Hi Teresa,

Lucy asked me to get in touch with you regarding expectations for the Govt. MLAs for the upcoming Governor General's visit. As you are aware, there will be the Official Welcome Ceremony at 2pm on March 20th on the outside at the Parliament Buildings. **For this, there will be an opportunity for MLAs to view the ceremony from a designated area in front of the buildings.** There is a possibility that the Governor General may stop to shake hands, but it would be at her discretion. If MLAs do choose to attend, we would like them to come to the front of the East Breezeway no later than 1:45 p.m. and staff will escort them to the designated area. The outside portion of the event should be concluded by 2:20 p.m.

You may also know that all Govt. MLAs received an invitation to the Stand-Up Dinner Reception co-hosted by the Lieutenant Governor and the Premier that evening, March 20th at Government House. The reception starts at 5:30 p.m., but guests have been told to arrive by 5:00 p.m. The reception will likely conclude by 7:00 p.m. The dress code is Business Attire (with decorations – medals, etc. if they have them). The outline program for the reception is:

<!--[if !supportLists]-->•	<!--[endif]-->O' Canada
<!--[if !supportLists]-->•	<!--[endif]-->First Nations Welcome Song
<!--[if !supportLists]-->•	<!--[endif]-->LG Remarks
<!--[if !supportLists]-->•	<!--[endif]-->Premier's Remarks
<!--[if !supportLists]-->•	<!--[endif]-->Governor General's Remarks

<!--[if !supportLists]-->• <!--[endif]-->Reception continues
<!--[if !supportLists]-->• <!--[endif]-->At end of reception, youth choir
performs two songs

I am also including the latest program rollout and site diagrams for your information.

Let me know if you require anything further?

Re: 'Overdose Risk Assessment and Management Platform', to the Health Canada SUAP

Dear review committee,

I am writing in support of Dr. Michael Krausz and his research team at the University of British Columbia in their application to the Health Canada Substance Use and Addiction Program to develop an 'Online Opioid Overdose Risk Management Platform'. This platform aims to improve access to care for people who inject drugs and their support network and assist in modifying individual behavior to reduce the risk of fatal and non-fatal overdose incidents.

In 2017, the Ministry of Mental Health and Addictions was created to improve the access and quality of mental health and addictions services for all British Columbians, as well as develop an immediate response to the opioid public health emergency. Our priorities are to work in partnership to develop an immediate response to the opioid crisis, create a mental health and addiction strategy to guide the transformation of B.C.'s mental healthcare system focusing on improving access, investing in early prevention and youth

mental health and to consult with internal and external stakeholders to determine the most effective way to deliver quality mental health and addiction services. Overdose is a multifaceted problem and technological interventions such as web-based or app-based approaches can have a significant impact when applied at the population level to reduce the rates of non-fatal and fatal overdoses. This can be achieved through providing vital information on risk awareness and strategies to address risk behaviors. The proposed risk assessment platform can serve as a tool where at-risk individuals are able to navigate through different available resources of the healthcare system based on their individual risk level and be able to make more informed decisions on treatment options. In addition, the proposed co-creation and co-design process will involve individuals most affected by the opioid overdose crisis and allow for active contribution to the design of the solution.

I believe our collaboration with UBC and the development team led by Dr. Krausz will not only assist the ministry in establishing new policies based on the feedback provided through the platform, but will assist in implementation and scale-up of the platform across different areas of BC.

Hello Ministry of Mental Health and Addictions Staffers:

Wow, what a team! I am reaching out to say thank you to each and every one of you who have been working away behind the scenes to help realize our collective vision as a new Ministry. This includes preparing me to present to my colleagues with the recent Cabinet Working Group and Caucus meetings – it includes my speaking engagements and my media responses. This includes working to prepare me for my meeting with organizations and individuals. All of this has been done in a period of high intensity with the budget needs and pre-estimates, house sitting and during the most significant public health emergency in our recent history.

I feel honoured to be representing the people of British Columbia; but equally so to be standing up for the good work of the people of this ministry. I feel so very supported in driving the system forward towards that positive picture of parity for mental health with physical health and where people are safe from the harms of addiction. Please know that your work, your ideas and your dedication are making a difference to me now and all of us in the future.

Thank you for all you do here and I look forward to continuing to be on this path with you.

Hi Judy,

This is only the second year of holding the festival so I don't have a lot of information on the attendees.

You are able to speak for 2 minutes.

There will be organizations at booths providing information on how they can help newcomers to New Westminster.

In terms of the public, people have been invited by service providers (e.g. MOSAIC, SUCCESS, New West Family Place, etc) Last year we had people that were English as another language speakers, families, new to Canada and New Westminster. This year we could see more people attending as its at Century House which is closer to public transit.

Suggested message: making life more affordable: MSP reductions, Rental Assistance Program, SAFER, investments in affordable housing, seismic upgrades

I will be working that day from 10:15am - 2:15pm. I can walk with you around the venue when needed.
