Hey was MMF okay with Councillor Pollock speaking at the housing event if we went ahead for a July date?

Have you asked mayor west if he's ok with that? Mmfs strong preference would be to do it when the mayor is there

If Mayor West is okay with it can we proceed with July? Sounds like MMF really wants him there. Honesty if we have to do this early September it's okay.

Delivered

Early September sounds best. But yes if mayor west is ok MMF will be fine

Would a meeting with BCCPAC and a CGG manager be helpful? The CGG staff feel there are a number of issues here that would be better suited to explaining directly to BCCPAC.

They would then provide us a summary of the meeting.

Yes! Totally! Give me one sec to run it by her.

Sure. I'll wait to hear back from you before asking them to reach out.
