**Subject:** Feb 12/Tue - Throne Speech Day - Guests for Opening Day

Hi,

In anticipation of receiving a formal notice from the Speaker's office regarding Guests for Opening Day, Government MLA's and Ministers will be provided 2 tickets each to the Throne speech which will take place at 2pm on Tuesday, February 12<sup>th</sup>.

The Whip's office would like to start canvassing Members now in preparation for Opening Day. **Please email me your Member's guest name (first and last name) along with their email address by Friday, February 1<sup>st</sup>.** For Members who have no guests or have not provided names by end of day February 1<sup>st</sup> – these extra guest tickets will be sent to the Premier's office to use.

Please note – the Speaker's office will be sending out a formal notice (not sure when) providing a later deadline to submit guest list for Opening Day, however, the **Whip's office is requesting guest names by Friday, February 1<sup>st</sup>.**

In regards to guests for Budget Day, Tuesday, February 19<sup>th</sup>, the Minister of Finance office will be coordinating this and you will receive information from their office closer to Budget Day.

FYI - this email will be forwarded to CAs, LAs and MLAs private emails. Any questions please let me know.

Thank you for your assistance.  
Angela

Angela Giuliano / Whip & Deputy Whip's Assistant

**Subject:** FW: Flights to Kelowna

Air Canada:

Anna

Leaves Vic 7:00 arrives in Kelowna at 8:56  
Leaves Vic 10:25 arrives in Kelowna at 12:26 (1 stop)  
Departs Kelowna 6:05 arrives in Vic at 7:13

MJD

Leaves Van 8:00 arrives in Kelowna at 8:56  
Leaves Van 9:05 arrives in Kelowna at 10:00  
Leaves Van 11:30 arrives in Kelowna at 12:26  
Departs Kelowna 4:40 arrives in Van at 5:39

WestJet:

Victoria to Kelowna:

Anna

Leaves Vic 10:10 arrives in Kelowna at 11:08

Departs Kelowna 6:05 arrives in Vic at 7:13

Vancouver to Kelowna:

MJD

Leaves Van at 8:00 arrives in Kelowna at 9:01

Leaves Van at 11:20 arrives in Kelowna at 12:21

Departs Kelowna 3:20 arrives in Van at 4:24

Departs Kelowna 5:30 arrives in Van at 6:34

Pacific Coastal:

Anna

Leaves Vic 8:50 arrives in Kelowna at 9:55

Departs Kelowna at 4:35 arrives in Vic 5:40

Departs Kelowna at 7:35 arrives in Vic 8:40

MJD

Leaves Van at 8:00 connects in Vic at 8:50 arrives in Kelowna 9:55

Departs Kelowna at 4:35 to Vic then over to Van

(Pacific Coastal does not fly direct from Van to Kelowna, it goes through Victoria so the last flight for MJD is 4:35 in order to make the connecting flight in Victoria for Vancouver)

**Subject:** Quote for MoH news release.

Hi Alex and team ,

Health is looking for a quote from MJD for their noon news release on Monday. I drafted the following:

(Once approved it will need to go to Hannah Lawrie and Carlene. I will be back online Tuesday morning. )

"The Fraser Northwest Primary Network will make it easier for people with mental health and substance use challenges to ask for help once and get help fast," said Judy Darcy, Minister of Mental Health and Addictions. "Integrating all aspects of health into primary care also helps to reduce stigma - and it means people will be able to get the support they need, when they need it."

**Subject:** Briefing request: BC Centre on Substance Use

Hi all,

I hope this note finds you well. Dr. Evan Wood would like to request a briefing with members of the Safer Opioid Supply Working Group to brief you on a forthcoming report from the BC Centre on Substance Use.

To facilitate scheduling this briefing, at your earliest convenience or by the end of the day **tomorrow, Feb 7**, could you please enter as many times as you are available to the following Doodle poll:  
<https://doodle.com/poll/9vbb9zuuvkehbau5>

Thank you,  
Christine

I noticed in the notes in my calendar about this mtg that it says no MMHA staff are needed. I think we should have someone on the call as it's an important initiative.

Thx

Jd

I think we will need to allow an hour for this important mtg.

Raymond, can you please provide me s briefing note about the mtg you took part in with Regan the South Asian anti-stigma campaign last week and provide me with s list of participants.

She we know which MHA staff will be present or on the phone?

Judy

**Subject:** Patient Engagement in the Language and Culture of the Patient - Phrazer

The Honorable Judy Darcy, and Ms. Daly,

I recently read a Province article which featured the two of you regarding Opioids and issues of treatment plans and strategies.

Based on our work with many health organizations in the States including The Mayo Clinic, we have developed patient engagement strategies using our device, Phrazer, that can do mental health assessments and opioid abatement, all in the first language and culture of the patient. I have included two pages of a brochure that has Canadian health statistics, and ways Phrazer can help address them. First and foremost, we can save the province a lot of money but best of all, have you deliver equal care to all with less error.

Mat Johnson, CEO and Founder of GeaCom will be in Vancouver and Victoria the week of March 4th. Mat is extremely impressive discussing patient engagement and I think he could give you some feedback on dealing with users and being able to interview and survey them, in a way that gives you better feedback than your probably getting now. Would either of you entertain meeting with Mat? We are in Vancouver the 4<sup>th</sup> and 6<sup>th</sup>, and on the Island on the 5<sup>th</sup>.

Below, I have some more detail on our technology and some previous and existing data we have with the Province. Here is our updated web site: <https://www.myphrazer.com/index.htm>

Thank you,

Hod

We have an extensive relationship with Fraser Health, and have already been approved by BCCSS/PHSA for medical record access. We would really like to show the Ministry and VCH what we have been doing at Fraser Health and several medical organizations across the USA, including the Mayo Clinic in Emergency and Trauma Clinics. The technologies that enable the CITE Patient Engagement regardless of language and culture are unique and so appropriate for what BC Health is trying to do in the Province. We currently have several health organizations using Phrazer in Mental Health and Substance Abuse areas.

The CITE Method (Communication, Information Theory Empowered), results in new broad benefits which may seem complex to attain but in actuality employing the tools and method to full benefit is accomplished quickly. Due to the nature of CITE, patients will intuitively engage Phrazer without training or assistance. Validated market measures prove that over 98% of all patients engage fully and accurately to complete all requested CITE Interactions without assistance. As a purpose built system the interfaces for staff are also extremely easy to employ and typically in less than 20 minutes staff is effective in navigating and providing CITE Engagements without difficulty.

Phrazer/Kitsune are medical devices that personalize to each patient for an attention arresting quality medical experience. Patients are immediately engaged in their own language, literacy, culture, gender and more. Their personalized caregiver works with them to advance care effectively, efficiently and accurately. Together the patient and Phrazer/Kitsune author their own chart, understand procedure, navigate care and engage staff effectively. The patient is never alone, never idle, never uniformed and always with staff.

Here is our updated web site: <https://www.myphrazer.com/index.htm>

With Phrazer/Kitsune the monotony of repetitive interactions and charting is greatly reduced and staff gets "back to the bedside". With Phrazer/Kitsune staff is enabled to engage deeply with patients more often, more meaningfully and more effectively. The staff appreciation most commonly shared is that Phrazer/Kitsune helps them perform at the top of licensure and to engage more critical thinking skills. Bottom line; with Phrazer/Kitsune staff experience closely matches what they entered medicine to do. Phrazer/Kitsune transforms all locations into active care zones. Patients are engaged immediately, equally, and empowered to author their own chart progressing care while staff is simultaneously provided key information. From triage, informed consents to personalized discharge instructions - Phrazer/Kitsune keeps the patient at the center of their own care.

Phrazer/Kitsune includes EMR functionality and interoperability with all major suppliers including Epic, MediTech, eClinicalWorks, Cerner, AllScripts, Greenway and many others. As I had mentioned, we already have experience with Fraser Health PHSA Medical Record access. It only takes 3 hours to connect via VPN (add testing hours) and the system is up and running with form fields, sheets, printers and more. The world's only purpose built medical engagement solution. Totally secure, fully antimicrobial, intrinsically safe and the most advanced CITE solution today.

**Subject:** Release for New West

Hi Eric,

Further to Raymond's email.....Keefer did a great job pulling together all the relevant info from the broader media release.

s.13

Keefer will be getting in touch with The Record to arrange a time for me to talk to them tomorrow. We have photos as well.  
I've posted a great one with me and SHARE family and community services plus one with me and Adrian on twitter.

Let me know if you have any questions.

Thx

Jd

Any questions, please let me know.
