Top B.C. News as of 11 a.m.

CP News

Tuesday, August 01, 2017

TUESDAY, Aug. 1

Here are the top B.C. and Yukon news stories from The Canadian Press as of 11 a.m. Coverage plans are included when available. Entries are subject to change as news develops. Projected word counts and timing of stories and updates are subject to change.

Contact the B.C. bureau in Vancouver at 604-687-1662 or vancouver@thecanadianpress.com

TOP STORIES:

Trudeau 'regrets' comments in Rolling Stone

Trudeau-Rolling-Stone

VANCOUVER _ Prime Minister Justin Trudeau says he "regrets" comments he made about Sen. Patrick Brazeau in a recent interview with Rolling Stone magazine. Indigenous advocates denounced Trudeau's comments in the U.S. magazine's August issue where he referred to Brazeau as "the scrappy tough-guy senator from an Indigenous community." PHOTO.

Prime Minister Trudeau and Vancouver's mayor meet

Trudeau-Vancouver

VANCOUVER _ Prime Minister Justin Trudeau says he's looking forward to working with Vancouver Mayor Gregor Robertson on expanding transit infrastructure, improving **housing affordability** and tackling the deadly opioid crisis. But Trudeau declined to say whether the two planned to broach the sensitive topic of the Trans Mountain pipeline expansion ahead of a meeting today. PHOTO. Will be updated.

ALSO IN THE NEWS:

Wildfire smoke hits B.C. coast, prompts advisory

Heat-Wave

VANCOUVER _ A haze has fallen on the Lower Mainland as winds carry smoke from wildfires in the B.C. Interior to the coast .Environment Canada's special air quality and weather advisories continue for Metro Vancouver, the Fraser Valley, the Sunshine Coast and eastern Vancouver Island as the smoke and a heat wave pose potential health risks.

Mountie charged after collision near Vernon, B.C.

Mountie-Charged

VICTORIA _ A Mountie has been charged following a collision with a motorcycle near Vernon, B.C. The BC Prosecution Service says a charge against Const. Megan Valenta for driving without due care and attention has been sworn in provincial court.

TOP NEWS NOT HIGHLIGHTED ON PREVIOUS ADVISORY AT 2:30 P.M.:

B.C. wildfires destroy more than 300 buildings

Wildfires-BC

KAMLOOPS _ Wildfires continue to burn across British Columbia and officials say flames have now destroyed more than 300 buildings. Robert Turner with Emergency Management BC says 71 of the buildings were homes, 116 were outbuildings like sheds, three were commercial buildings and 115 have yet to be identified. Moves National and Prairies/BC, guard against duplication. Will be writethru.

Maintaining cultural exemption a priority for Quebec

Que-NAFTA-Culture

MONTREAL _ Although culture isn't on the table as the NAFTA talks loom, Quebec's economy minister and the province's chief negotiator sounded out industry stakeholders Tuesday to ensure everyone was on the same page. The province has said it is imperative for Quebec to defend the cultural exemption clause, which gives a jurisdiction the right to exclude culture from trade deals because it is not considered a commodity. Moves Entertainment and National; guard against duplication

Prime Minister Trudeau and Vancouver's mayor meet

Trudeau-Vancouver

VANCOUVER _ Prime Minister Justin Trudeau says he's looking forward to working with Vancouver Mayor Gregor Robertson on expanding transit infrastructure, improving **housing affordability** and tackling the deadly opioid crisis. But Trudeau declined to say whether the two planned to broach the sensitive topic of the Trans Mountain pipeline expansion ahead of a meeting today. PHOTO. Will be updated.

No platform from UCP leadership hopeful Jason Kenney

UCP-Leadership-Kenney

CALGARY _ Former federal cabinet minister Jason Kenney says he won't have a policy platform as he seeks the leadership of Alberta's new United Conservative Party. Kenney announced what he called a "grassroots guarantee" in Calgary Tuesday saying he would consult members of the new party and other Albertans before determining what promises he would campaign on as leader in the next provincial election. PHOTO.

Thunder Bay, First Nations leaders pledge to fight racism

Thunder-Bay-Racism

The city of Thunder Bay, Ont., and First Nations leaders in the region have signed a pledge to fight racism in the northern Ontario community, which has been plagued by tensions between Indigenous residents and local police. The statement acknowledges systemic racism exists in Thunder Bay and says it must be challenged by all members of the community.

Bell asks CRTC to reverse Super Bowl ad decision

Super-Bowl-Ads

TORONTO _ Six months before the next Super Bowl, Bell Media is relaunched its fight against the CRTC's decision to ban the substitution of big-budget U.S. commercials with Canadian ones during the big game. Bell has filed an application with the CRTC asking it to reverse a 2015 order that gave Canadians the option to watch American Super Bowl ads airing on U.S. channels. PHOTO. Moves National, Business and Entertainment, guard against duplication

Dry ground causing Regina power boxes to ignite

Sask-Power-Meters

REGINA _ There was a popping sound like fireworks, yellow sparks and a plume of black smoke as a power meter caught fire at a home in Regina. Provincial utility company SaskPower says the fire Monday night was the sixth power meter to ignite in the city in the last two weeks because parched soil is causing the ground to shift.

Plane stayed on Ottawa runway for 6 hours: passenger

Air-Transat-Delay

MONTREAL _ A woman who was aboard an Air Transat flight says she and other passengers were forced to stay in the plane on an Ottawa runway for six hours in uncomfortably warm conditions. Maryanne Zehil says the plane, which had originated in Brussels, was meant to land in Montreal on Monday but that the 336 passengers were told it would not be possible because of storms. Moves Business and National; guard against duplication

TOP NEWS FROM PREVIOUS ADVISORY AT 2:30 P.M. (UPDATED):

NEWS NOW:

New hosts of 'The National' unveiled

TV-The-National

TORONTO _ Viewers familiar with some of the most prominent faces at the CBC will feel right at home when four new hosts take the helm of the "The National" this fall. The public broadcaster unveiled its new team on Tuesday, choosing Adrienne Arseneault, Rosemary Barton, Andrew Chang and Ian Hanomansing, to shepherd a refreshed version of the nightly program. PHOTO. Moves National and Entertainment.

PM 'regrets' Indigenous comments in Rolling Stone

Trudeau-Rolling-Stone

VANCOUVER _ Prime Minister Justin Trudeau says he "regrets" comments he made about Sen. Patrick Brazeau in Rolling Stone, but an Indigenous advocate wants him to express his remorse in a letter to the popular U.S. magazine. Trudeau told Rolling Stone in a story titled "Justin Trudeau: The North Star," that his choice of Brazeau as an opponent in a March 2012 charity boxing match "wasn't random." Brazeau is from the Kitigan Zibi Anishinabeg First Nation in Quebec. PHOTO.

Ontario names judge to lead long-term care probe

Nursing-Home-Probe

TORONTO _ An experienced appeal court judge will head a sweeping public inquiry into systemic issues at Ontario's long-term care homes that may have contributed to the murders of eight seniors at the hands of a longtime nurse. The province announced Tuesday that Ontario Court of Appeal Justice Eileen Gillese will have a broad mandate to review policies, procedures and oversight of long-term care homes and will file a report to the Attorney General by July 31, 2019. PHOTO.

De Grasse has Canadians watching track

ATH-DeGrasse-Effect

At the Canadian track and field championships in Ottawa in early July, star sprinter Andre De Grasse had just finished a race, and fans were frantic for autographs. One particularly opportunistic dad picked up his young daughter and boosted her by the behind up and over the eight-foot chain-link fence that stood between the fans and the warm-down area to get to De Grasse. PHOTO. Moves Sports and National

A difficult tenure for women politicians

Women politicians' difficult tenure

Women-Rough-Politics

Joanne Bernard recalls the shock she felt when she left Nova Scotia's non-profit sector to work in provincial politics, and suddenly became the target of the worst kind of online vitriol, including fat shaming and homophobic tirades. She said she soon learned this was the norm for female politicians across Canada, citing the experiences of Ontario Premier Kathleen Wynne, Alberta Premier Rachel Notley and former B.C. premier Christy Clark. PHOTO.

Wood from Europe holding up Canada-U.S. deal

Softwood-Dispute

WASHINGTON _ Canada and the United States must chop down one big, remaining impediment to a deal on softwood lumber and this obstacle involves wood from neither country but from other places: Germany, Sweden, Chile, Brazil and Russia. This irritant over distant imports is complicating the goal of a quick softwood agreement, something both North American governments say they want to achieve in order to start NAFTA talks in two weeks without a major trade irritant looming overhead. 835 words. By Alexander Panetta. PHOTO. Moves Business and National; Guard against duplication

NAFTA talks to start with ministerial dinner

Schedule-NAFTA

WASHINGTON _ A high-level dinner of cabinet members from Canada, the U.S. and Mexico will mark the start of NAFTA negotiations this month, followed by a seven-course diet of negotiating rounds crammed in rapid succession. As their negotiating teams arrive in Washington for the talks starting Aug. 16, sources say the cabinet members leading the process, including Canada's Foreign Affairs Minister Chrystia Freeland, will hold a dinner to mark the occasion. PHOTO.

Women win Montreal comedy title for 1st time

Women-In-Comedy

MONTREAL _ Comedy clubs are still male-dominated and if more women are to take their place in the industry, booking agents, audiences and fellow artists need to do more to encourage them to perform stand-up, comedian D.J. Mausner said Tuesday. Mausner, 22, and fellow comedian Courtney Gilmour became the first women to win the Just For Laughs Homegrown Comics title at the festival's recently concluded 35th edition. 550 words. By Giuseppe Valiante. PHOTO. Moves National and Entertainment; guard against duplication

Letter accuses college president of dishonouring school

College-President-Shaming

TORONTO _ A number of faculty and staff at a college within the University of Toronto are accusing their president of misrepresenting the school and shaming students in remarks made at an international

conference. Professors, librarians, past deans and the current registrar all signed the open letter criticizing David Mulroney, president of the University of St. Michael's College.

Many considering divorce change minds: study

Divorce-Study

EDMONTON _ A new study suggests many people contemplating divorce have a change of heart a year later. Researchers at the University of Alberta and Brigham Young University in Utah conducted an online survey of 3,000 Americans aged 25 to 50 who have been married at least a year. One out of four of the respondents said they had thought about divorce in the last six months. Moves National and Lifestyles; GUARD against duplication

Joe Fresh to expand into plus sizes

Joe-Fresh-Plus-Sizes

Mystery surrounds death of zoo polar bear

Mba-Polar-Bear-Dies

WINNIPEG _ Trauma is being cited as the likely reason for the death of a young polar bear at Winnipeg's Assiniboine Park Zoo last month, but what caused that trauma remains a mystery. The nearly three-year-old bear, named Eli, died July 15 after internal swelling of the tissue in his throat and neck interfered with his breathing.

N.S. court approves opioid lawsuit settlement

OxyContin-Lawsuit

HALIFAX _ Jayne Turner couldn't change an out-of-court deal in a lawsuit against the manufacturer of OxyContin on Tuesday, but she had her say before a Nova Scotia judge on how the prescription painkiller forever altered her life. "I lost a husband and everything he represented. ... All that could have been, never can be," the New Brunswick woman told Justice John Murphy, a few minutes before he ruled in favour of accepting a class action settlement of \$20 million to be paid by Purdue Pharma. Moves multiple wires; guard against duplication.

Local man trademarks county name

Man-Trademarks-County

Officials in an Ontario community say they're exploring all options to overturn a local man's trademark of their county's name. Michael Stinson caused a stir among government officials in Haliburton County last week when they learned he had successfully trademarked the name Haliburton.

York University to appeal copyright ruling

Access-Copyright-York

TORONTO _ One of Canada's largest universities says it will appeal a Federal Court ruling that found it was circumventing copyright fees in reproducing materials being handed out to students. Toronto's York University says its guidelines for materials used in course packs and online class supports, which were a focal point of the case, are meant to balance the needs of creators, publishers and consumers.

Halifax court muses about rights of pets

Pets-Rights

HALIFAX _ A Halifax adjudicator is lamenting that the law treats pets as chattels, musing aloud about a more perfect world in which they could be recognized as living, feeling creatures with rights and needs. Eric Slone, an adjudicator with Nova Scotia's small claims court, wrote wistfully about the nature of humans' relationship with their pets in a ruling that awarded custody of a nine-year-old, mixed-breed dog named Lily.

Census release likely to show fewer Canadians tying the traditional knot

Census-Marriages

MONTREAL _ After 37 years and three children together, Helene Gauvin says she and her partner Andre Jauvin have never gotten around to getting married. While the Montrealers have talked about it from time to time, they've always decided they're too busy or would rather spend their money on a great vacation. Census

data to be released Wednesday is expected to show fewer and fewer couples are tying the traditional knot. By Morgan Lowrie.

ALSO IN THE NEWS:

Bernier lost race but won fundraising

Conservative-Leadership-Fundraising

OTTAWA _ Maxime Bernier lost the Conservative leadership race, but he remained the top fundraiser right to the end. Newly released figures from Elections Canada show the Quebec MP raised \$426,329 in the second quarter of 2017, bringing his total fundraising results so far up to nearly \$2.5 million since he entered the race last year. PHOTO.

The day 546 soldiers were plucked from wreck

Letitia-Grounding-Anniversary

HALIFAX _ The SS Letitia was cutting through thick fog, its crew preparing to unload hundreds of wounded Canadian soldiers in Halifax's busy harbour, when the captain stepped onto the deck and saw a dark shadow looming. Capt. William McNeil knew instantly that the hospital ship, with its 546 injured soldiers and 137 crew, was heading directly into one of the treacherous shoals that line the entry way to the harbour. PHOTO. Moves Atlantic and National, please guard against duplication

Vancouver braces for heat wave, poor air quality

Heat-Wave

VANCOUVER _ Southern British Columbia is bracing for a troubling combination of a heat wave and poor air quality from wildfire smoke, prompting officials to take a number of extraordinary measures to keep residents safe. The city of Vancouver is opening cooling centres, installing misting stations in public parks and adding temporary water fountains. It is also providing water and sunscreen to homeless people and increasing staff to monitor those sleeping outside. PHOTO.

Language divides drinking practices in Montreal: study

Montreal-Drinking-Language

MONTREAL _ A new study suggests anglophone Montrealers drink more excessively than their francophone and allophone counterparts and that tipping habits are split along linguistic and cultural lines. The CROP survey commissioned for Educ'alcool, a non-profit that champions responsible alcohol consumption, indicates English-speaking Montrealers are harder drinkers than their francophone counterparts. 500 words. By Sidhartha Banerjee. PHOTO.

Start of new WestJet discount airline delayed

WestJet

CALGARY _ WestJet (TSX:WJA) says the launch of its new no-frills, low-cost airline won't be until next summer after initially announcing plans it would start offering flights later this year. The delay comes in part after the airline decided to switch to a lower-cost booking system, CEO Gregg Saretsky said Tuesday as the company posted its second-quarter results. Moves Business and National, guard against duplication. By Ian Bickis. 427 words. Moved.

Alberta bans off-highway vehicles in south

Alta-Wildfire-Prevention

EDMONTON _ Alberta is banning the use of off-highway vehicles on forested public lands in the southern half of the province due to the extreme threat of wildfires. The province is worried such vehicles could easily spark a fire in tinder dry trees and brush near communities south of the Red Deer River. 375 words. By John Cotter. AUDIO.

COMING LATER TODAY

CALGARY - Jason Kenney, who is running for the leadership of the United Conservative Party, is scheduled to make an announcement. Reporter Bill Graveland is staffing.

EDMONTON - We will have a short story on a University of Alberta study showing many contemplating divorce can quickly have a change of heart.

REGINA - Reporter Jennifer Graham will have a story on why the extreme dry conditions in Saskatchewan are causing power meters to catch fire.

AND FROM THE AP:

NEW & DEVELOPING

FBI DIRECTOR _ Senate votes begin at 6:15 p.m.

ONLY ON AP

LOCKED UP FOR LIFE-GETTING OUT _ Earl Rice Jr., jailed at 17 for a purse-snatching that took a woman's life, is one of dozens of juvenile lifers who've been released from prison since Supreme Court decisions gave them a shot at a second chance. By Adam Geller and Sharon Cohen. SENT: 2,480 words, photos. An abridged version of 1,120 words has also been sent.

LOCKED UP FOR LIFE-OTHER CASES _ HFR_ A Supreme Court ruling triggering new sentences for juvenile offenders serving mandatory life without parole is having a greater effect: Lawyers are using the decision to challenge lengthy sentences that include parole. Story moved in advance on July 28 for publication after 12:01 a.m. Wednesday.

TOP STORIES

VENEZUELA-POLITICAL CRISIS _ Venezuela's increasingly isolated government flouts international pressure and sends black-clad security agents to seize two of the most important opposition leaders from their homes in the middle of the night. Armed pro-government motorcycle gangs surround the opposition-controlled national assembly and hurl rocks at legislators. By Michael Weissenstein. SENT: 800 words, photos. UPCOMING: New approach of 900 words, photos by 4 p.m. With VENEZUELA-POLITICAL CRISIS-THE LATEST.

TRUMP-SENATE REPUBLICANS _ Day by day, Senate Republicans are edging away from President Donald Trump, defying his Twitter demands, wrecking his health care plans and ordering Russia sanctions he didn't want. They're losing respect and fear and it shows. By Congressional Correspondent Erica Werner. UPCOMING: 800 words by 4 p.m., photo. With: SENATE-FLAKE_Republican Sen. Jeff Flake, facing re-election next year, blasts President Trump in a new book. SENT: 550 words. UPCOMING: 700 words by 4 p.m., photo.

TRUMP-FOX NEWS-LAWSUIT _ A lawsuit against Fox News lays out an explosive tale of Trump allies conspiring to push a false story to distract from the Russia investigation, and a news organization willing to show the president its story before it was published. By Television Writer David Bauder and Jill Colvin. SENT: 450 words. Will be updated. 750 words by 5 p.m.

TRUMP-STOCK MARKET _ The stock market has never been higher, and President Donald Trump would like more people to pay attention. But a figure cited by the president Tuesday in a tweet was incorrect, and analysts say it would also be inaccurate to give Trump credit for the market's recent records. By Stan Choe and Marley Jay. UPCOMING: 850 words with photos by 5 p.m.

JORDAN-SEXUAL ASSAULT _ In a vote hailed as a victory for women's rights, Jordan's parliament scraps a provision in the country's penal code that allows a rapist to escape punishment if he marries his victim. The narrow repeal comes after years of campaigning by activists trying to change entrenched views in a conservative society where rape victims are often stigmatized. By Alice Su. SENT: 500 words, photo. UPCOMING: New approach of about 750 words by 3 p.m., photo.

LOS ANGELES-11 YEARS _ Los Angeles faces the longest Olympic preparation cycle in history _ 11 years that could see different political leadership, economic upturns and downturns and infrastructure changes. Will Southern Californians of 2028 have any interest in the Olympics that the area agreed to host more than a decade earlier? Mayor Eric Garcetti shrugs off the gamble, seeing the wait to 2028 as an advantage for organizers. By Michael R. Blood. UPCOMING: 750 words by 6 p.m., photos.

WHAT WE'RE TALKING ABOUT

TRUMP _ Trump says he'll stay on social media. SENT: 240 words. photo.

RUSSIA-COURTHOUSE SHOOTING _ Russian officials say five defendants at a Moscow courthouse attacked their guards in a bungled escape attempt, leading to a shootout that killed three people and wounded five others. SENT: 315 words, photos.

BODY IN FREEZER _ A prosecutor alleges a man stored his girlfriend's body in a freezer while another woman helped him and assumed the dead woman's life. SENT: 280 words.

PIEROGI FESTIVALS FIGHT _ A Pennsylvania celebration of a popular Polish treat is embroiled in a food fight over the use of the name "Pierogi Festival." SENT: 130 words. UPCOMING: 400 words by 2 p.m., photos.

CALF-GENE SIMMONS _ Texas calf has black, white face like rocker Gene Simmons. SENT: 140 words. UPCOMING: Photos.

WASHINGTON & POLITICS

FBI DIRECTOR _ Senate votes on confirmation of Christopher Wray to be FBI director. SENT: 380 words. UPCOMING: 400 words by 7 p.m., photo.

CONGRESS-AIR TRAFFIC-SULLY _ Congressional opponents of privatizing air traffic control rely on a flying ace to make their case _ the hero of the Miracle on the Hudson, retired Capt. Chesley "Sully" Sullenberger. SENT: 880 words, photo.

NATIONAL

ILLINOIS SCHOOL FUNDING _ Illinois Gov. Bruce Rauner uses his veto power to strip millions of dollars for Chicago Public Schools from a school funding overhaul, a move that could mean no districts get state money before classes begin and give the state a new fiscal crisis to deal with. SENT: 775 words, photos. May be updated.

SEPT 11 ATTACKS-LAWSUIT _ Saudi Arabia says it should be dropped from a Sept. 11 lawsuit victims' families filed because no evidence links it to the terrorist act. SENT: 130 words. UPCOMING: Developing.

KANSAS CITY KILLINGS _ Kansas City already was marching toward its worst homicide year in decades when three men were slain in separate shootings over four hours last month, the bloodshed putting the city on the defensive and leaving officials _ like those in cities nationwide _ grasping for answers as the homicide rate soars over last year. UPCOMING: 950 words, photos.

POLICE SHOOTING-ST LOUIS _ Video from a police dashboard camera and witnesses, along with DNA evidence, are expected to play a big role as a white former St. Louis officer goes to trial for killing a black suspect in 2011. SENT: 510 words, photo. UPCOMING: Trial begins at 10 a.m.

SEA LEVELS-GHOST FORESTS _ They're called "ghost forests" _ dead trees along vast swaths of coastline invaded by rising seas, something scientists call one of the most visible markers of climate change. The process has occurred naturally for thousands of years, but it has accelerated in recent decades as polar ice melts and raises sea levels, scientists say, pushing salt water farther inland and killing trees in what used to be thriving freshwater plains. SENT: 820 words, photos.

INTERNATIONAL

NKOREA-GETTING WHAT IT WANTS _ North Korea has been condemned and sanctioned for its nuclear ambitions, yet has still received food, fuel and other aid from its neighbours and adversaries for decades. How does the small, isolated country keep getting what it wants and needs? SENT: 940 words, photos. Also see NKOREA-MISSILE below.

PUERTO RICO-MEDICAL MARIJUANA _ Puerto Rico is joining more than two dozen U.S. states in pinning a little of its future on medical marijuana. The territory legalized medical marijuana by decree nearly two years ago and new Gov. Ricardo Rossello has signed a measure setting out a legal framework for the industry. SENT: 830 words, photos.

BUSINESS

APPLE-AUGMENTING REALITY _ Apple is getting ready to use iPhone cameras as an entryway into the strange world of augmented reality, taking the trend-setting company down an avenue that could usher in a new era in technology. UPCOMING: 400 words by 5pm, 600 words by 6 p.m., photo

ARTS & ENTERTAINMENT

OBIT-SAM SHEPARD-A LIFE _ Despite his movie star status, Sam Shepard preferred to keep to himself, and the announcement that the actor-playwright died last week at age 73 took some of his co-stars, including Matthew McConaughey, by surprise. By National Writer Hillel Italie. SENT: 1,350 words, photos, video.

SPORTS

BOLT SPEAKS _ Whether he sambas off the stage or guarantees another victory, Usain Bolt makes his news conferences must-see events. The Jamaican sprint great holds court three days before he competes at his final world championship. By National Writer Eddie Pells. UPCOMING: 700 words, photos by 4 p.m.

TOP STORIES:

PM 'regrets' Indigenous comments in Rolling Stone

Trudeau-Rolling-Stone

VANCOUVER _ Prime Minister Justin Trudeau says he "regrets" comments he made about Sen. Patrick Brazeau in Rolling Stone, but an Indigenous advocate wants him to express his remorse in a letter to the popular U.S. magazine. Trudeau told Rolling Stone in a story titled "Justin Trudeau: The North Star," that his choice of Brazeau as an opponent in a March 2012 charity boxing match "wasn't random." Brazeau is from the Kitigan Zibi Anishinabeg First Nation in Quebec. PHOTO. Camille Bains.

PM, Vancouver mayor talk housing, **transit**, opioids

Trudeau-Vancouver

VANCOUVER _ Housing, **transit** and the devastating opioid crisis were the main topics of conversation Tuesday between Prime Minister Justin Trudeau and Vancouver Mayor Gregor Robertson, but talk of a controversial pipeline expansion was absent. Speaking later outside city hall, Robertson appeared unfazed that the Kinder Morgan pipeline wasn't on the agenda, even though he has described the approval of the Trans Mountain pipeline project as a "big step backwards" for Canada's environment and economy. PHOTO. VIDEO. By Geordon Omand.

Vancouver braces for heat wave, poor air quality

Heat-Wave

VANCOUVER _ Southern British Columbia is bracing for a troubling combination of a heat wave and poor air quality from wildfire smoke, prompting officials to take a number of extraordinary measures to keep residents safe. The city of Vancouver is opening cooling centres, installing misting stations in public parks and adding temporary water fountains. It is also providing water and sunscreen to homeless people and increasing staff to monitor those sleeping outside. PHOTO. By Laura Kane.

B.C. wildfires destroy over 300 buildings

Wildfires-BC

KAMLOOPS _ Wildfires have destroyed more than 300 buildings across British Columbia as smoke creates visibility problems for crews expecting to fight more fires in the coming days, officials say. The lost structures include 71 homes, 116 outbuildings such as sheds and barns, and three commercial buildings, said Robert Turner with Emergency Management BC. Another 115 destroyed buildings have yet to be identified. PHOTO. Moves National and Prairies/BC, guard against duplication.

ALSO IN THE NEWS:

Commissioner orders hearing into officer's actions

Police-Hearing

VANCOUVER _ British Columbia's police complaints commissioner has ordered a public hearing into the actions of a Vancouver constable over a complaint of abuse of authority. A Vancouver man contacted the commissioner saying he believed police entered his home unlawfully after he found a man in his laundry room in November 2015. Brief.

Mountie charged after collision near Vernon, B.C.

Mountie-Charged

VICTORIA _ A Mountie has been charged following a collision with a motorcycle near Vernon, B.C. The BC Prosecution Service says a charge against Const. Megan Valenta for driving without due care and attention has been sworn in provincial court.
