Hi Mar.

I won't be able to step out of Cabinet if my matters are being discussed. I could have an early call with Lori tomorrow or we could talk at the end of the day today.

Hi Richard,

You are attending cabinet tomorrow from 10:00 am to 1:00 pm.

I inadvertently scheduled a call with Lori Hall at noon for 45 minutes.

Her assistant said it was necessary before Thursday and I had difficulty finding time in your calendar. (I also had a moment of confusion about your attendance at Cabinet).

Is this something that you can step out and take and let Neil and Renee support the Minister?

Please excuse my inexperience with what your attendance at Cabinet looks like.....many thanks.....Mar

Hi Richard,

Below is some information regarding the ICBC meeting. Some of it is in regards to travel on the SeaBus.

From your calendar, I see that you are catching a taxi from the Harbour Air terminal instead of the SeaBus.

I will advise ICBC office that you are doing so. I have highlighted the other information regarding Visitor check in and will also put this email on your SharePoint for quick reference.....Mar

Subject: Friday August 4th meeting at ICBC

Hello

Just wanted to give you a little info for when the following people arrive at ICBC Head Office in North Vancouver for the 8:30 AM meeting this Friday:

Min David Eby
Richard Fyfe
Shauna Brouwer
Stephen Howard
Megan Howard

To try and have the meeting start on time, and assuming the majority of folks are flying over on Friday morning, if everyone can be on the 8 AM seabus heading to North Vancouver they'll be walking into our offices just after 8:15.

FYI – for those not familiar already, once people exit the seabus terminal on the North Vancouver side they'll see an escalator ahead, slightly to the right.

Up the escalator and a few stairs after that and they've arrived at the South entrance.

Please note they need to sign in at the Security desk – they will be issued with a Visitor badge and I'll be down to pick them up. Should be arriving at the meeting room by 8:25.

If anyone is not traveling via seabus please let me know.

As this email might not reach contacts for all visitors listed please feel free to forward this on if necessary.

Many thanks
