approved these expenses.

I have a question that I'm directing to Sheila Cleaver – the interest charge. I'm hopefully that Emily can be reimbursed for the entire claims. S.13

Hi

Minister Ralston would like the TFW meeting moved to accommodate his schedule better and has asked if it can be move to 1pm. I don't know if the lawyers can change their schedule either.

Can the meeting Shunt/Mike Alton re: WSBC on Feb 16 in Burnaby at 2pm be moved later in the day? Do you have any details on this meeting as I could call and move it by an hour or so.

Minister Ralston would like the TFW meeting moved to accommodate his schedule better and has asked if it can be move to 1pm. I don't know if the lawyers can change their schedule either.

I could try and move the TFW meeting later by ½ hour or so which could help Minister Ralston and maybe ok for the lawyers and still be enough driving time.

Or we could leave it alone and Minister Ralston could be briefed later. His MA is attending.
