Ted White, Director and Comptroller of  
water rights

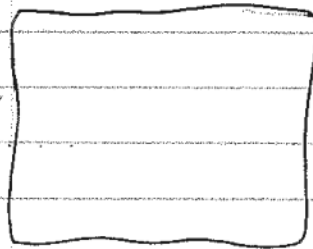

(Chief #s)  
Evidence Act  
(Complexity) / proportional

1) Where #s came from?  
Date

2) Bring app for another witness ↑ cost

① Limit # witnesses → adversarial

~~② Limit # witnesses~~

CONTEXT / rationale  
reports on damages only (i.e. just doctors)  
then punished will hit 5%.

② Recoverable disbursements \$3000 (damages)

they work together

③ Overall disbursements \$5000 (5%)

Expectation  
Supreme Court Civil Rules

Why was this one seen as

→ Regulation prevails

(other categories?)

necessary in addition

#2)

other experts would still have to come under

proportional to overall hope recovery cost

How many additional experts etc.

Plaintiff has control: mediation fees  
travel fees for expert  
photocopying  
courriers

concepts involved  
↑ complexity  
have tests been applied in other contexts
