Hey Karen,

Yesterday Minister signed the 2 attached OICpackages yesterday, and I forgot to flag the Regulatory Impact Checklist Exemption form.... My sincerest apologies.

Since he approved these yesterday but I missed a signature line is there any way you would be able to attach his electronic signature to the attached?

Again my apologies.

Subject: 693141 ACCEPTED: Request for a Meeting (Council of Construction Associations)

Good afternoon ladies

Just a heads up that we are going to confirm a meeting with Dr. Baspaly and the Premier would like to have Minister Bains attend as well.

We are hoping to schedule this meeting in the Premier's Victoria office before December 20, 2017 or early February 2018. Can you please let me know some dates and times that would work in Minister Bains' calendar for that timeframe?

Appreciate this!

Thank you,

Subject: Request for a Meeting (Council of Construction Associations)

The Honourable John A. Horgan, MLA for Langford-Juan de Fuca, Premier of the Province of British Columbia

Dear sir:

We met briefly at the Thrown Speech in the legislature grand hall..

I am writing on behalf of the Council of Construction Associations (COCA), which represents 20 construction associations (www.cocabc.ca). Our members are from all parts of British Columbia, from every sub-sector and from every size of company with both unionized and non-unionized workers.

COCA represents the interests of the construction Industry in its dealings with the WorkSafeBC. By presenting a unified voice, COCA is able to actively promote issues that are important to the industry as a whole. The primary role of COCA is focused in three main areas:

1. Developing consensus on construction policy positions;

2. Addressing legislative, regulatory, policy and practice issues within the workers' compensation system in BC, and Assisting individual employers, contractors and associations with their WorkSafeBC concerns; and
3. Acting as a valuable channel between the construction industry and WorkSafeBC, ensuring that the needs of the industry are addressed effectively.

First, congratulations on your election. Your record of achievement precedes you. On behalf of our membership and the BC Construction Sector we look forward to working with you and your team.

At this early stage, we thought it prudent to set up an introductory meeting to properly introduce ourselves and formally open the communication channel in your new capacity.

Please let us know if a face to face meeting is possible in the near term.

Warm regards,

Dave

Dr. (Dave) Baspaly, CMC, DBA, MA, BA
