Good Morning,

Please see the attached letter drafted by the MAH MO in response to a letter received from Roberta Strachan forward from your office. It is in regards to no PPE equipment received for drivers and clients on HandyDARTs.

Please review and advise if this is either approved or if you request any changes.

Thank you,

Hi Bowinn – sorry for the late notice, but MSR has a call with Colin Stein from the BC Cycling Coalition on Monday at 2pm to talk about active transportation and she would like to invite you to join given Translink has a role in cycling infrastructure. If you're not able to join we can connect you with Colin for a future meeting (MSR's original plan was to do a meeting on bikes – maybe you could still do that?).

**Subject:** Topics | Speak (Online) at upcoming Conference on Transit

Hi Bowinn,

The organizers for the Conference on Transit have reached out about topics you would like to discuss.

From the following, what would you like to speak on?

1. Green Economic Recovery: The Province's/Translink's leadership and the role of cities in green economic recovery
2. Return to Transit: the crisis facing cities if we can't get riders back into transit safely
3. Transitioning away from greenhouse gas emitting busses: How the BC government is continuing on the pathway towards electrification of transit fleets.

We have confirmed you for 15 mins on June 17<sup>th</sup> (2:00pm). I will start working with comms now on some speaking notes for you once you advise topics of interest to discuss. Also, we can structure the 15 mins how we want, so 7 mins speaking, 8 Q&A? Or you can speak the whole time?

Craig will follow up with you after you have a chance to review the above.

Thank you kindly,

**Christine White**
