STRICTLY EMBARGOED UNTIL NOON

Dear MLA,

Minister Darcy has asked us to pass on the attached embargoed news release and Q&As on an upcoming announcement in your community. This is part of the Overdose Emergency Response Centre which Judy has discussed at caucus and cabinet and this afternoon we will be announcing the eighteen communities hardest hit by the overdose crisis which will receive \$1.5 million in dedicated funding as part of our escalated response to the overdose crisis.

In the next few days our office will be reaching out to your staff to arrange regional announcements and working with caucus communications to do local news release where appropriate. If you have any questions please feel free to call myself s.17, our MA Anna Lindsay Baugh s.17, or our EA Raymond Liens s.17.

Eighteen B.C. communities hardest hit by the overdose crisis are the first to get the support of on-the-ground Community Action Teams (CAT) and dedicated funding as part of government's escalated response to the overdose crisis.

CAT will initially be established in the following communities, with some communities leveraging existing working groups to further enhance their response to the overdose crisis: **Vancouver, Richmond, Powell River, Surrey, Langley, Abbotsford, Maple Ridge, Chilliwack, Victoria, Campbell River, Nanaimo, Duncan, Port Alberni, Kelowna, Kamloops, Vernon, Prince George, Fort St. John.**

- The 18 communities have been identified through overdose data as having the most urgent need, and Community Action Teams will be supported by the Overdose Emergency Response Centre and regional response teams.
- Community Action Teams will work with Regional Response Team leads to intervene early to ensure comprehensive care and social supports are delivered to people at risk of overdose before it's too late.

- Each of the 18 communities will be eligible to receive up to \$100,000 in one-time provincial funding in 2017/18 to facilitate rapid action on the ground that will save lives and support people toward treatment and recovery.
- There will also be a second stream of funding, with the communities able to apply for Community Crisis Response Grants, with a total of \$1.5 million also available in 2017/18.

The goal: to save lives AND to connect people to treatment and recovery as soon as possible.

Warm Regards,

Meaghan Thumath, RN, MPH, PhD(c.)

Thank you all for sending Goneet and I your MLA/Minister cell phone numbers in early January.

Hi Susan;

I met briefly with Maura yesterday, and she mentioned she wanted to speak to me today. I cannot remember if she said she would call me, or if I should contact her! Since I haven't heard from her yet, I thought I would just touch base. If you see her do you mind letting her know I am available anytime until 4:30 today and of course all day tomorrow!

Thanks
