The bullets attached are from the Ministry of Transportation and Infrastructure which is leading the initiative and taking an update to P&A Committee in the next week or 2. Please let me know if you have any questions or need anything further to support you tomorrow.

Thanks.

**Subject:** BC Building Trades Speech - Community Benefits Agreement

Hi everyone –

As MHB will be speaking on Tuesday to the BCBT we asked the Ministry of Transportation if they had any messaging regarding the Community Benefits Agreements, as we know this is something BCBT is interested in. The messaging has been a while in getting here, but arrived last night.

I have put it into a key message sheet that is attached. If you could please make sure the Minister has this as a part of his package we would be grateful.

Many thanks - SG
