Hi Heidi,

Staff advice is for MMP **not** to meet, and to defer to EPD staff. Alan McCammon and Kerri Skelly (both are in our Surrey office) are involved on the Salt Spring Island file and have had dealings with a number of similar sites over the past few years.

Please advise if MMP will meet, and if staff/materials will be required.

Thanks,

Ashley

Hi Ashely,

Can we have staff advice on this meeting request please. We are not sure if the issue they would like to discuss is env related. They are hoping to have a meeting this Friday if possible.

Thanks,

Heidi
