Restaurants Canada, Mark Van Schellwitz

HNB

Important to hear what you say  
Labour issues are their concern  
Explained FWC

HNB

Jeff

Stability & predictability is the message from them.

### 4th TFW Registry

UHB

- complaints come to us (Ministry)
- pathway to immigration
- help us plan Labour Market

Mark

- geographic & demographic challenges
- program is a Band-aid, not a solution

Val

- ~~reso~~ resonates with us. crisp intel

s.16

s.16

James

- agrees there is a few bad apples -

s.13

Summer has been really challenging to hire/find staff.

Jeff

Val

- rural/urban divide

- shd. be taking advantage of <sup>high</sup> ~~low~~ US \$ for tourism & we can't due to labour shortage

### ESA

BCI report is partly funded by Coalition

UHB

- <sup>after</sup> 30 years, report is taking some time. Self help kit is a concern that we are hearing about.

## WorkSafe BC

Are there any changes coming? It is a cost to employers.

HHB

Sawmills & Haulth Cove are areas that need improvement.

Treatment of injured workers

James

s.13

Asbestos - cross-ministry working group.

Neil

illegal dumping of asbestos on VI

### LRC

HHB

- confidence, fairness & balance
- interim chair - merit based process to replace
- mediation, organizing, first CA.

~~Sept 6~~  
Sept 6  
L.L.

Sept 7

ESA

- leave provisions - compassionate  
care & domestic violence.

ent  
~~Sept 6~~  
Sept 6

Asbestos - Weehofing Bill Tielman  
MHB, KC, DM

LL.

Would like to see govt have a  
licensing scheme for asbestos.

t

UBCM resolution last year  
was passed.

too

No more studies are needed.

y

How can they have input in  
the cross-govt. committee?  
- public consultation  
process

I

Sept 1

BC Fed officers

CA.

Presented work plan &  
recent studies.

ESA needs review. out dated  
& under resourced

Contract Flipping

Organizing Concerns

WorkSafeBC surplus

Sept 7

New Relationship Trust

10 yrs of success

looking for partnerships with  
prov govt.

First Citizens Fund

Funding for business ventures  
& scholarships

Remove barriers re: drivers  
licences

Sept 12

  - Combustible dust
  - would like to meet annually
  - Roger Harris 2017 Report
    - emergency evacuation
- 

Sept 18

MIDMAR/PCU

W. Zimmerman

J. Gravelle

MHB, DM, KC, KC

1:5 ROI - HEABC

Ontario has an entire RTW division

115,000 in BC disabled - 40% below poverty line

2020 Malaysia Strategy

WC Act shd require a joint RTW  
committee

Sept 19

## First Responders

- Operational Stress Injuries cause PTSD after multiple exposures
  - would like help after incident rather than after a PTSD diagnosis
  - access to psychological help difficult on Vancouver Island
  - Prevention
  - Early intervention
  - Getting more professionals on the WorkSafe BC list?
- 

Sept 19

## 4 Craft Unions

- 3 are part of Building Trades UA is not here today

there to talk about pipelines, we build energy projects  
LNG Canada for Kitimat  
PLAS  
Labour Code

Sept 26

## Safety Before Profits. ca

Employer liaison service (provincial)  
to ensure the work can't be filled  
locally. Will make a proposal  
to the BC Govt. within the next  
month.

Working to sign agreements with FN.

Underground economy in the lower  
mainland is a problem.

Kulinet project looks positive.  
their contractors will be bidding.  
Coastal Gas Link.

Sept 26 FPSE

Sector specific issues

2002 Bill 28 Public Education Flexibility  
& Choice Act.

- class sizes (out of collective bargaining)

2011 Bill 18 preventing union activists  
from serving on college & university  
boards.

ITA - end skills for jobs blueprint.

Sept 26

Feed Officers meeting @ LRB office

- Presented their "workers agenda" materials that had been given to previous govt.

WCB

Employers that injure workers must be held accountable

Care cases are the most injured workers

WAO - not as helpful as it used to be. Need a culture change as much as more resources.

Review of Act & Regulations needed.

Labour Code

Certification votes - need more resources.

Stiffer penalties for employer interference

Essential services definition

Cannot withdraw from minimum standards → currently no penalties

Bill 29 removed in its entirety.

Successorship solution to avoid/  
prevent contract flipping

change the "test" of what is a  
legitimate union.

PLAs on all public contracts

ESA

minimum wage to \$15

eliminate server wage

self help kit gone

increased staff

worst child labour laws in Canada

wage recovery period increased

notice of shifts improved

issues for domestic workers

farmworkers

tech workers

tips & gratuities

paid leave for domestic violence

paid sick leave

Sept 27

1400h Brin C, Wayne H, Josht  
Lanyon, Kelleher report

Lack of enforcement by LRB  
raising  
CLAC spin offs

Bargaining Council Section 41  
- unions must participate  
but employers can come &  
go (double breasting)

PLAs for road building  
" " schools/hospitals  
" " bridges / industrial  
construction

Sept 28

WorkSafe Chair, CEO & CFO

- Presented a Minister's briefing  
note re: rates & potential  
new or expanded projects

Strategic plan will be  
released soon.

Sept 28

Oct 2

Oct 3

1, Josht

Sept 28

BCTF

LRB

- Section 12.1 Labour Code
- Child Labour laws
- precarious work
- Supply of teachers, esp for special needs students
