Totally understandable, specifically they are looking for an explanation on Sec 35 of the bills, the describes how it approves protection for workers in non clinical services, like care aids. I think Jas, the Senior MA will just reach out to her team so we don't have to worry about sending anything other. No further action required, please ignore this request 😊

Thanks all for the quick responses!

Samantha:

The latest Ministerial contact list I have lists you as the EA in the Attorney General's office. Global contacts tells me you are now the MA in Labour. Could you please forward my email to the new EA at the AG's office? Thank you.

A constituent has contacted Ralph Sultan's constituency office with some very specific questions about the Auditor General August 2017 audit of the Contract for the Family Maintenance Enforcement Program.

https://www.bcauditor.com/sites/default/files/publications/reports/FINAL_FMEP_Contract.pdf

He refers to the Summary on page 6 and asks if we can find the answer to the following:

1. What is the company that received the first contract in 1988?
2. Who is the government employee?
3. Is the contract available to be reviewed by the public?

I spoke to a person at FMEP today and it is my understanding FMEP will soon be moving to a Crown Corporation structure. However, the constituent would still like answers to his questions.

Hello Samantha,

I am hoping you can help me with a request from one of MLA Stilwell's constituents. This person is concerned with legislation that determines both custody for children and spousal/child support. This sounds to be like it might cross over into the federal side of things. I'm checking to see if it would be appropriate for this couple's concerns and wish for legislative changes to be sent to the Attorney General as well.

Hi Samantha,
The attached incoming (55860) from ^{s.22} to Minister Bains was received last August. ^{s.22} is advising that he did not receive a response from DM Trevor Hughes to his email of July 9/18. He also enquires about his FOI request. The log was actioned as "Draft Minister's Response."

Also attached is a PDF of the eApprovals history. ^{s.13}

^{s.13} I believe

Karen, Sam- attached is social media content for the Minister to highlight achievements this session. For Twitter- we've provided two suggestions ... either doing one Tweet or doing a three-part tweet that you see people do sometimes. Reporters, I've seen, use this format lots.

The infographics should be able to be reused simply by copying and pasting.

Dear s.22

I am responding to your email of May 17, 2019, addressed to Premier John Horgan, the Honourable Katrine Conroy, MLA for Kootenay West, and me, in which you outline your concerns regarding allegations surrounding the former Clerk of the Legislative Assembly.

While I appreciate receiving your concerns, I would like to clarify that as Attorney General I do not direct the police in any ongoing investigations and generally do not become involved in individual prosecutions. The BC Prosecution Service (BCPS) is responsible for the conduct and supervision of criminal prosecutions and appeals in British Columbia.

The matter you raise is currently being investigated by the RCMP. On October 1, 2018, two Special Prosecutors were appointed to provide legal assistance and advice to the RCMP in the matter. You can learn more from the media statement (<https://www2.gov.bc.ca/assets/gov/law-crime-and-justice/criminal-justice/prosecution-service/media-statements/2018/18-23-bcps-appoints-2-sp-re-bc-leg-staff.pdf>) that was released by the BCPS on November 28, 2018. As the police investigation is ongoing, the BCPS is unable to share further information at this time.

More on the role of Special Prosecutors is available at the following link:

https://www2.gov.bc.ca/assets/gov/law-crime-and-justice/criminal-justice/prosecution-service/information-sheets/infosheet_role-specialprosecutors.pdf

I hope you find this information useful. Thank you for taking the time to write with your concerns.

Yours truly,

Good morning Thuy & Samantha,

We have a constituent who lost all of her ID in a house fire. She needs to get a replacement driver's license and a care card. However, she claims that she is unable to get either because all she has is a birth certificate and that both ICBC and BC Medical are saying that she needs another piece of ID in order to obtain a license and a care card. Is this accurate?

Thanks,

Hi Samantha,
Regarding the string of emails below, staff are asking if the action for the attached letter can be changed to info/file as the case is resolved. Jennifer Webb, senior policy analyst, has advised:

s.14;s.22

Please advise if action can be changed to info/file or if you would like a draft Deputy response (this is how the log is currently actioned).

Thanks.
Lisa

Hey Will,

We still need to do third reading on Bill 30. Is it possible to do that tomorrow?

Thanks,

Sam
