Hui Tanera and Wolfgang,

This meeting request was sent directly by Mike Bailey to George Smith – George forwarded it to Shauna Brouwer – it got to Kim King in our Correspondence Branch and she sent it our office for logging.

The cliff # is 546223.

I am giving Wolfgang the meeting request – printed off with a green sheet I have filled out - Wolfgang will likely give to you on Monday.

Hello:

Will this request be entered into CLIFF by MDE's office as it was sent to George Smith directly or is this something that Shauna Brouwer's office should log?

Thank you.

Doug FYI

Holly can you connect with ICBC and see what or if the new model will impact. I believe it will.

A BN may be needed for the meeting if one is set up.

Barb please cliff as a response will be needed either way.

Thx

Shauna

Hi Shauna and George,

Further to our earlier meeting in which you and Minister Eby met with Mr. Mike Tierney and me, attached is a one page summary of how three other provinces deal with Priority of Coverage and Vicarious Liability Limitations specifically with reference to the rental car industry.

As we discussed, these issues are the most serious threat to the viability of the industry.

Having said that, I would like to respectfully request that a meeting be arranged so that you may meet with Mr. Tierney and me in order to discuss this more thoroughly. As you can appreciate, there is more detail that could be helpful to you.

With that in mind, I would appreciate it if one of you could provide me with a time and date that would be convenient to get together.

Should you have any questions, please feel free to give me a call anytime at 604-684-2228.

Mike and I look forward to seeing you again.

All the best.

Your sincerely,

Mike Bailey
