Hi Celia,

Sorry to bug you with this question... We have a constituent who inquired about plastic bags at BC Liquor Stores. She's employed at one of their stores and is environmentally conscious. Do you know if BCL has a policy around plastic bag distribution? She's concerned about people helping themselves to the bags (ie. Taking more bags than they need for their item) and the environmental impacts.

I inquired at ENV about plastic bags in general and have passed along their response to her.

Thanks for taking the time to answer this question.

Best regards,

Aaron

Hello,

I am writing you to bring your attention to a new resource, **Know Your Rights: A guide for people who rely on public space**.

This guide is a toolkit designed for people who rely on public space and regularly interact with law enforcement figures - including police, bylaw officers, and private security guards - due to their living conditions. Between 2018-19 Pivot Legal Society staff held feedback sessions that informed the development of this resource. The resulting toolkit provides basic information about legal rights and practical actions people can take when they are confronted by enforcement figures in public spaces. The guide has been reviewed by multiple legal experts to ensure the information is accurate.

We are sharing this resource with law enforcement stakeholders to provide a public legal resource that may inform professionals who regularly interact with people who rely on public space.

Download the guide

Should you have any questions or concerns about the handbook and how we plan to distribute it, please contact Meenakshi Mannoe, Manager of Community Education (meenakshi@pivotlegal.org).

Thank you,

Good morning,

I'm hoping you can assist with ensuring attendance at the IM117 training session this week. This session is for all new employees (political staff and administrative staff) who haven't taken it yet and for existing employees who didn't take the revised course in June. All government employees were required to take the revised course by July 15, 2019.

Most employees have taken the training by now.

Can you please check with each employee in your office to make sure they 1) have completed the revised course and 2) if they haven't are planning to attend this Thursday's session.

IM117 Training Session
Thursday, July 25
2:00PM-3:30PM
Legislature Room 223

Please bring your Employee ID # - you need this to complete the attestation form and receive credit for the course.

They can register by sending an email to Danny.Loubert@gov.bc.ca.

Thanks all,
Maura

Hello All:

You may have received a report from your Ministry indicating that some employees in your office have not taken the refresher IM117 course when indeed they have.

There is a delay in the reporting from the Access to Information Office (AIO) to the PSA to your Ministry that we are working to address.

If you get a report but you know those employees have taken the course please reply back letting them know that and please also send Danny.Loubert@gov.bc.ca a note letting him know they are still showing up as not having taken it so we can track and fix.

For employees who haven't yet been able to take the mandatory in-person refresher session, or for any new employees starting this month, another session has been organized for next week. I would encourage people to re-arrange their schedule to attend.

Thursday, July 25
