Subject: Unusual "Rental" Situation

s.22

Before the Moratorium came into effect, s.22 gave them Notice (Form RTB-33 BC Residential Tenancy Act) to the end of this month to leave. They have not disputed it, yet avoid giving him any idea of their intentions

Is this a case for dispute resolution?

I cannot get a Certificate of Authority

s.22, so maybe you could

consider this a general question as I have only used his first name

Hello Selina,

I am just checking in on an email I forwarded last week from the proponents of the Meadowlane project on Salt Spring. Gary just poked me to remind me that I need to follow up. Is there someone in the Ministry or BC Housing we can talk to to find out more information and keep it moving. As I understand it they have good momentum and need to get across this final obstacle.

Thank you!

Hi Adam, good meeting with Lana today, thanks for arranging.

Wanted to remind you about discussing with Selina whether there is an obstacle to BC Housing providing financing to Meadowlane due to the COVID-related concerns about seniors housing.

I'm sure you appreciate me adding to your "to do" list:). Regards, Gary
