Hi Lisa,

It is still on, the MinCal is solely for the Minister and somehow that was put in incorrectly so I had to change it and invite her and just add the attendees into the notes box. I am not sure who entered it so my apologies for any confusion. Jane and yourself etc should add it into your own Calendar and I have just edited it to keep the flow of the Calendar.

Thank you!

Christine White, Administrative Coordinator
Office of the Honourable Selina Robinson

Hi Christine – just noticed my meeting request for the minister's media training this afternoon says "cancelled". Is that accurate or is it still on?
