Hello Tanera!

I hope the summer is treating you well!

Just checking to see if there is any Ministry meetings scheduled for Tuesday or Friday of this week. We have blocks of time tomorrow where we could fit things in if you need. As for Friday we are pretty busy all day until 3pm and then I believe he is available for the rest of the day.

Hi Gala,

Thanks for the talk this morning. Please find attached the letter and proposal that was sent to the Attorney General and Legal Services Society regarding legal aid for independent legal advice for individuals when they are detained under the *Mental Health Act*.

As Sam Godfrey and I had discussed, independent legal advice for detainees would be a fast, straightforward, and non-controversial legislative change which other provinces already have in their Acts that ensures that the legal aid will be protected by legislation into the future.

I have discussed this with staff at the Ministry of Mental Health and Addictions, but with it being a legal aid issue, I think it would be productive to have a meeting with staff at the Attorney General along with any other relevant people to discuss implementing this change.

Please feel free to let me know if you have any questions,

Ms. Tanera Nanninga,

Thank you for the response. The proposed dates for an in-person meeting are conflicting with pre-existing travel plans. I am flying to Toronto via Vancouver on 18 July 2018. I arrive in Vancouver at 7AM and connect onto a 9AM flight to Toronto. Accordingly, I will be in the air between 10AM-10:30AM that day. I will be in Toronto until 5 August 2018 and I will be returning to Fort St. John via Vancouver later that day.

If the Attorney General desires an in-person meeting, we can try to make an arrangement for some time later in August 2018. I am intending to plan another trip to Vancouver some time later in August. Please advise so that we can coordinate or, if time is of the essence, make some other arrangement.

Hello Everyone,

You're receiving this email because your office informed the Refresh Team of a flexible availability or that this week would work best for our tech team to conduct inventory.

Thank you for the time you've taken to help organize the Workstation and Phone Line inventory with us. We have taken your offices' availability into consideration during these two deployment days.

Below are the details:

The team will be onsite starting at: 9:00am July 17th and 18th.

There will be multiple teams that will be comprised of 2 of the following techs:

- Jay Prost
- Mindy Corser
- Liz Cox
- Jesse Connors
- Tim Wynans
- Randy Seitz
- Eric Seiferling

Randy is familiar with the location.

Please make sure there are as many workstations (and peripheral devices) on-site on the day as possible. Other than this, there are no requirements from your staff prior to conducting the inventory.

If you have any questions please contact me.

Thank you,

Hello,

The PREM Integrated UC/Workstation Refresh project is in the process of refreshing your workstations and replacing your phone lines with UC. In order to accomplish this we will need to be on site to conduct an inventory.

Below is what you can expect from our on-site visit, with some communication back and forth for clarification throughout the process.

We will need:

- A window of time to conduct the inventory (preferably over the span of a week)
- As many workstations on site as possible
- Help from our contact to identify active phone lines, people and positions

NOTE: We will not need staff to be at their desk while we conduct the inventory

The inventory will take an average of 30 minutes per office and consist of a team on site verifying the following:

- PCs (W#)
- Printers (both network and personal)
- Peripheral devices (model types)
- Monitors (size and model)
- Active phone lines
- People and positions associated with the active phone lines

Please let me know if you have any questions.

Thank you,

Hi Tanera,

I just noticed that the AG's private phone number was put on the distribution list for AG and SG officials/employees ... we have never done that before (that I can recall anyway) ... we usually keep the AG's direct office number private.

I spoke to George and he agreed with me, and I asked Robert if he could take the number off – but to call me first – before he does that ...

Just wanted you to be aware.

Hi Robert,

Thank you very much for maintain this excellent list.

We would like you to please remove the Attorney General's phone s.17 – and replace it with the mainline for our office, which is 250-387-1866.

I have talked to my Senior MA George Smith, about this and he has agreed.

Many thanks for looking after this for us,

Best,

Candice

PS – Can we talk on the phone before you edit out the phone number? I can be reached at 387-1866 next week.

Subject: July 9 updates to the Justice and Public Safety Sector Executive and Administrative Assistants Contact List

Hello Samantha, Tanera, Wolfgang, Candice, Talea, Sara, Charlotte, Jonathon, Connie, Maya, Camas, Kim, Barb, Rebecca, Nikki, Ang, Jess and Agnes:

Attached is an updated sector Executive and their Administrative Assistants contact list dated July 9. With Unified Communications (UC) being rolled out I am gradually learning of the new phone numbers being assigned. The new list reflects the following changes:

1. John Mazure, ADM of Gaming Policy and Enforcement Branch, has left government. Kim Bruce is the Acting ADM. Kim also has a new UC desk number;
2. Maureen Vear, EAA in Gaming Policy and Enforcement Branch, has a new UC desk number;
3. The Liquor Control and Licensing Branch has been renamed the Liquor and Cannabis Regulation Branch;
4. Michelle Carr, ADM for the above, has a new UC desk number;
5. Amanda Morton, EAA for the above, has a new UC desk number;
6. Ian Bailey, ADM for ISB, has a new desk number that is not UC;
7. Elenore Arend, ADM for BCCORR, has a new desk UC number; and
8. Alisha Garvin, A/EAA for BCCORR, has a new desk UC number.

Thank you.

Hi Tanera,

This was logged for an AG draft email response - yesterday, the AG returned the draft to me and indicated he would like to meet with this writer.

I have changed the log to a meeting request. I have also indicated in the log that the AG will not be signing the draft that was prepared.

Hi Tanera!

I've been sent on an urgent task of getting all the Minister's Travel Claims done up... & I have never done this before.

I can't figure out, how to send it once completed?

I have clicked on everything for the "Action" & it never gives me the ability to click on anything under "Next to Act".

Your advise would be greatly appreciated!

I also understand from past forms that if the Minister is performing Ministerial duties in Vancouver (his headquarters) that he still gets a per diem for the time he is at meetings/travel as Minister, right?

Thank you ever so much in advance, for you reply!

Subject: Call for Records MAG-2018-82594 Due April 19, 2018

Hello,

Please find attached a Call for Records form that is electronic, fillable and saveable. The form has active links and pull-down menus. Please send your records **in one PDF document**, to the Justice/Social mailbox at justice.social.foi@gov.bc.ca. Thank-you.

Your Ministry has received a formal request made under the *Freedom of Information and Protection of Privacy Act* (FOIPPA). The request is for:

All records (emails and subsequent attachments, memos, draft and final copies of agendas, minutes, meeting summaries, briefing notes, handwritten notes, and post-meeting reports) of meetings between any combination of the following: Attorney General or his staff; ICBC Chair Joy MacPhail, the CEO of ICBC, Premier or Premier's Office Staff; and or the Minister of Finance or Minister of Finance Office staff as related to fraud strategies for ICBC. (Date Range for Record Search: From 07/18/2017 To 02/23/2018).

Please contact the analyst assigned to this request if you have any questions – **Liz Babecy (250) 952-6353**.

What Do You Need to Do?

Please complete the attached Call for Records form.

- If search and retrieval time is anticipated to exceed 3 hours and/or the total volume of records exceeds 200 pages, complete only Sections 1 & 2 of the Call for Records Form as we may be in a position to issue a fee estimate. Then, return the form to the Justice/Social FOI Mailbox at justice.social.foi@gov.bc.ca by April 13, 2018. Please await further instruction from IAO as the records will not be required until the fee estimate process has been completed. Once fees have been paid or waived, you will be contacted to continue the call for records process. You will also be advised you if the request is abandoned and/or closed.
- If no fees apply then proceed with the call for records process. Please complete the attached Call for Records Form and return it to the Justice/Social FOI Mailbox at justice.social.foi@gov.bc.ca by April 19, 2018. Send records via email in PDF format. One PDF document is preferable. If email is not possible, please send the records in electronic format (CD, memory stick) via house mail with a copy of this note.

Reminder

You should be aware that FOIPPA obligates us to assist the applicant and to respond without delay, openly, accurately, and completely. In the event that the ministry must defend the adequacy of its search to the Information and Privacy Commissioner at Inquiry, those involved in searching for records may be required to sign affidavits confirming they have conducted an adequate search for relevant records.

Questions and Concerns

Please do not hesitate to contact your analyst noted on the attached Call for Records form to discuss:

- whether the records may be routinely releasable;
- whether the information is being prepared for public release or is already publicly available;
- ways in which an applicant may want to narrow/focus their request to reduce potential fees;
- and/or any other questions or concerns relating to this request.

Hi Tanera,

Welcome back! As you probably know, the Surrey Courthouse media tour has been postponed and the project team's new preferred date is July 31st. Would that work for the minister? They initially suggested 10 a.m. but I believe I heard that MO prefers sometime in the afternoon. The tour/media avail would run 25-30 minutes.

Can you advise?

Thanks,

Hi Tanera,

Yes, the project team at the Surrey Courthouse has asked that we postpone the media tour to later in July. There are some security issues that apparently still need to be addressed and both the judicial representative and Regional Administrative Judge Hamilton ^{s.22} The project team is going to propose potential new dates for the tour today. The Abbotsford courthouse ground breaking is still on track for the 11th.

Can I get back to you later today with potential dates for the Surrey event?

Hi – here is a look ahead at a few comms activities with questions for you. Thanks

June 13 – reminder you have provincial court judge appointment IB for approval. DAG will be adding effective dates.

<< File: GCPE Media Event Plan-DDC Open House_Draft1_DT.DOCX >>

June 14 – ICBC estimators NR. HQ is holding Thursday at 8:30 a.m. for NR release. Following up with D. Scott on where approval is at and will have to you early tomorrow.

June 20 – Hicken. HQ has confirmed this date with a 9:30 a.m. info bulletin release. Does this work for you? I'll follow up with Michelle for the report so we can prepare IB, QAs.

June 20 onward – cannabis. s.15,s. informed us the interactive information portal launch should happen June 20 or later and that she'll have draft to your office for review by end of week. LDB expects to be ready to announce e-commerce details and supplier agreements around that time as well, if we want to do in one release.

June 24-25 – ICBC. Don't be confused if you see this ICBC conference (International Cannabis Business Conference) promoted in Vancouver for June 24-25. ICBC's lawyers have again sent a cease and desist letter to the group re: copyright infringement.

June X – German

June 26 – SNs for Canadian Association of Human Rights Agencies, Whitehorse (June 26) – JSB and staff here have drafted an outline for the remarks, with a few questions for MO before drafting. Can you please take a look and add any notes?

<< File: EP - Surrey Courthouse and PLC opening - 28May18 - DRAFT.DOCX >>

July – Online Divorce. We will find a date in July for this and change plans to a NR only. Materials coming your way.

July 9-13 – Surrey Courthouse walk-through. Tanera, can you please confirm a time that would work in the Minister's schedule for this event, between July 9-13? Revised EP attached, with input from CITZ.

July 9-13 – Abbotsford courthouse ground-breaking. Tanera, same question here. The project board recommends this timeframe if the Minister is free. We'll have an event plan your way by Weds.

Mid July – Delta LDB warehouse opening – Pls advise which government rep, if any, may take part.

Below is a link to the draft conference outline. Would the Minister be interesting in us trying to find a mtg. time around the schedule? If so we could perhaps suggest that they meet in Whistler, if they are willing to travel there. FYI, we don't know what day(s) our MAG related meetings will be yet; however, they will be Tuesday, Wednesday or Thursday during the day.

If he is keen to meet perhaps we could work around the UBCM meetings? If not, pls. let me know asap and I will work with them to meet with the DAG on the Monday in Victoria.

Re the below, would the Minister be interested in meeting with Mr. Oakley and Richard? If so, I wonder if we could book a time on Monday AM (Sept. 10th) in Vancouver at the VCO before the Minister makes his way to Whistler? Richard will be attending UBCM as well, to support; however, the meetings usually don't start until the Tuesday so Monday is really the only time available.

What do you think? Also, fyi, Rob was the ADAG for Legal Services Branch several years ago and he was also the CEO for the Law Society of Upper Canada (Ontario) until last year.

Subject: Innocence Canada - Request

Dear Richard:

Greetings. Hope you are having a good summer, and that you are still enjoying what must be an "interesting" justice agenda in BC. I think of you often as I read the headlines.

I am a Director of the Innocence Canada Foundation. You are probably aware of the work of Innocence Canada. I have attached a PDF summary of its current work, below.

The Executive Director of Innocence Canada, Deborah Oakley, is going to be in British Columbia from September 10 to September 12. The purpose of the trip generally is to share information about Innocence Canada's current work, and specifically the work it does in British Columbia. We would appreciate it if Deborah could arrange a meeting with you, and the Attorney General if he is available, to present and share this information, and to have a discussion about our British Columbia context.

I understand that Deborah's schedule is flexible over those two days, and she can be available either in Victoria or Vancouver at whatever time works. For the purposes of scheduling, this trip is being coordinated by Kerry Emmonds, who is a consultant working with us on some of these issues. Your office should feel free to contact Kerry directly at kemmonds@innocencecanada.com, and Deborah

Oakley, the Executive Director, at doakley@rogers.com. (Both are copied on this e mail)

Just by way of quick summary and background in case its work is not familiar to you, Innocence Canada is a non - profit organization, with a mandate to identify and advocate for and exonerate people who have been convicted of crimes they did not commit. The organization also seeks to prevent wrongful convictions through legal education, advocacy and law reform. It has successfully exonerated 21 people. There are many more claims under various stages of review. (It was formerly known as the Association in Defence of the Wrongfully Convicted.)

It is very active in B.C. British Columbia cases and claims represent the second largest portion of Innocence Canada's client portfolio (after Ontario). Innocence Canada has done and hopes to continue some education and advocacy work on wrongful convictions in communities in British Columbia. It has Board members in B.C. and draws on the work of B.C. counsel to assist it on files.

I would really appreciate it if you would consider this request.

Thanks (and I hope we can get together at some point soon. s.22
and hope that our paths may cross more often when that happens).

With best wishes,

Rob Lapper

Below is a link to the draft conference outline. Would the Minister be interesting in us trying to find a mtg. time around the schedule? If so we could perhaps suggest that they meet in Whistler, if they are willing to travel there. FYI, we don't know what day(s) our MAG related meetings will be yet; however, they will be Tuesday, Wednesday or Thursday during the day.

If he is keen to meet perhaps we could work around the UBCM meetings? If not, pls. let me know asap and I will work with them to meet with the DAG on the Monday in Victoria.

Re the below, would the Minister be interested in meeting with Mr. Oakley and Richard? If so, I wonder if we could book a time on Monday AM (Sept. 10th) in Vancouver at the VCO before the Minister makes his way to

Whistler? Richard will be attending UBCM as well, to support; however, the meetings usually don't start until the Tuesday so Monday is really the only time available.

What do you think? Also, fyi, Rob was the ADAG for Legal Services Branch several years ago and he was also the CEO for the Law Society of Upper Canada (Ontario) until last year.

Subject: Innocence Canada - Request

Dear Richard:

Greetings. Hope you are having a good summer, and that you are still enjoying what must be an "interesting" justice agenda in BC. I think of you often as I read the headlines.

I am a Director of the Innocence Canada Foundation. You are probably aware of the work of Innocence Canada. I have attached a PDF summary of its current work, below.

The Executive Director of Innocence Canada, Deborah Oakley, is going to be in British Columbia from September 10 to September 12. The purpose of the trip generally is to share information about Innocence Canada's current work, and specifically the work it does in British Columbia. We would appreciate it if Deborah could arrange a meeting with you, and the Attorney General if he is available, to present and share this information, and to have a discussion about our British Columbia context.

I understand that Deborah's schedule is flexible over those two days, and she can be available either in Victoria or Vancouver at whatever time works. For the purposes of scheduling, this trip is being coordinated by Kerry Emmonds, who is a consultant working with us on some of these issues. Your office should feel free to contact Kerry directly at kemmonds@innocencecanada.com, and Deborah Oakley, the Executive Director, at doakley@rogers.com. (Both are copied on this e mail)

Just by way of quick summary and background in case its work is not familiar to you, Innocence Canada is a non - profit organization, with a mandate to identify and advocate for and exonerate people who have been convicted of crimes they did not commit. The organization also seeks to prevent wrongful convictions through legal education, advocacy and law reform. It has successfully exonerated 21 people. There are many more claims under various stages of review. (It was formerly known as the Association in Defence of the Wrongfully Convicted.)

It is very active in B.C. British Columbia cases and claims represent the second largest portion of Innocence Canada's client portfolio (after Ontario). Innocence Canada has done and hopes to continue some education and advocacy work on wrongful convictions in communities in British Columbia. It has Board members in B.C. and draws on the work of B.C. counsel to assist it on files.

I would really appreciate it if you would consider this request.

Thanks (and I hope we can get together at some point soon. s.22 and hope that our paths may cross more often when that happens).

in the fall

With best wishes,

Rob Lapper

Dear Mr. Attorney General:

My name is Brad Dirks. I am the father of a transgender, teenage son. We live in Langley, B.C. which also happens to be the home of anti-LGBTQ+ extremist Kari Simpson, and the headquarters of her extremist group, Culture Guard...

For the past year, me, my son, our family, and many like mine, have been under attack by this woman and her associates. She works closely with Laura-Lynn Taylor Thompson, and a man who goes by the name of Jenn Smith (who misrepresents himself as a transgender person, but is actually not a trans person).

As you may know, Bill Whatcott had an arrest warrant issued for handing out anti-LGBTQ+ flyers in a Pride Parade in Ontario. He turned himself into the police in Calgary, where he was arrested and sent back to Ontario, where he was charged and released on bail...

Here in B.C., Kari Simpson, Laura-Lynn and Jenn Smith go town-to-town, hosting "info sessions" on SOGI 123 where they hand out anti-LGBTQ+ hate propaganda; misgender trans people; and spread hate and discrimination in front of community audiences. They even mention me by first and last name at these meetings...

Over the past year, I have begun to defend my son, and speak out against this hate. I have done numerous interviews, and was even invited to share my story at a TEDx Talk conference. I was also a founding member of BC Families for Inclusivity, along side Stacey Wakelin. Our group is now over a thousand concerned members, each member representing a family, so in-effect, we're much larger.

Many of us have LGBTQ+ kids. Our group is a grassroots group of people, fighting for equality and human rights, and standing up against this bigotry directed towards LGBTQ+ students and their families.

We have waiting long enough for police to be able to do something. I have been told that they are powerless, unless Crown can approve charges, and the rumour is, that comes from the Attorney General. So, I am writing you, to see if you would be open to chatting with us ASAP. We have run out of patience, and have no answers, so we have scheduled an interview with the CBC for this upcoming Tuesday, to start seeking answers as to why nothing is being done.

If you would like to contract me, maybe we can get ahead of the wave, and I can go into that interview with some better news. If you want more information about me, "Google" my name, and you should see the stuff I've had to do over the last year.

Thank you in-advance,

Brad Dirks

Subject: Request for the Min AG - Long Service Awards 2018

Good afternoon Tanera,

We have scheduled the Long Service Awards Ceremonies for the Fall and your organization is confirmed for **September 25 and September 27**. As you may recall, the ceremonies are held at Government House in Victoria. There are 11 nights scheduled this year. Her Honour usually attends the majority of the nights (and she is yet to confirm which nights for this year) and we are awaiting confirmation if the Premier will attend or not.

REQUEST: Can you please let me know if the Minister is able to attend one or both evenings to congratulate the recipients and present the awards? **Timing:** Routine arrival at 5:45-6pm for the start of the ceremony at 6:15pm. If unable to attend the dinner due to other obligations, the Minister could still participate in the presentation of awards at approximately 7:30pm to 8:30pm.

NOTE: I'm also approaching the other Ministers to attend on this night too. See below.

Long Service Award Night Assignments per Organization for 2018	
Date of Ceremony	Organization
Tuesday, September 25	BC Farm Industry Review Board
	Environmental Assessment Office
	Ministry of Agriculture
	Ministry of Attorney General (Majority of the Lower Mainland)
	Ministry of Environment and Climate Change Strategy

Please let me know if I can provide any more detail.

Thanks in advance,

Frances

Hi David

At the Bartalk Editorial Board meeting this week, I suggested two articles for our spring Access to Justice issue:

- 1) your view on Access to Justice, and
- 2) who is David Eby?

I hope that is good with you. Someone is going to contact you to see if you can write the Access to Justice article. I volunteered to write the Who is David Eby article, but will see if that article goes ahead.

Subject: RE: ADR Law Conference

Dear Tanera:

David Gruber and I are on the Vancouver Chapter Executive of the Chartered Institute of Arbitrators. Our inaugural meeting will be held this November. We haven't set a date for it yet as we wanted to ensure that we could have the AGBC and another speaker attend at dates convenient for them.

I mentioned to the Minister that having him as the initial speaker, welcoming everyone to the event and saying a few words about the place of arbitration in BC, would be helpful. Thereafter, we have a speaker (Joel Richler, a Toronto arbitration lawyer), who will give a talk on practical issues arising from the time of a Notice commencing an arbitration, through to the arbitration hearing itself. Mr. Richler is available in the last half of November (after November 14, 2018), but unavailable on November 21-23, 2018. So we are trying to work to find a convenient weekday evening at 6 pm or thereabouts to work with that.

It would be helpful for us in planning this if you could indicate when was likely to suit the AG's calendar in that time frame. I recall that when the Legislature is sitting, the Minister is usually tied up in Victoria every day except Friday. That might make a Thursday evening event feasible – say at 6 o'clock on Thursday, November 15, 2018. I don't know if there will be a fall sitting of the Legislature or what other commitments the AG may have around then, so that is only a suggestion. We would appreciate hearing from you what is most convenient.

I look forward to your response.

Thanks again!

Greetings Minister Eby: I am forwarding a message below, from an amazing young person in Grade 12 in Richmond who would like to talk to you about lowering the voting age. Would you kindly respond to him, or let me know the proper process about who to approach. Thank you for your attention to this matter.

Hello:

In recent times, we have seen many young folks begin to take action. A prominent example would be the students from Parkland. A problem with this phenomenon however, is that, while inspiring, these actions ring a little hollow, as, since these youth lack the ability to vote, politicians can ignore their demands free from any short term consequences. I'm a young person who is used to being politically active myself, and I've always felt my actions have been hollow. I think I've come up with a solution. I've come up with a solution that goes beyond simply lowering the voting age, and I've gathered research, professional endorsements, and legal precedents to support my case. I promise that I can convince you that my idea is a great one if I had a 20 minute conversation with you.

Thanks in advance, and thank you for taking the time to read this.

Sincerely,

s.22

Hi Tanera:
A few items for discussion upon your return.

July 18th meetings:

- ACL Follow-Up briefing – at this time due to annual leave the only person available to participate in the briefing would be Doug Scott. All of the key staff from GPEB are scheduled to be away.
 - Kim Bruce who is the current A/ADM would be available to call into the meeting on July 18th if it could be moved from a 9:30am start to 8:30am?
 - If this is not possible – then Doug will support via conference call on his own / please note: Doug's preference would be to reschedule the meeting to allow a GPEB representative to attend.
- I noticed a meeting with Sleeman's on July 18th @ 9:00am – will the Minister require support at this meeting? I checked through my file of requests and did not find anything from your office. As Doug was pc'd on the letter sent to MDE – please let me know if you would like him to dial into the meeting.

Outstanding Meeting Request From Estimates:

- Provide (MLA Yap) briefing on ICBC commissions and premium taxes. (MAY 29 AFTERNOON SESSION)
- Action Required: *Briefing date/time to be confirmed by Associate DM Scott and AG's office.*
 - *I am guessing that this type of meeting would be something I would work on with one of the MA's ?*
 - *Is Sam still the lead for the ICBC portfolio or has that shifted?*

I will be away from the office from July 2nd – 6th, 2018. Rebecca Barnhouse is available to assist you with any meeting requests in my absence.

Thank you.

My apology for the delay in responding.

Unfortunately, the June 4 date conflicts with our company's largest tradeshow which takes away a number of people who would be necessary to ensure Mr Eby's visit to SAP Vancouver a success. We would not be able to host Mr Eby until after June 11.

Are there perhaps a couple of other alternative dates that might work? For Kirsten's schedule, she is currently not be available on June 12, 19, 21, or 26.

Dear Minister Eby,

We are writing to introduce ourselves and officially invite you and your staff to visit SAP Canada's British Columbia offices in Vancouver for a tour and special briefing.

Centrally located in the heart of Yaletown, SAP Vancouver is a flagship of the city's flourishing technology scene, and, as the fourth largest lab in SAP's entire global operation, a flagship of SAP's international business.

At 1,400 full-time employees in the SAP Vancouver office, SAP is BC's largest software employer. We have been growing 10-20% year-over-year for the past three years, adding an average of 150+ full-time, highly-skilled jobs per year, and we intend to continue investing heavily in Vancouver and the province of British Columbia.

Growing our personnel at this rate has meant that our physical footprint has needed to grow as well. For the second time in just three years, we are investing over \$11 million in renovating and expanding our workspace in Vancouver.

We are immensely proud of our space, our people, and the world-class SAP software development happening right here in British Columbia that is being leveraged all over the globe, and we look forward to sharing it with you.

SAP would be honoured to host you on a date and time convenient for you. We look forward to briefing you on the exciting products and solutions being developed, in British Columbia, for British Columbians and the world.

With warm regards,

Kirsten Sutton

Dear Addo and Ms. Gala Milne.

The high court Judge of Ontario and chair for national federation of Black Canadians would like to meet with Hon. Minister of Justice and Attorney General of BC to discuss the national action program for the International Decade for the people of African Descent. Hon. Justice Donald Mcleod will be in Vancouver on the early morning of Friday 20th, to attend the African Descent Festival and he wants to meet with the minister on Friday to discuss on different things about the decade for people of African descent.

Recently the federal government supports a very huge summit we debriefed the minister early this year and many NDP leaders including the president of NDP all attended this summit in Toronto last year December 4th to 6th which brought hundreds of Black leaders across the Country.

I have attached two important document about the International decade for people of African Descent national program action below.

I will be happy to hear from you.
Thanks

Hello:

In recent times, we have seen many young folks begin to take action. A prominent example would be the students from Parkland. A problem with this phenomenon however, is that, while inspiring, these actions ring a little hollow, as, since these youth lack the ability to vote, politicians can ignore their demands free from any short term consequences. I'm a young person who is used to being politically active myself, and I've always felt my actions have been hollow. I think I've come up with a solution. I've come up with a solution that goes beyond simply lowering the voting age, and I've gathered research, professional endorsements, and legal precedents to support my case. I promise that I can convince you that my idea is a great one if I had a 20 minute conversation with you.

Thanks in advance, and thank you for taking the time to read this.

Subject: Possible Amendment to February 2018 Calendar

Good day,

It was recently brought to the attention of Open Information that a meeting which took place in February of this year named a private citizen meeting with the Minister regarding ICBC. While names of individuals are generally kept in when meetings are not of a personal nature, a FOI request currently being processed includes records that reveal the fact that the individual is a private citizen. Open Information has been advised that the records processed will result in severing of this name, as a result, we recommend the same to be done for the calendar entry that was released. Please be assured that Open Information is acting strictly out of an abundance of caution, and this action on our part is performed to be proactive only. We do not consider this to be a breach, as the entry on its own does not reveal anything substantive, it is when the FOI request is released where a mosaic effect can be construed. While any risk is negligible, we want to ensure best practices and the protection of individual privacy whenever possible, where identification, however remote, is a possibility.

We have attached a page from the updated redline for your records, with the name in question now being redacted. Can you please confirm, as soon as possible, that you approve of these changes being made?

If you have any questions please don't hesitate to reach out to any member of the Team.

Subject: CRT application to Societies implementation

Hi Dave - as you know I have been working for the last many years on this project: lawfornonprofits.ca. I spoke to Sam Godfrey last month and have reached out to Carmen about the implementation of adding Societies to CRT. Most of the enquiries we receive have to do with issues arising in member disputes - we have been tracking the dispute questions as they come in to the website. Just as I said when the new Societies Act was introduced we need a coordinated public legal education strategy to accompany the rollout of a new dispute resolution mechanism for the sector. This is a particularly sensitive period given the transition to a new Act. As I write this e-mail we know that less than 50% of societies have transitioned. Anecdotally, among the many CBABC Charities and Non Profit subsection members we also know that societies have been making errors on transition. This is a sector that is phenomenally diverse and any new initiatives should involve the sector before any implementation is contemplated. It will be imperative to have some form of consultation with the sector to address its needs. I would welcome the opportunity to discuss these issues with your office. Thanks Martha Rans

Subject: power outages

Hello Teresa

Per our discussion last week.

We have two planned power outages set for July 2018 – I do not expect it to create any issues for users in the main building. The only area that I foresee any impact is the Premiers Correspondence Branch... they will not have power during these periods below. The list below is for the Assembly folks that work in the other buildings but for the Government side I only see the PCB as having any impact.
If you could share the note;
Thank you

July 14th (Saturday)

From 8:00 am to 1:00 pm Estimated

- There will be **No power** to the Bunker building (612/614 Government).
- There will be **No Power** to the Armouries Building (421/431 Menzies) Premiers Correspondence Branch.
- The Main building is expected to be fully operational as it is on standby generator.

July 15th (Sunday)

From 7:00 am to 10:00 pm.

- No power to the Bunker building (612/614 Government)
- No power to the Armouries Building (421/431 Menzies)

- The Main building is expected to be fully operational as it is on standby generator.

Good morning, Wolfgang.

Re the 4PM CC with MDE this afternoon, JSB would like to ask Robert MacDonald, CCD for the IIO, to participate as well. Is that ok with the Minister?
