We need your signoff on the below quote (NR is attached) for a PHSA release.

"This study speaks to the importance and the effectiveness of harm reduction and treatment efforts and the fact that they save lives," said Judy Darcy, Minister of Mental Health and Addictions. "This is why we took immediate action increasing funding and supports to connect people with overdose prevention services, harm reductions supplies, and treatment options. Hello Minister,

As discussed, attached is your speaking notes for tomorrow as well as an update to the event details:

They have arranged for you to have parking for both days at no charge at the City's overflow parking s.15  
The lot is located across the street from s.15 - in the attached is a photo (highlighted in yellow) of where the lot sits in relation to s.15

There is a controlled intersection to cross safely. In order to avoid being ticketed, please provide your license plate number at the registration check in table located on the main floor at s.15

Please call Julie Grover s.22 when you arrive at the parking lot so she can greet you. They are hoping for a quick huddle prior to the start with Chief Garis, Mayor McCallum, Trefor Munn-Venn and Lynn Barr-Telford.
