Hello Mitzi,

I am a resident of View Royal and request that you please take action to move forward the Safe Care Act. This is an important law that will assess potential threats of youth violence which is present in our communities. Subsequent treatment and counselling would be spending some money now to save a lot of money - not to mention the positive life potential of these kids - down the road.

Regards,

Thanks Tania. Raymond, do you want me to ask our AC to arrange for four passes to the Gallery on Thursday? I'll leave you to follow up on the introductions with MJD.

Hi Raymond, Matt

I am writing in the hopes you can help me out with a request for later this week. Please forward to the appropriate folks, as required.

I will be in Victoria with CUPE's National Officers later this week. And it looks like we will be able to carve out time for a quick visit to the legislature on Thursday morning.

Would it be possible to get 4 passes for the gallery for Thursday morning, and to arrange introductions for us?

Mark Hancock, National President of CUPE
Charles Fleury, National Secretary-Treasurer of CUPE
Tania Jarzebiak, Assistant to the National President
Michael Butler, Assistant to the National Secretary-Treasurer

I think it makes sense for Judy to introduce the officers, and Michael Butler (I know this would generally fall to the Labour Minister, but given she is a former CUPE president I think its appropriate coming from her). As for me, Selina had suggested she would like to intro me if I make it over - but I don't want to offend Judy so either way is fine.

In case staff need something for notes to get her started:

The Canadian Union of Public Employees is Canada's largest union, representing 680,000 public sector workers across the country - including more than 130,000 in British Columbia.

Please let me know if I can be of further assistance, or if I should be contacting someone else directly. I can be reached here by email or on my cell at 604 202 6336.

Many thanks!

Hello

Please find attached a formal request made under the *Freedom of Information and Protection of Privacy Act* (FOIPPA). Your analyst for the attached request will be Lauren Lemieux

Please send the records to FOI.Health.Education@gov.bc.ca by April 10, 2019.

Request Due Date: May 8, 2019

You should be aware that FOIPPA obligates us to assist the applicant and to respond without delay, openly, accurately, and completely. In the event that the ministry must defend the adequacy of its search to the Information and Privacy Commissioner at Inquiry, those involved in searching for records may be required to sign affidavits to prove that they have conducted an adequate search for relevant records.

Please do not hesitate to contact your analyst to discuss:

- whether the records may be routinely releasable;

- whether the information is being prepared for public release or is already publicly available;
- whether staff would be available to discuss the request with the applicant, if the applicant is agreeable;
- ways in which an applicant may want to narrow/focus their request to reduce potential fees; and/or
- any other questions or concerns relating to this request.

Thank you,
