This announcement demonstrates the government's commitment to addressing this crisis.

The Minister is aware of the need in our community and how important this investment is to the Sunshine Coast.

Let me know if these are ok.

Hey Nicholas,

Attached is our draft press release for the Sechelt modular housing. If you want to send a few quotes my way we'll get them in with the press release.

My apologies that this is coming on a tight deadline. If you'd be able to send those quotes in the next couple hours it would be greatly appreciated.

Thanks,

Matt Djonlic
