FYI – MDE met with the Canadian Association of Occupational Therapists today – I was not on the call, but was asked to add them to the stakeholder list for Complex care – so passing on to you for your consideration. I’m sure it will also be flagged to your MO.

DMs have very strong interest in hearing from BCH s.13 given the experience and expertise.  
s.13 – If your  
staff could connect with Raymond, they could help bridge the connection to the model of care, which will be among the first thing the DMs are looking for.

Within the model of care we are working with MMHA to define the client group for complex care and then what the services might be. s.13  
s.13

I know it is overly bureaucratic (but we are government so it is forgivable) but the path here is going to be ADMs, DM, Cabinet Working Group.

Thanks,  
Cheryl

Sara – for my upcoming meetings with the mayors, and the upcoming meeting with the CAO from Kelowna, can you please include Cheryl May, or, if her calendar doesn't allow it, her delegate? Thanks.

If you can find the letter from the Urban Mayors meeting that happened a couple weeks ago, that would be good for me to have in my materials. (John went on my behalf). No need for Richard.

Thanks,

Cheryl
