Hello Christine,

Thank you for your email. The NEXT Leaders are a network of several hundred young professionals. It will depend on when the roundtable discussion is scheduled and their work commitments which of them will be able to join us. We find the best availability is when we are able to schedule these discussions between 12:00 pm and 1:30 pm. We would expect a turnout of 40-50 attendees and would provide their names and affiliations to you in the days leading up to the event. However, as an example, the NEXT Leaders are meeting with a prominent speaker on May 30th. We have NEXT Leaders attending this discussion who are employed in a number of departments at the Port of Vancouver, managers from FortisBC, a Vice President from a professional association, a partner from KPMG, principals from professional consulting firms, lawyers, and other professionals from technology and telecommunications companies, etc.

I hope that helps provide you with a sense of the composition of the NEXT Leaders' Council.

Please let me know if you have any additional questions.

Subject: RE: Requesting Min. Robinson for speaking engagement at the NEXT Leaders Council

Hello Lisa,

Thank you for your follow up questions regarding the invitation from the NEXT Leaders' Council (via our incoming Chair, Ted Lau, CEO of Ballistic Arts Media Studios) to Minister Robinson.

We believe this would be a unique opportunity for Minister Robinson to engage with approximately 40-50 emerging leaders from all sectors of the BC economy and to speak about the provincial government's 30 point plan for housing affordability. The NEXT Leaders have previously met with Dr. Paul Kershaw, Founder of Generation Squeeze for a roundtable discussion on affordability and this is certainly a topic on the minds of our members. For your convenience, I've attached a backgrounder to help familiarize you with the NEXT Leaders and the kinds of events and policy discussions the group holds.

We are flexible regarding a date to host Minister Robinson and could look at dates in June, once the Spring Session of the Legislature has concluded. We find we have the best turn out when we host roundtable discussions during lunch, most often 12:00 pm - 1:30 pm. The venue would be the boardroom of the Business Council of British Columbia, located at Suite 810, 1050 West Pender Street, Vancouver or possibly a larger boardroom in the downtown Vancouver core.

Let me know when would be a good time to chat about dates that Minister Robinson will be in the Lower Mainland and could meet with the NEXT Leaders.

Please let me know if you have any questions.

Kind regards,

Hello Minister and team,

Happy Monday. I wanted to check in on my request from October. Can you please advise when this email can be addressed?

The NEXT Leaders Council would be thrilled to have the Minister come speak to our group of leaders, who will be in the next leaders at the BC Business Council.

It would be great to hear her perspective on the issues that matters like housing, and share with her some of our insights. It would be a great opportunity for her to glean some feedback from our group.

See below. When would there be availability in Minister Robinson's schedule?

Thank you,

Hi Selina and team,

Happy Tuesday. I was texting with Selina last week about her being a potential speaker at the NEXT Leaders Council in Spring of 2018. She requested that I send a formal message through this email address.

As mentioned in our text last week, I'm one of the steering committee members at NEXT, which is part of the BC Business Council. We provide young professionals in the business world opportunities to connect with one another, learn about what's going on in various sectors of the province, and influence public policy.

We have events typically twice a quarter. Each event will have a little bit of networking and then a keynote speaker addressing our audience. It's a great opportunity for leaders in government and industry to engage with our membership.

We'd like to invite Minister Robinson to come and speak at one of our events in the spring - perhaps after the budget comes out. I've cc'd Tara and Cheryl from the BC Business Council. They're our super support staff who will help make things happen, should the Minister be available.

Will you be willing and available to speak at one of our events this spring?

Thank you for your time,

ted.

Hi Chrissy,

Please see the attached meeting request. I have been asked to set this up as a joint meeting with your Minister in late May/June. May is booked pretty solid already for MSF. I'm wondering if your Minister would be in Victoria on June 12th and perhaps we could do a meeting at 3:00 pm? We could also do June 13th, at 1 pm? Let me know your thoughts?!

Hello,

The Mayor of Castlegar is trying to get a hold of the Minister asap in regards to ^{s.16}

MSR does not have time or the background on this to have a quick conversation, so she has requested that ADM Faganello give him a call today to touch base.

Can you please advise when this may be able to happen, as well, have Tara touch base with our office after the call?

Thank you, his cell is: 250-365-9794.

Hello Michelle,

It would be ideal to have members in person for both June sessions. We have a facilitator who will be leading members through the strategic planning session and it is challenging to facilitate an interactive conversation in two locations. I believe our preference would be to have members in person. That said, there may be some staff who will be supporting from s.15 so if it is not possible for members to attend in person they may be able to participate from s.15

I think we need to advise this to attendees and if they unable to make it to s.15 , provide reasoning etc for MSR approval.

Hey Matt,

Adam and some people interested in the building code were having a lunch at the Leg dining room yesterday and Minister Robinson said she would be interested in having a meeting with them. Can I set this up through you or would you like their contacts directly?

I imagine the Minister's schedule is quite busy but for what it's worth I felt I should highlight Adam's availability. Currently he has an opening at 3 or 5 on May 28, 3pm on May 29, or 12-1 on May 30 or 31. If those don't work then I have June 14 as a possible day (anytime outside of 1-2). After that we're looking at mid-July.

Good afternoon,
I am writing to request a meeting with Minister Mungall for UVic President Jamie Cassels. Professor Cassels would very much appreciate 15-30 minutes of Minister Mungall's time to offer thanks and seek support with respect to student housing. We recognize that Minister Mungall's schedule is likely very challenging, however we are hopeful that this meeting could take place before the middle of June. We will certainly do our best to accommodate Minister Mungall's availability; as a starting point the week of June 4th looks promising.
I have copied President Cassels' Executive Assistant Shari Winter who will be pleased to assist with scheduling. Shari can be reached at 250-721-7002 or presadmn@uvic.ca.

Hi Christine,

MLA Routley would like to set up a meeting with Minister Robinson in regards to affordable housing in Ladysmith. The attendees are a group who represent the Ladysmith Seniors Centre Association, who operate a soup kitchen and cold weather shelter. They have a proposal for affordable housing. Would this be possible?

Good morning Diana,

Thank you for your patience while we reviewed the below requests.

I understand that Craig has reached out to you regarding the BC Coalition to End Youth Homelessness meeting today so I was hoping to touch base on the potential Luncheon and tour.

We are currently trying to review and see what locations the Minister will be during the summer break so we can better decide on a date and time that works for everyone. Once I have that I will touch base with you. I did receive confirmation that we are in fact aiming for the end of June/Beginning of July.

I will get back to you on this at my earliest opportunity. I think we will have a better idea after the first week of June.

Also, unfortunately Minister will not be in Victoria of Thursday the 7th, apologies.

Subject: Invite: Luncheon Meeting with Housing Central and More

Good morning Christine,

I had the opportunity to chat with the Minister and Matt at LMLGA last week and I raised the potential of having the Minister attend our Housing Central Office for an informal luncheon and tour of our space, and a subsequent short meeting with our executives to share our appreciation for the investments the government has made in affordable housing and how our next steps will further assist the Minister and her team.

Housing Central is a collaboration of organizations in the community housing sector, co-located together to provide an opportunity to maximum efforts on behalf of our collective memberships and stakeholders.

Located in the second floor of the Il Mercato plaza located at 220-1651 Commercial Drive (just above MLA Melanie Mark's office), collectively Housing Central is the home to just over 100 employees, working for the following organizations:

BC Non-Profit Housing Association www.bcnpha.ca

Co-op Housing Federation of BC www.chf.bc.ca

Co-op Housing Federation of Canada (BC Office) www.chfcanada.coop

Coho Property Management <http://www.coho.bc.ca>

Community Land Trust Foundation <http://www.chf.bc.ca/partner/the-land-trusts>

Encase Financial Inc. <https://encasa.ca>

1. I understand that the Minister, or her representatives, may be attending our office next Wednesday, for a meeting of the BC Coalition to End Youth Homelessness (who is using our space). If so, it would be wonderful to have a few moments for Jill Atkey and Thom Armstrong to have a brief meeting to say hello and share their regards.
2. Matt suggested a day in late June or early July might work for the luncheon and tour and I should coordinate with you. Are there some specific dates that might work in the Minister's calendar?
3. On a personal note, I am speaking at the Co-op Housing Federation of Canada's annual conference in Victoria on Thursday, June 7th from 2-4pm. I recognize that the house is not sitting at that time, but if the Minister is in Victoria that day, perhaps there is an opportunity for lunch or dinner?

As always, her assistance is always appreciated Christine!

Hi Lisa,

I'm following up our invitation to have a representative from Minister Robinson's Office join other senior decision makers in government and the non-profit sector at our June 14 Accessible Housing Roundtable to discuss where we're at, what we have learned and how best to focus our remaining time for this pilot, since we're already nearing our halfway point.

Major challenges include the extremely tight inventory & low turnover rates in subsidized accessible housing. We are also working on developing detailed, municipal-level needs profiles. Questions include how best we can help housing providers, planners and other decision makers address the supply/demand imbalance, how to ensure the best utilization of available resources and whether there are partnerships, opportunities or synergies that we should be pursuing.

We'd love to have a representative from Minister Robinson's office join us in this dialogue so please let me know who will be attending (I've copied the invitation details below).

Hi Matt,

Accompanying Adam would be Robinson Smith (President of Smith Consulting Group Ltd), Mark Marley (President of Mahoe Properties) and Karen Kehler + Denise Clowater (both of Affordable Housing Alternatives).

The subject would be around changes to the building code. Specifically in regard to Tiny Homes.

Thanks Matt. Let me know if the 28th is confirmed and I'll send out invitations.
Cheers,

Aldous

Hey Aldous,

I think we can swing something for 5PM on the 28th. Can you tell me more about who would be accompanying MLA Olsen and what the topics of discussion would be? That way we can have the right staff and materials on hand. I'd also cc'd our Administrative Coordinator on this email.

Subject: Request for meeting with the Minister

Hey Matt,

Adam and some people interested in the building code were having a lunch at the Leg dining room yesterday and Minister Robinson said she would be interested in having a meeting with them. Can I set this up through you or would you like their contacts directly?

I imagine the Minister's schedule is quite busy but for what it's worth I felt I should highlight Adam's availability. Currently he has an opening at 3 or 5 on May 28, 3pm on May 29, or 12-1 on May 30 or 31. If those don't work then I have June 14 as a possible day (anytime outside of 1-2). After that we're looking at mid-July.

Thanks Matt!

Good afternoon,

MLA Linda Larson needs to meet with the Minister on Monday, May 28th when everyone is back in Victoria to discuss issues regarding flooding in her riding.

She would like to discuss the issue of housing for residents in her riding that have been displaced by flooding who may need long term solutions while they clean up and rebuild.

As session days are busy, we will accommodate any time that the Minister has available that day for a meeting. Should the Minister want to talk to MLA Larson before then, her cell number is s.17

Please see the attached meeting request. I have been asked to set this up as a joint meeting with your Minister in late May/June. May is booked pretty solid already for MSF. I'm wondering if your Minister would be in Victoria on June 12th and perhaps we could do a meeting at 3:00 pm? We could also do June 13th, at 1 pm? Let me know your thoughts?!

Hi again,

Just wanted to clear up a few things.

HWG only has 2 more meetings this summer, June 6 and 26.

Also, although s.15 will be available, you would still need to get approval from the chair to use it.

Good afternoon Minister Robinson. I wanted to follow up directly with you after our conversation about the BC Budget 2018. I'd like to request a meeting with you as soon as you have time, preferably here at your regional offices.^{s.22}

First, thank you for the personal call and follow up on the budget.^{s.22}

s.22

With that being said, I've had meetings with Shayne Ramsay AND the newly formed Housing and Infrastructure Executive Director, Gary Merkel. It is an interesting, yet complicated journey. And we look to support more housing for our Indigenous peoples, by our Indigenous peoples.

As you and I conversed, any solutions must be led and driven by Indigenous for Indigenous. Of course. As you are well aware, the jurisdictional dichotomy that divides us as a peoples is only one hurdle to effective solutions.

We at AHMA have nearly 25 years of evolution in leadership and administration of the urban rural and norther Housing sector (jurisdictionally referred to as off reserve). Founded in grassroots from the more than 50-70% of our Indigenous peoples who are dispossessed from their home communities. As such, we look forward to taking on a more effective leadership role in any and all Housing that is focused on our indigenous peoples across BC.

s.13

There are other steps and actions that may be better defined in a face to face meeting, and perhaps in relation to your suggestion about taking a step back and reevaluating the framework for delivery of indigenous programs.

Either way, I would love to have a sit down with you at your earliest convenience. Thank you for all your great work and leadership, these are exciting and challenging times and AHMA stands ready to demonstrate our leadership with you.

T'oyaxsut nüün, Thank you!!

Thanks.

A couple of questions before we proceed:

1. Could you confirm or find out if there has been any outreach from your office to the DMO/ADM and BCH on whether they recommend meeting with this group (what do they want to discuss; are there any issues to flag; what is their history with government, do they have funding requests or outstanding issues with government - MAH, at BCH or MCFD?). Because this is not just about media – it's a meeting with a stakeholder that happens to present an opportunity for the minister to do some follow-up media while in town, my preference is that these types of requests go from your office to the DMO (asking for a recommendation) and GCPE (me and Kate) at the same time so we can coordinate and divvy up the labour.
2. Are there specific dates in mind already?

Anyone who has different thoughts about general process, please weigh in.

Hi ladies,

We have been in communication with Patti MacAhonic from Ann Davis Transition House. She would like to do a meeting and a tour of a few noted transition homes. This has now been flagged for GCPE to "take over". I can get more information if you are not sure the reasoning for that but I think there is common interest for an event we can tie in possibly?

Please find attached the completed meeting request. I am available after March 22nd when I return from holiday. I am proposing tours to both the Transition House and the new Women's Shelter. A quick tour onsite at our admin and counselling office with an hour or 45 min lunch and Q & A for our front line counsellors. 4 hours should be more than enough and I can do up a proper briefing for the Minister once we have a date confirmed.

Hi Jodie,

I wanted to give you a heads up that Minister is up for the next 3 days debating bills, therefore, may have to be in the house at this time.

She would like SHARE to still proceed with the meeting as her staff will be here to meet with yourself and Clair – I think she will do her best to be here for all or part of the meeting.

Thank you, if you have any questions or concerns, please feel free to contact me.

Thank you,

Hello Sarah, Christine and Emily,

I am writing to get some assistance in setting up a meeting with Selina, Judy and Kat while the house sits in May. I will be coming to Victoria in my capacity as Director of Programs and Services at SHARE along with our CEO Clair MacLean to provide information about the social services we provide in the Tri-Cities and our needs from a broader Community Development lens.

I can appreciate how hard it is to coordinate the Minister's schedules so we are hoping that by us travelling to Victoria for a day it would make it easier to accommodate. I am happy to provide any other information you may need; please feel free to give me a call if necessary.

Thank you so much for your help!

Hello,

We are up for Committee Stage in the Birch Room, Rental Zoning LP 820, Bill 23. I will know more by noon around timing. We are up Second so I am just waiting to hear how many speakers are up for the bill prior to ours and will update you at that time.

As for this afternoon, we need to move MSR BRIEFING: UEL Cliff Erosion to Friday via T/C from 3-3:30.

We are holding 5-6 in the calendar as there is an urgent Minister meeting on Flooding in the province (don't know if JD may need to attend, finding out more now)

I am hoping that we make it through UBCM Exec briefing this afternoon then go into committee stage after so we will leave that as is scheduled for today.

Will look back as soon as I know more.

Happy Monday ☺

Hear our poverty reduction plans to create caring communities

Dear Minister Robinson

UFCW 1518 represents some 22,000 members across British Columbia in the retail, industrial and community health sectors. We improve quality of life for our members and their communities by standing together to fight for fairness.

UFCW 1518 members will be in Victoria on May 15, 2018, to meet with MLAs in order to discuss poverty reduction strategies that will help create more caring communities. Working together we can improve the lives of our most vulnerable community members in critical areas, such as rental housing, health care, health and safety on the job and workplace fairness.

I hope your busy schedule will allow you to meet with our members. Stefan Nielsen from our office will be following up to schedule a meeting at your convenience.

Good afternoon Minister Robinson. I wanted to follow up directly with you after our conversation about the BC Budget 2018. I'd like to request a meeting with you as soon as you have time, preferably here at your regional offices s.22

s.22

s.22

With that being said. I've had meetings with Shayne Ramsay AND the newly formed Housing and Infrastructure Executive Director, Gary Merkel. It is an interesting, yet complicated journey. And we look to support more housing for our Indigenous peoples, by our Indigenous peoples.

As you and I conversed, any solutions must be led and driven by Indigenous for Indigenous. Of course. As you are well aware, the jurisdictional dichotomy that divides us as a peoples is only one hurdle to effective solutions.

We at AHMA have nearly 25 years of evolution in leadership and administration of the urban rural and norther Housing sector (jurisdictionally referred to as off reserve). Founded in grassroots from the more than 50-70% of our Indigenous peoples who are dispossessed from their home communities. As such, we look forward to taking on a more effective leadership role in any and all Housing that is focused on our indigenous peoples across BC.

s.13

There are other steps and actions that may be better defined in a face to face meeting, and perhaps in relation to your suggestion about taking a step back and reevaluating the framework for delivery of indigenous programs.

Either way, I would love to have a sit down with you at your earliest convenience. Thank you for all your great work and leadership, these are exciting and challenging times and AHMA stands ready to demonstrate our leadership with you.

Hi,

I still have not found coverage for today for Minister Trevena. She agreed to provide coverage for Minister Mungall's Little House Duty and now she is looking for coverage because she is now supporting MAH at P&A.

She is looking for Little House coverage from 3:45-4:30. If anyone is in the big House during this time and is willing to switch Houses please let me know.

Best Regards,
Lindsey

Honourable Selina Robinson

Selina Robinson was elected as the MLA for Coquitlam-Maillardville in 2013 and re-elected in 2017. She is the Minister of Municipal Affairs and Housing.

Selina served as the Official Opposition spokesperson for mental health and addictions, seniors, local government and sports.

Born and raised in the suburbs of Montreal before relocating to Richmond B.C. with her family, Selina has been actively engaged in the Coquitlam community since moving there more than 20 years ago.

As a former city councillor, Selina fought to protect the health of children and families by introducing a local ban on cosmetic pesticides, and worked to improve access for people with disabilities as chair of the Coquitlam Universal Access-Ability Advisory Committee. Prior to being elected, Selina had a home-based family therapy practice, was the Director of Development for SHARE Family and Community Services and was a Counselling Instructor and Program Developer at the University of British Columbia's Life and Learning Centre and Vancouver Community College. Selina lives with her husband Dan in the Ranch Park neighbourhood of Coquitlam-Maillardville, where they raised their now adult children, Aaron and Leya.

As a cancer survivor, Selina does the annual Ride to Conquer Cancer alongside her husband and they have raised more than \$500,000 with team Way Hey! Hey! over the past 8 years. When she is not working or training for the ride Selina can be found in her garden or in a kayak.

Good afternoon Heidi, it looks like Minister Robinson will be up for second reading of Bill 23 this afternoon. This will probably happen when she is in treasury Board. Just giving the heads up as she may need to be excused for a little bit!

Thanks

Hi all,

I received clarification from Vanessa re: the following:

Second reading tomorrow (May 8th), with committee and third reading on Thursday (May 10th).

Ana – we'll require the passes for Eric and Lesley for committee stage on Thursday.

Thanks everyone, Lynne

As of just now, both bills are listed on the Orders of the Day for today, but I suppose that doesn't mean they'll necessarily happen today, if the earlier items take up all the allotted time.

Subject: Request for floor passes for committee stage

Ana,

We anticipate that there is a chance that the Bill 18 (Local Government Statutes (Housing Needs Reports) Amendment Act, 2018) and Bill 23 (Local Government Statutes (Residential Rental Tenure Zoning) Amendment Act, 2018) could go to second reading as early as Monday, May 7th.

Therefore ministry staff may need to have floor passes possibly as soon as Tuesday, May 8th for committee stage

Could you please make a request to the MO (through the DMO) for floor passes for the following ministry staff in yellow highlight below:

Jessica Brooks (already has a named pass)

Jennifer Hill (already has a named pass)

Eric Nicholls (will need an unnamed floor pass)

Lesley Scowcroft (will need an unnamed floor pass)

Also, if you could confirm for us where the passes should be picked up that would be great!

Thanks so much! Lynne

Subject: FW: Minister available on May 25?

Hi Christine,

Any chance you can check whether ADM Greg Steves or someone else from housing can hold time to attend the event below as ministry reps?

Background:

The Premier's Chinese Canadian Community Advisory Committee (CCCAC) will be having their first substantive meeting on May 25th. Their role is to advise the Premier, via Minister Chow, on the community's reaction to various government policies and proposals. Two of the items they would like to start by discussing is housing and childcare.

- 1) Can we chat about having your ministry staff bring together materials for the CCCAC meeting on May 25? This would look like a recap of the budget pieces, and any interesting new pieces that have been announced since then. In short, a briefing followed by a facilitated discussion. The total time for both the presentation and discussion would be 20- 25 minutes.
- 2) Does MSR have any availability on the afternoon of May 25? MGC has requested that the Minister for Housing and PS for Childcare be there if possible. The meeting is scheduled for 90 minutes on the afternoon of May 25. We have not set the exact time so we can move it around if she has any availability that afternoon, and of course she would not need to attend the entire meeting. Even if she could just pop in to say hello that would be great, BUT that is more difficult than it may sound as this meeting takes place at the Vancouver Cabinet Office.

I'll let Craig determine next week what kind of materials we'll be requesting (if any).

And I've informed the organizers that MSR can't make it on May 25 as she has a fully-booked day.

Thank you!

Subject: BC Coalition to End Youth Homelessness Meeting: Attendance Requested

Dear Government Partners,

Today I am reaching out for your support on a significant issue that we can and must address in British Columbia: Youth Homelessness. I am also requesting that you or a senior representative of your Ministry join us on Wednesday, May 23rd in Vancouver to participate in our first in-person meeting as a first step in ending youth homelessness. We are asking for each of 10 key Ministries to identify a senior representative (Minister, Deputy Minister, ADM) to join youth, service providers and representatives from other Ministries for this provincially-supported event.

s.22

s.22

The need is urgent and we must respond as we all have a responsibility and role to play in ensuring every youth has a way home. If one government ministry takes on the role of mom and dad, we need all the other ministries to be aunties and uncles, community to be sisters and brothers, and the private sector to be cousins. We need to be family for those youth who have none. Young people are dying without a home and there is an urgent need to develop the services they need to be successful. s.22 the change that can be made when young people's potential are invested in, they will dedicate their lives to making a difference in others' lives. Youth with lived experience have the solution and we need you to listen.

In 2017, we founded BC Coalition to End Youth Homelessness which now includes more than 25 agencies from across BC and is growing every day to ensure geographic and service diversity and Indigenous representation. Our purpose is to develop a provincial plan to end youth homelessness with strategies for prevention, supports, housing, and information-sharing.

In February 2018, I had the opportunity to meet with Minister Robinson and Minister Simpson to share our strategy to develop a provincial plan to end youth homelessness. Funding was provided with the assistance of the Homeowner Protection Office, branch of BC Housing, to support us to bring together youth, BC communities, and inter-ministerial government partners to co-create priorities for a provincial plan to end youth homelessness. Please see details and deliverables on our attached one-pager.

Hello Minister,

Here is the agenda for the COQ Housing Forum. They are proposing June 19, 20, 21 or June 28. The only days that would work for you are June 19th or 21st (19th is clear, we could move HWG Pre-Brief Call on the 21st though as well).

As laid out below, they would like you there in the morning as the Keynote Speaker. There is a breakdown morning and afternoon sessions which I think you can decide if you would like to stay for.

If you would like to have a quick review and let me know what day you would prefer I will coordinate from there.

Thank you,
