Subject: TLA Executive Director, Dave Lewis' resignation

Sent on behalf of the TLA Board of Directors

June 20, 2012

Dear members and industry partners,

It is with regret that the Truck Loggers Association (TLA) announces that Dave Lewis, our Executive Director since 2007, will be leaving the TLA this September to pursue other career opportunities. Dave has championed

the TLA during his tenure and provided leadership for the coastal forest community during five very difficult years for the forest industry. Dave has effectively represented TLA members in many strategic areas including forest worker safety, forestry worker recruitment and education, the Forest Service Providers Protection Act, the HST debate, First Nations involvement in the TLA and, most recently, promoting provincial forest policies that will improve harvesting opportunities in the province. The TLA, with over 400 members, is a stronger association for his leadership. We wish Dave all the best.

Yours sincerely,

Bill Markvoort

President, TLA Board of Directors

Hi everyone,

Just a heads up for those who haven't responded yet, apparently there are only about 10 spaces left for the Luncheon so if your member wants to go, please make sure you register them soon.

Also, the reception will be held at the International Suite at the Westin Bayshore from 4-6pm.

Any questions, let me know!

Ashley

Hello Minister,

I want to get you registered for this event, early bird tickets are available at a discounted price until Dec. 11th. I'm not really sure what events you would like to attend, you do have some meetings at PVO on each day the convention takes place, it runs from Jan 13-15 at the Westin Bayshore. Perhaps you can take a look at the program when you get a moment? www.tla.ca/convention

Cheers,

Kate

PS. This comes from the big boss (Cathy 😊) so I must get you registered!
