Subject: Request to Speak with the Minister of Municipal Affairs and Housing re: Bill 13

Hello Mr. Ashbourne,

As you may know, the BCCLA is worried about the enactment and implementation of the *Community Safety Amendment Act* (Bill 13) that has recently passed second reading. We are hoping that we could set up a call or a meeting with the Minister of Municipal Affairs and Housing to share our concerns about the legislation and to discuss how it will affect important issues that fall outside the scope of the public safety portfolio.

Please let us know if Minister Robinson is available to speak with us and we can confirm our availability.

Thank you so much and I hope to hear from you soon.
