Hi Bowinn,

Below is some more info on Rail-Volution. Wanted to also clarify that this is hosted by TL.

*In Sept 8-11, TransLink is hosting a land use/transportation conference called [Rail-Volution](#). **We've heard this is the premier land use/transportation conference in North America.** The conference is being held in Vancouver - the first time outside of the U.S. TransLink and City of Vancouver are co-sponsors. The name is a misnomer – housing and transportation practitioners, advocates, and policymakers all attend this conference. Expect over 1,000 participants.*

Hi Bowinn,

Daniela is wondering if you would like some key messaging or any other materials for the podcast with Rail- Volution?

Daniela said you will be speaking in both your role as MLA, role related to ridehailing, PS for Translink, and general around your values in relation to public transit and creating complete communities.

Also, is it okay for the Rail-Volution folks to call you on your cell? It would be more convenient for them. Let me know.
