kootenay	21-Aug-12	31008-01		Beetlestone	Black Bear	Officer was rude to subject regarding the way the subject was managing attractants on restaurant property. Subject also concerned that Officer in a rogue manner destroyed food conditioned black bear that was gaining access to garbage.	Unsubstantiated complaint/frivolous. There were issues with attractants and bear was food conditioned causing public safety issue. There was a public witness to the discussion that took place between the officer and subject who advised the officer was acting appropriately in consideration of the circumstances.

south coast	16-Jul-16		Cliff # 302803	Murray SMITH	Black bear	Public questioned why a black bear in Port Moody needed to be destroyed	Phone call discussion explained multiple reports of conflict with this specific bear in this residential complex. Explain human habituation and food conditioning circumstances with bear. Member of public understood situation and outcome.
Okanagan	11-May-11	31008-20/Okanagan/B.Smith	201102201	Smith, Brent	Black Bear	Discreditable Conduct, Neglect of Duty, Improper Off-Duty Conduct. Officer SMITH attended a black bear hunt with hunting subject (friend) while off-duty. Hunting subject harvested a sow black bear (thinking it was a male) not recognizing at the time of harvest a cub of year was in the vicinity. Cub of year was later euthanized by subject under direction of SMITH as they felt it would not survive without the presence of the sow.	Unfounded
South Coast	06-Oct-11	31008-20/FAST		CO Service	Cougars	Destruction of Cougars near Squamish, B.C. Subject complained that the COS should not utilize euthanasia as a means of dealing with conflict wildlife.	Complaint not accepted as it did not meet the formal complaint policy criteria as the policy addresses the conduct of an officer not "governance" policy decisions. COM advised that the COS must humanely euthanize animals at various times in consideration of public safety concerns.
