They did not send a consent. Do you want me to ask for one as I will let them know you are looking into this and I can ask at the same time?

Thanks

Hi Matt,

Can you please look into this concern below to see why there has been such a large increase in the operating permit through Technical Safety BC?

Hi Emily,

MLA Tegart office was contacted by constituent and Merritt s.22
s.22

The business has struggled for many years due to the slow local economy. s.22 would like to request a detailed account for the Fee Schedule increases determined by the BC Safety Authority that have significantly affected her businesses operating permit renewals and inspections.

There has been a \$439.00 increase for Operating Permits between 1999 to 2019.

s.22

Could you please advise our office how we might further help our constituents to get the information they are searching for?

Sincerely,

Lynda Murray

Hi Amy,
Thank you for your email regarding Minister Mark's constituent. If s.22 is represented by a union they are his sole bargaining agent and would know what s.22 is entitled to and they should also be able to give him advise on this situation. If the union cannot give this advise please let me know and I can see if there is any other recourse. Thank so much.

Sincerely,

I have a constituent hoping to get some clarity what the rules are around employees being offered accommodations for documented disabilities, particularly when returning from disability leave. For context, here is the specifics of the situation:

Hi Jack

This letter needs to be Cliffed. This fellow dropped off this letter to MHB community office.

I spoke with WSBC and he can either write to his case manager and have this information added to his file or he can write to the Review Division and ask for a decision as to why this is not included in his file. This letter can come from the DMO.

Thank you!

Sincerely,

Hi Rachel,
Nice speaking with you today. I spoke with David Fraser at WorksafeBC regarding s.22 David will look into this file and give you a call. What he did say though is that s.22 employer has appealed the Review Division Decision. This puts a hold on everything until that appeal is heard.
Hope this helps. If you need anything more please let me know.

Hi Jenelyn,
I am copying you with the responses I sent to Jack back in February. The response for s.22 is in that document. I know Jack is sending the info to coms but doesn't want to send a whole pile at once. Has s.22 responded again or is this in regards to her February 18th correspondence?

Please let me know if you need anything more than this.
Thank you!
