Hi Roseanne,

MJD is wondering if any of the Surrey Caucus members might want to join her at this firefighters event? We've been invited to give opening remarks but we are balancing a number of competing priorities and it's possible she won't make it. If she can't give remarks I'll know by Friday and if that's the case would a Surrey caucus member be interested to bring greetings on her behalf?

### *STATEMENT*

**For Immediate Release  
Jan. 16, 2018**

**New Democrat statement on new disturbing details in B.C. Liberal “Quick Wins” hearing today**

**VANCOUVER** – New Democrat MLA Ravi Kahlon (Delta North) issued the following statement regarding new disturbing details surfacing from today’s B.C. Liberal “Quick Wins” sentencing hearing:

“In court today, we heard new and disturbing details about how the B.C. Liberal government systematically abused people’s public dollars for their own benefit. We learned how deep and high up the scandal went, in both the B.C. Liberal government and B.C. Liberal party.

“We heard for the first time in court today that the premier personally had briefings and updates on the scandalous ‘Quick Wins’ program. We learned that even after the scandal was made public, the B.C. Liberals didn’t stop, and that components of the plan continued in hopes of influencing the election outcome for the B.C. Liberals. We also heard that at that same time, sitting B.C. Liberal MLAs were not cooperating with the investigation.

“It shows something rotten at the heart of the B.C. Liberals, where they put themselves ahead of British Columbians time and time again.

“I’ll have more to say when the hearing concludes.”

INFORMATION BULLETIN  
Province to launch coastal ferry review in January

VICTORIA - In January 2018, the Province will begin a comprehensive review of the coastal ferry service in British Columbia to evaluate its performance in meeting the needs of ferry users and British Columbia's coastal communities.

This review will identify what improvements can be made to the existing model and the Coastal Ferry Services Contract to better serve the needs of ferry users and coastal communities.

Under the terms of reference, the review will:

- \* Examine whether the contracted ferry services are being provided for in a manner that supports the public interest.
- \* Consider what changes to the price cap and regulatory model would ensure the ferry system is working as efficiently and effectively as possible for all British Columbians, and, in particular, for the ferry users and communities who depend on this essential service.
- \* Identify opportunities and recommend actions to enhance ferry service delivery and/or reduce costs without impacting existing service.

The review will not consider bringing BC Ferries back into government. The review is expected to cost approximately \$250,000, inclusive of all fees for technical expertise, research and analysis under the terms of reference to support the review process.

The Province has appointed Blair Redlin, former deputy minister of transportation and former CEO of the BC Transportation Financing Authority, as a special adviser to oversee the review. Redlin will report to the Minister of Transportation and Infrastructure, with a final report to be delivered to government by June 2018.

Statement from Premier John Horgan on Transgender Day of Remembrance

VICTORIA - Premier John Horgan has issued the following statement to mark the Transgender Day of Remembrance:

"Each year on November 20, we honour the memory of transgender people who have been killed in acts of transphobic violence.

"Transgender people are increasingly visible in our communities. They are our neighbours, our friends, our family. A growing number of transgender people are speaking out, running for elected office and fighting to be recognized without prejudice. Yet when doing so, many put their safety at risk. Transgender people going about their daily lives are often subject to hateful crimes.

"We denounce these violent acts, and we stand with transgender, gender-diverse and two-spirited communities in support of their right to be who they are.

"I am proud that British Columbia prohibits discrimination on the basis of gender identity and gender expression. British Columbia gives transgender people explicit protections under the Province's Human Rights Code.

"A person's identity can never be erased. Today and always, we remember those we have lost. Together, we will build a more just and inclusive province."
