Hi Nicole,

I've got someone from GCPE wondering if we know of someone who still needs to book hotel rooms for UBCM as they have a row that they will not be needing and would benefit from having it reassigned as opposed to just cancelling it (there might be costs to cancelling).

Thoughts?

BMO is currently doing updates to their system and as a result, the Daily Cash Advance amount on your BMO Travel card has been reduced from ^{s.17} **temporarily**. I will follow up with another Email next month once it is back to the ^{s.17} allowable amount.

So if you need to use this option for your government travel in the next few weeks, ^{s.17} is the maximum allowed.
