Jessica Smith

Good morning! We're waiting to see if our Heli is able to land at Vic harbour or if it's too foggy we may need to land at YYJ and take shuttle in. I'll text if the latter is the case in which case our 8am may need to be pushed a bit.

JS

We've had to land at YYJ and are taking a shuttle in so will be arriving later than anticipated.

JS

Celia Pinette

Thx Jess.
