Hi Sue. I believe the only difference between the 5 and 10 of each model is the amount of power they give out. So it would depend how many devices you want to charge and how quickly.  
Here is how the Lifebar website explains the Antlifebar10

Connect to this 10,000 mAh portable battery charger, and give your devices the power they need. Featuring Smart IC, our exclusive intelligent charging circuit design will automatically identify and match the fastest charging speed for your device (max 2A) for a quicker, more efficient charge. The 1A and 2A USB ports rapidly charge two devices simultaneously, providing smartphones, tablets, mp3 players, cameras, or other USB gadgets with enough power to keep going throughout your busy day. The built-in LED flash light and durable aluminum housing make LifeBar 10 an essential accessory that keeps you going while you're on the go.

The other two models are a leather bound type. Which brand you would go with would be your choice. Otherwise they are basically the same.

If you want to order them let me know. I will need to order them for you.

Hi

I'd like to order two portable battery chargers. Your website has ANTLIFEBAR5 and ANTLIFEBAR10 as "Out of stock". I don't know the difference in the two items except for the price. The other two items are ERD5010MT0 and ERD5011BLACK5 – again out of stock and other than a case, I'm not sure of the difference. Which one would work and which one would be available more quickly

Thanks for your help.

Good afternoon Sue

We would like to thank Minister Bains for meeting with us on February 1 and for listening to our concerns about the impacts of CETA on Dredging companies and our employees in BC and across Canada. We are following up on the Minister's offer to correspond with his federal counterpart and are very appreciative of the offer.

Enclosed is a draft letter for your consideration and modification – we have tried to lay out all of the information so that it is clear and consistent with our message and our ask in Ottawa. Of course the Minister's view may be different and he will likely have greater insights than us.

If there are any questions or additional information needed please contact me. We have also included the one-pager that we provided at our meeting.

Warm Regards  
Sarah

**Subject:** BC Chambers meetings - Thursday, February 22nd (confirming a room)

Dear Ms. Spilker, Ms. Duncan, Ms. Neilson, Ms. Silverio, Ms. Campbell and Ms. Hansen:

I am writing all six of you at once because the BC Chamber has scheduled meetings with all of your ministers/ministries next Thursday, February 22<sup>nd</sup>.

Given our party has approximately 10 confirmed attendees (final names and chambers will be shared tomorrow) I am wondering if you can assist us in scheduling a single room to have all our meetings in? Of course, we are happy to move around, but it might make sense to meet all the Ministers in one room throughout the day.

Here is our schedule:

8:30a – 9:30a Minister Ralston (contact: Kate Duncan)

11:15a – noon Minister Bains (contact: Sue Campbell)

3p – 3:34p Minister James (contact: Robyn Spilker)

4p-4:30 Minister Heyman (contact: Kirsten Neilsen)

4:30p – 5:30p Minister Donaldson (contact: Lisa Silverio)

As a note, Ms. Hansen and I are still working to confirm a time with Minister Mungall's office

Thank you in advance for your support!

Best, Val

We had to move the meeting with the Construction Association to Tuesday, March 13 from 4:30 – 5 pm.

I am really hoping that will work for MHB. If not, we will look for a new date that works and perhaps you can forward me a few dates and times in that week that might work.

Thanks for letting me know if this works as soon as you are able.

Hi

I'm afraid that time doesn't work as the Minister has a committee meeting until 3:30 that day. On March 6, we could find a ½ hour as he is free between 11-1pm or 3:30-5pm.

Please let me know if any of these times work. I'll also request the briefing note.

Hi Sue,

I am following up on a meeting that Bev was trying to set up for the Premier with the Council of Construction Association and MHB in December.

We are looking at a new date of Tuesday, March 6 at 2 – 2:30 pm in the Premier's office. Please let me know if your minister has any conflicts with this date.

We will also require a BN backgrounder on this organization and any current issues or concerns that the Premier should be aware of prior to meeting with them.

We will need this BN by February 7.

Thanks so much for your assistance with this request and please confirm your minister's attendance as soon as you are able.

Cheers,

Chris

Good afternoon ladies

Just a heads up that we are going to confirm a meeting with Dr. Baspaly and the Premier would like to have Minister Bains attend as well.

We are hoping to schedule this meeting in the Premier's Victoria office before December 20, 2017 or early February 2018. Can you please let me know some dates and times that would work in Minister Bains' calendar for that timeframe?

Appreciate this!

**Subject:** Request for a Meeting (Council of Construction Associations)

The Honourable John A. Horgan, MLA for Langford-Juan de Fuca, Premier of the Province of British Columbia

Dear sir:

We met briefly at the Thrown Speech in the legislature grand hall..

I am writing on behalf of the Council of Construction Associations (COCA), which represents 20 construction associations ([www.cocabc.ca](http://www.cocabc.ca)). Our members are from all parts of British Columbia, from every sub-sector and from every size of company with both unionized and non-unionized workers.

COCA represents the interests of the construction Industry in its dealings with the WorkSafeBC. By presenting a unified voice, COCA is able to actively promote issues that are important to the industry as a whole. The primary role of COCA is focused in three main areas:

1. Developing consensus on construction policy positions;
2. Addressing legislative, regulatory, policy and practice issues within the workers' compensation system in BC, and Assisting individual employers, contractors and associations with their WorkSafeBC concerns; and
3. Acting as a valuable channel between the construction industry and WorkSafeBC, ensuring that the needs of the industry are addressed effectively.

First, congratulations on your election. Your record of achievement precedes you. On behalf of our membership and the BC Construction Sector we look forward to working with you and your team.

At this early stage, we thought it prudent to set up an introductory meeting to properly introduce ourselves and formally open the communication channel in your new capacity.

Please let us know if a face to face meeting is possible in the near term.

Warm regards,

Dave
