**Subject:** Minister briefings- August 12, 2019

Hi Connie,

Minister is in the office on Monday August 12 and would like briefings scheduled. Would you mind forwarding to the appropriate staff?

- 1) Minister would like a briefing by s.15; s.19 with a focus on ICBC and cannabis licencing. An updated tracking chart would be great.
- 2) Minister would also like a litigation update from James. An updated tracking chart would be great.
- 3) We can schedule a briefing with Kurt if there is anything pressing. Otherwise an updated tracking chart would suffice.

The meetings should be scheduled back to back at the MO. They are normally one hour but perhaps we can find out from the ADM's how long they think is necessary.

Thank you very much Connie,

Celia

No prob. Materials are on the iPad, calendar is updated and I printed the materials and left them on your chair. If you are not in, we can put the folder together Monday morning before you are in.

Enjoy the rest of the time with family,  
C.

Hi Celia,  
Thank you so much for all your help with coordinating this. I intend to come in the office on the weekend to catch up a bit and can prepare the Minister's folder. If you are able to put the information on the Minister's iPad for him, that would be great. I can also do it when I come in on the weekend but it might be good to have on the iPad earlier.
