0623 call from ECC about bear, advised to call Vancouver as that is their area. 0636 hrs ECC called back saying they could get in touch with anyone so I said I would deal with it. Spoke with the constable on scene advised me there was a small be in a tree near the P&E on East Pender St. 0740 arrived at scene and observed that the bear was still in the tree. The bear was tranquilized and tagged. 1001 met with CO Syer who had a bear trap; unloaded the bear into the trap. Drove up to Chehalis Lake to release the bear. 1330 at the 31km mark where the bear was released. 1715 at home and end of call out. Traffic going there and back was very slow since it was a long weekend so there for it took extra time to complete the task. Telazol s.15
