Hi Stephanie,

Thanks so much for reaching out. I have copied our Senior MA Alex MacDonald and our administrative assistant Kate Rollheiser on this email so that they are in the loop.

Unfortunately, the Minister is fully booked on Tuesday. As well, there is a good chance we could be in budget estimates on Tuesday so that date won't work for me either. I would be happy to find another time to meet by phone, or the next time you are in Victoria.

Thank you again for being in touch. Talk to you soon.

All the best,
Anna

Dear Anna,

I am reaching out to ask if we could meet with you and/or the Minister to talk about how research might help you in your work. We are a Vendor of Record for the Government and Minister's offices can request research services via that mechanism through GCPE.

Given your Minister's portfolio and its newness as a Ministry, testing of perception and public opinion on government efforts to make a difference on these important files could be of significant benefit. The framing of communications on this file is very challenging, as you well know!

Bob Penner, our CEO, and I have been called back to Victoria next Tuesday, April 24; I realize it's a bit short notice but wanted to take advantage of the opportunity. It would be great to see you.

Would it work for us to meet with you and/or Minister in person that day? We are booked from 4PM over at Caucus but currently are slotting the rest of the afternoon and late morning. If there are times in there that would work, just let us know.

Marijke, copied here, is in charge of schedule.

Best,
Stephanie
