Hello Richard, I had indeed seen that piece. It's quite disturbing.

I'm not sure if I will be at the Mayor's breakfast. s.22

See you at UBCM.

Andrew

Not sure if either of you gentlemen has seen this article. It disturbed me greatly. Hopefully the Climate Change Secretariat has significantly more independence than this analysis indicates..... hope to see you both at the UBCM breakfast we are hosting on Tuesday.....best wishes  
guys....Richard Walton
