Hey Ronna-Rae, Matt in Minister Robinson's office here. Wanted to let you know we've had to delay the Osoyoos event now. But just wanted to reach out to thank you as we really appreciated your willingness to do it last minute! Have a good weekend!

Kk. Thanks for letting me know. Back to plan A from my end. Have a good weekend yourself!

Just saw that you called. Assume it was what you texted me about

Yup. It was about that.
