Hello Craig,

Happy New Year! Hope you were able to have some quality time with family over the holidays. Just picking up where we left off in 2019, can you please confirm that MSR will be speaking on behalf of the province and I'll just be attending without a speaking role at this one?

Thank you,

Hi Bowinn,

Attached is an event pitch plan to announce the extension of the U-Pass BC program. We'd like you to announce this on behalf of government in your PS role. It would be at VCC, one of the institutions whose student association has been most active on this. I chatted with Mack earlier today to identify what might work for your schedule. Let me know if you have any comments. If you agree to it, we'll move this forward and confirm with your office on the date and time.

Hi Bowinn,

See attached for the Canada Line event. Since you are speaking at the event it would seem to make more sense to use a quote from you – can you take a look and let me know if you're okay with this? SNs and QA will follow when prepared.

Thanks,
Craig

Good afternoon, Balbir. Your email was redirected to me from the gmail account you sent this to.

As the concern is of a highly operational nature, I recommend sending this in to TransLink directly:
<https://new.translink.ca/feedback>

Per our conversation, I've connected with Kevin Desmond on opportunities for engagement between bus operators and TransLink planners. It sounds like they do have existing feedback mechanisms and will be reaching out to you directly to communicate what they are.
