Hi,

I saw Shannon Russel at the MA meeting. They have eyes on the letter and have already inquired about YodleME. They don't know what it is but said they would help facilitate in this type of situation.

I think the purpose of the letter is inviting GOV to collaborate on initiatives that are already in the works w/ CITZ:

"Through this letter, my and other First Nations' leaders respectfully invite you to participate in a project that will bring communications to the North. We are currently launching an initiative to bring cost-effectively establish fail-safe mobile connectivity and improve the safety and security of our Northern BC communities."

I would redirect to CITZ and also send copy to PSSG so they're aware. I've raised it with Aileen in MoTI and she was in agreement.

Hi,

When inquiry recommendations were being implemented after the 2012 inquiry, Anton was of the strong opinion that MoTI was the lead on Highway 16 transportation matters. There are defiantly MIRR and PSSG components.
