Hi Susan –

We should discuss the issue of differentiating options this afternoon, however with a CabSub about s.12; s.13
s.12; s.13 could differentiate the options. If asked right now, I would say the difference
between s.12; s.13 are:
• s.12; s.13
s.12; s.13; s.17

• s.12; s.13

Bonjour bonjour,

I've updated the Excel sheet and the Word document, but probably just showing her the Excel sheet would be easier to digest in a screen-share context. I'll have all the things queued up.

If we're considering the Options structure, one thing I'd suggest is that s.12; s.13
s.12; s.13

s.12; s.13

Hola Hola,

Good point about s.13; s.17

Let's flag that for Cheryl this PM.

s.12; s.13

s.12; s.13

Could you add a placeholder and then we'll send this to Cheryl for her reference at our discussion this PM?

As for what we need to discuss with her, here are my thoughts to kick off our collective thoughts:

s.12; s.13

s.12; s.13; s.17

s.12; s.13

Anything else?

Susan – I saved the TB s.12 under 'project management' folder, which is where the Cab/TB sub timelines excel file is as well. Could you please have those two docs plus the CabSub ready to share over the meeting?

Hallo hallo!

1. Ooh! Look at that! I had to reread the email and caught it this time.
2. Ten-four.
3. s.12; s.13; s.17

s.12; s.13

Just for kicks, I turned these tables into an Excel spreadsheet to make it easier to sort by various types of timing.

Hello!

Two things:

s.12; s.13

s.12; s.13; s.17

In terms of feasibility, the items for OHCS – **s.12; s.13; s.17**
s.12; s.13; s.17

s.13

we should check with Kathy/Tyann about

s.13; s.17 I think Brad Sparrow may be coming back from his TA sometime this fall so it may be okay.

Hi Susan –

I have created a different layout by Budget year, in addition to by Option. Please have a look and let's discuss whether there is anything within that is simply not feasible. I have not made sure the By Options section and By Year sections align, so please do so as I think I've proposed moving the timings of a few.

Thanks.

John

I received further direction today on the strategy

- A budget request should be prepared. John has already started working on **s.13**

s.13 Your doc is great Susan. I am just going to also present grouped by timing in addition to current grouping by options. Thanks for putting that together.

- On the renters rebate **s.13**

s.13

Please connect with Steve's team. **s.13**

s.13

John and I will work with the team to develop the next iteration of the cab sub.

Hi Cheryl -

If you recall, Finance and Minister Robinson **s.12; s.13**

s.12; s.13

s.12; s.13 Finance has put together a PPT about the Renter's Rebate so Minister knows what they are proposing prior to that discussion.

So, what do you think about doing a briefing on this at a Weekly Meeting and ask him if he will request a discussion with Minister Robinson?
