Subject: Celebration of an Indigenous Learning Partnership

Sent on behalf of Dr. Ralph Nilson, VIU's President and Vice-Chancellor and Dr. Sharon Hobenshield, Director of Aboriginal Education and Engagement

We are pleased to invite you to a community celebration and feast to learn about an educational initiative that creates new opportunities for Indigenous communities to partner with Vancouver Island University. This learning partnership for Indigenous youth, takes an innovative approach, based in a collaborative culture of learning that involves Indigenous communities, post-secondary institutions, funding partners, and students, to build educational experiences that are relevant to and supportive of Indigenous learners.

With the support of the Rideau Hall Foundation and the Mastercard Foundation, the partnership was created as a direct response to one of the key recommendations in Canada's Truth and Reconciliation Commission's final report - that educational institutions take a lead role in supporting and furthering the process of reconciliation between Canada's Indigenous and non-Indigenous peoples.

At the all-day celebration, you will hear from students, community, post-secondary and government leaders as well as dignitaries from across Canada, about the program's holistic approach - which will put both academic and cultural supports in place for Indigenous learners, increasing access for Indigenous youth to post-secondary education and employment opportunities. There will also be opportunities to ask questions and provide feedback.

We look forward to celebrating with you.

Date: September 20, 2017
Time: 9.30 am - 4 pm (feast will start at approximately 12.30)

Location: Shq'apthut, VIU's Aboriginal Gathering Place, Bldg 170

RSVP: Please reply to this meeting invite by Wednesday, September 6, 2017

Right now, the easiest way is to go through the PDF Expert app then select "eBinder" if you have WIFI access or "Synced Folders" if you do not. We can look into putting a direct link on your home page when you have your iPad in the office next week.
