Hey Arthi,

When you have a chance would you be able to delete the logs 55811 & 55812. They should be logged under batch 55102 (which I have done)

Mr. Gains,
I would like to arrange a meeting with you sir regarding a contractor labour dispute for which I was wrongly terminated. I contacted the office of Prime Minister Trudeau and they referred me to you.
I live in Victoria and can attend a scheduled meeting at your convenience.
I have no one else to turn to Sir and sincerely hope you can help me in my hour of need.
Thank you for your time sir

So basically everything that goes to CB or from CB goes through you?

Slight change in process. As it's more complicated for CB to figure out what correspondence should be going to who, process is as follows.

CB-Jack-Mike or Emily-Jack-CB

Let me know if there's any issues or questions with this.

Jack

Can you confirm with Arthi, that for all casework correspondence Emily will be the final sign off. She was under the impression that only you(Mike) had the final sign off.
