Subject: MOU technical suggestion

Dear Paul Irwin,

Thanks very much for organizing the concall yesterday, which is very helpful.

I have two comments with respect to the MOU.

1. Judging from the title, the MOU is between the provincial governments, but in the last part, the MOU is signed by FAO Guangdong and MIT BC, which is inconsistent with each other. Therefore, I would suggest the last part be revised as follows: Representative from Guangdong People's Government FU Lang (DG of FAO), and Representative from BC Government Teresa WAT (Minister of MIT).

2. With respect to the MOU to be kept by Guangdong, both the Chinese and English version, wherever the both sides be mentioned, Guangdong should be the first and BC next. For example, the title should be MOU between Guangdong and BC, not MOU between BC and Guangdong. Vice versa. For the English and Chinese version to be kept by BC, BC should be the first and Guangdong next, namely, MOU between BC and Guangdong.

For your reference only.
